II. Parent/Guardian's Section

I hereby request and give my permission for school district personnel to administer this prescribed medication to my child in accordance with the specific written orders from our medical provider. I do hereby release all school employees and the Board of Education from liability for damages, illness, or injury resulting from either performing or not performing any assistance requested.

I am responsible for the delivery of this medication to the school clinic and will notify the school immediately if we change our medical provider or the need for this medication is discontinued.

I understand this medication can only be administered to my child by a school nurse or myself until medically unlicensed staff in my child's school have completed the required District training. In the absence of a medically licensed person, such as a school nurse, only designated, trained staff are authorized to perform this task.

If this medication is required for extracurricular activities, I agree to provide a separate dose to school staff supervising my child's extracurricular activities

A new Asthma Action Plan and Orders form must be submitted each school year.

I understand that if any changes are needed on this Asthma Action Plan and Orders form, it is the parent's responsibility to contact the school nurse and submit a new form.

I understand that my child may be eligible for Section 504 plan.

I consent to communication between the prescribing health care provider or clinic, the school nurse, the school medical advisor and school-based health clinic providers as necessary for medical management.
