## **SBCEO DIVISIONS**

### **Administrative Services Division**

**Year-End Close:** Fiscal Services staff are working on the 2023-24 year-end close in preparation for completion of the Unaudited Actuals to be submitted in October.

**Payroll Updates:** Fiscal Services staff has completed salary schedule changes, assignment verification (for 12-month employees), and benefit updates in Escape for the first payroll of 2024-25. Verification of 10-month employee assignment and data is underway.

**District LCAP Approval:** School Business Advisory Services (SBAS) district financial advisors (DFAs) are working closely with C&I directors to review district LCAPs. DFAs are carefully analyzing districts' Budget Overviews for Parents and expenditures associated with actions identified in the LCAPs.

**District Budget Approval:** SBAS district financial advisors are in the process of reviewing district adopted budgets for compliance with state criteria and standards and to determine if the budgets allow the districts to meet their financial obligations. On or before September 15, SBCEO shall approve, conditionally approve, or disapprove the adopted budget for each school district.

It has already been determined that one district may not be able to meet its financial obligations for the current year or two subsequent years. As a result of the multiyear financial projections, SBCEO has designated the district as a "Lack of Going Concern." The designation statutorily requires the county office of education to take the same action it would with a district that has a qualified certification at an interim reporting period.

### **Curriculum and Instruction Division**

**Educator Career Pathways are a focus of our summer work:** Our first cohort completed the **Bilingual Authorization Program**. SBCEO is the first county office in the state to receive accreditation for the bilingual authorization. Eight (8) teachers from across the county completed the 120-hour intensive coursework and training and will complete their fieldwork in the fall, supported by Director of Language and Literacy Dr. Carlos Pagán, who developed and taught the coursework, and by Coordinator of Language Education Support Services Melissa García. We offset the program's full cost for each teacher with an Educator Workforce Investment Grant.

**Reading and Literacy Added Authorization (RLAA) Program:** The RLAA grant program is well underway. We received funding from the California Commission on Teacher Credentialing (CTC) for 25 teachers the first year, and we have begun a waiting list for year two. Several teachers began their coursework this summer, while the rest begin with the fall term. In our current cohort, all districts have chosen the

program at UC San Diego, and the grant covers the full tuition for each teacher, with the district providing matching funds for the support and implementation activities. Given the interest among teachers, at least one district is looking to apply directly to the CTC for an additional grant. The Reading and Literacy Authorization can be added to a multiple subject, single subject, or education specialist credential.

**Preliminary Administrative Services Credential (PASC) Program:** Cohort 17 of our PASC program launches this month with 15 new candidates pursuing their administrative credentials. The program consists of 6 courses, 60 hours of fieldwork, an action research project and completion of 3 cycles of the CalAPA (the California Administrator Performance Assessment). Director of Leadership Support Services Elsy Villafranca was invited to present to the CA Commission on Teacher Credentialing (CTC) because under her leadership, SBCEO candidates have the highest scores in the state on the assessment.

**Induction Programs:** Our directors are busy this time of year working with district HR departments to enroll teachers and administrators (along with their mentors and coaches) in the two-year, job-embedded induction programs, which provide learning, support, and coaching for the candidates. Both the **Teacher Induction Program (TIP)** and the **Clear Administrative Services Credential (CASC) Program** support educators in developing cycles of inquiry, data use, professional growth and reflection aligned to their professional standards, and the skills and competencies to support their practice. TIP Director John Merritt and Coordinator Marith Utterback continue to adapt program structures and resources, responding to candidates' diverse geographic and teaching contexts TK-12, and they differentiate support for mentor teachers at varying levels of coaching experience. Dr. Anne Roundy-Harter, who leads CASC, also coordinates professional learning programs and coaching for veteran administrators through our 6-county collaborative grant, 21CSLA (21<sup>st</sup> Century California School Leadership Academy).

