Andrew P. Davis, Ed.D.
Director of Curriculum & Instruction

September 14, 2015

Dear Parent or Guardian:

Welcome back to an exciting new school year. Our students in grades three through six all have individual student Chromebooks. Many of the other desktops and laptops have been relocated to the primary grade classrooms. We have also been updating our district website. The teachers are converting their old eBoards to Edline; this transition will be complete by October 12th. If you notice any errors in the teacher sites, please feel free to bring them to the attention of the classroom teacher and/or building principals after this date.

More of our curriculum resources are being supported through digital platforms. Over the course of the summer we were able to update all of our student log-ins. I am happy to report that the student logins are the same for individual students; they will only need to remember one username and password!

Username:	First name, first three letters of last name, and graduation year from PVS, e.g. AndrewDav79
Password:	Student ID# and Usa, e.g. 12345Usa

The list of resources and their uniform resource locator (URL) on the back of this page is also available through quick links on the web-site under the student tab.

Please feel free to contact your child's homeroom teacher for additional information. You may also contact me if you have questions about the curriculum via phone 856.478.2016 extension 7169 or e-mail davisa@harrisontwp.k12.nj.us.

Sincerely,

Andrew. P. Davis, Ed.D.
Director of Curriculum & Instruction
