Dear Parents/Guardians:

New Jersey school districts, charter schools, and renaissance schools are required by statute (N.J.S.A. 18A:7C-6.6) to annually notify families of any statewide assessment or commercially developed standardized assessment that will be administered over the course of the school year. Below you will find the assessment calendar for Harrison Township School District for the 2023-2024 school year. This includes both state mandated tests as well as assessments used locally by the Harrison Township School District. Many of the assessments included in the calendar below are hyperlinked to pages that include more information about the individual assessment for parents and/or guardians that are interested in learning more about any particular assessment.
