 INSTRUCTURE

If you had an account last year, use the same email and password.
You will get to skip step 3.
Have your new student generate a pairing code to add them.

How to get Student Pairing Code

1. On the student iPad, open their Canvas app. Top left tap the three lines  (menu icon).

2. Then tap settings

3. Pair with Observer

Give parent this code to pair with student.

Each code is only good for one parent. If two parents want to follow student, you will need to generate the code twice. Codes will expire if not used.
