April 20, 2016

Dear Parents / Guardians:

The State of New Jersey requires that all 4<sup>th</sup> grade students participate in the Assessment of Skills & Knowledge (ASK) SCIENCE. The Science ASK will be administered on the morning of Wednesday, May 25<sup>th</sup>.

We are asking for your help to ensure the greatest success for our students. **Please make sure that your child attends school that day and arrives on time.** Your child will have the best chance to apply his/her knowledge to a variety of test questions if he/she has had a good night's sleep and a well-balanced breakfast each day before taking this test.

Accompanying this letter is a parent/student manual that can answer any questions you might have about this assessment. Your child's teacher has already reviewed these sample questions with your child. The intent of this Manual is to help you have a better understanding of the high standards which we strive for as we work toward meeting the New Jersey Core Curriculum Content Standards.

If you have any further questions about the ASK 4 Science, you may call the Curriculum Office at 478-2016 extension 7169.

Sincerely,

Andrew P. Davis, Ed.D.  
Director of Curriculum & Instruction
