**TO: Cape Henlopen School District Affiliated Organization Officers**

**DATE: July 26, 2024**  
**RE: FY 2025 Board Policy 908 and Accounting Manual Certification Form**

---

The Cape Henlopen School District has adopted Board Policy 908 (Affiliated Organizations) and an internal accounting manual. The policy and guidelines have been established to ensure there are the proper organizational procedures, policies and internal controls for the organizations. These requirements have been established to ensure financial transparency for the Cape Henlopen School District community.

The manual outlines the minimum organizational requirements to enable the group to perform fundraising activities, in support of student activities. As an affiliated organization officer who may be responsible for the management of these funds, you are required to acknowledge that you have read and understand the requirements contained in this document. You may review the document online at the district website under Staff Resources.

All fundraising activities (including on-line fundraising sites, camps and/or tournaments) intended to raise funds for a Cape program **MUST** be approved in advance by the Building Administrator (Athletic Director for Sports), District Office Administrator and the Director of Finance. All requests must be submitted on the district fundraising form and should include a copy of all related correspondence or fliers. If the fundraising activity requires the use of a Cape Facility, a facilities use form must be completed and approved by the District Facilities Management Department, prior to any advertisement of the activity. Absolutely no advertising or solicitation of sponsorship may be done prior to receiving these written approvals. All funds raised for a specific purpose/program must remain with that program for the intended use. Absolutely no funds shall be transferred to another student account with a participant who no longer participates in the fundraising group activity/program.

Thank you in advance for ensuring that the Cape Henlopen School District adheres to the guidelines for managing affiliated organization funds. If there are any changes to the manual and fundraising requirements, you will be notified by written memorandum. Should you have any questions or concerns, please do not hesitate to contact the building senior secretary (athletic secretary for coaches). The Business Office will work with that secretary to provide a response to your inquiry.

Please sign and date this memo acknowledging that you have reviewed the District Accounting Manual; and understand the organizational policies and procedures contained therein.

---

I acknowledge that I have reviewed the District Accounting Manual and agree to abide by the established district procedures and policies. I further understand that fundraising privileges on behalf of the Cape Henlopen School District and related activities may be revoked for non-compliance of the policies and procedures.
