**ACCIDENT INSURANCE**

The board of education recognizes the need for insurance coverage for the unforeseen accident which may occur in the course of attendance at school or student participation in extra-curricular programs at school.

The board will, therefore, provide parents the opportunity to purchase insurance coverage, at no cost to the board, for injury resulting from accidents sustained by students in school, on school grounds, at an activity sponsored by the schools, while traveling between home and school, or in any activity around the clock.

The Superintendent shall recommend suitable and qualified insurance carriers for the board's consideration.