**District LCAP Approvals:** All districts adopted their LCAPs by June 30 and sent SBCEO their LCAPs, Annual Updates, and Budget Overviews for Parents. Seven C&I directors are working closely with SBAS district financial advisors (DFAs) to review district LCAPs on the four criteria established in the Education Code. Director of School and District Support Shawn Carey leads the process and internal calibration. Clarification requests will be submitted to districts by August 15. Our team will work with each district individually to ensure each LCAP meets the approval criteria before the September 15 deadline for budget approval.

**Supporting Professional Learning:** C&I staff will be in the field supporting back-to-school staff development days with customized professional learning requested by our districts and charters.

### **Human Resources Division**

**Open Enrollment:** Open enrollment for health and welfare benefits will take place August 1-15, 2024. As a part of the open enrollment process, SBCEO is excited to

offer our annual benefits fairs at each of our main locations in early August providing employees the opportunity to meet in person with our benefits staff and many carrier representatives. We are also preparing for the rollout of a new employee benefits portal. We are eagerly looking forward to this new resource for employees which will ensure a user-friendly and informative experience during the benefits open enrollment period. Finally, our benefits team has also prepared employee resources focused on mental health supports including counseling and therapy, and on other value-added programs such as virtual primary care, one-on-one health coaching, chronic condition management, health trackers, free generic medications, medical expert opinions, virtual physical therapy, maternity and postpartum support, hip and knee replacement supports, spine surgery supports, and cancer benefits.

**HR Support to Districts:** Tom Heiduk, credentials services manager, visited district offices and met with district staff as part of an ongoing effort to provide support to districts with credentialing and related HR matters.

**Santa Barbara County Classified Consortium:** The Santa Barbara County Classified Consortium (SBC4) classified credentialing grant provided support in 2023-2024 for 14 current/former classified staff from SBCEO, local school districts and local charter schools as they pursued their teaching credential goals. Eight (8) of these grant recipients completed their teaching credentials during the 2023-24 school year and have either received job offers or are pursuing teaching positions in Santa Barbara County.

**Teacher Residency Grant:** The Teacher Residency Grant, administered in partnership with UCSB, fully funded 36 aspiring educators through UCSB teacher education programs, and 29 have already signed offers of employment for 2024-25 in California (an even split between Santa Barbara County and other areas of the state).

### **Special Education Division**

The Special Education division is preparing to welcome back staff for the 2024-25 school year. Back-to-school and professional development days are scheduled throughout the county during August, following the calendars of the local educational agencies the division serves. The meetings will include presentations related to staff mental wellness, the Standard Response Protocol (SRP), best practices for Individualized Education Program (IEP) meetings and supporting students with behavioral needs.

### **Student and Community Services Division**

#### **Career Technical Education (CTE)**

**A New CTE Coordinator Joins SBCEO:** The Career Technical Education (CTE) team expanded on July 1, 2024, with the addition of Dr. Sean O'Brien as a new coordinator. Sean, a credentialed elementary school teacher with nearly 10 years of classroom experience, including four years teaching in Berlin, Germany, also spent time teaching

pre-service teachers at the Gevirtz Graduate School of Education at UCSB. In his new role, Sean will support Santa Barbara County school districts with their CTE programs, contribute to the writing and oversight of CTE department grants, manage and expand the SBCEO Early Childhood Educator Apprenticeship Program, and coordinate the CTE Teacher Tours in southern Santa Barbara County.

### **Early Care and Education (ECE)**

**ECE Earns High Marks on the CLASS Assessment:** The Classroom Assessment Scoring System (CLASS) is a formal assessment used in early education to measure the quality of teacher-child interactions. Research studies have shown that these interactions create better social and academic outcomes for children. During the 2023-24 school year, SBCEO preschools participated in CLASS assessments conducted by a validated and reliable assessment agency. CLASS measures three domains: Emotional Support, Classroom Organization, and Instructional Support, each with subdomains to capture specific details about teachers' interactions with children.

Early Care and Education is proud to announce that all SBCEO programs exceeded the national average in all domains. The SBCEO staff truly shined in the Instructional Support Domain, with an average score substantially higher than the national average. Particularly impressive were the subdomains of Concept Development and Quality of Feedback, where SBCEO's scores were notably higher, reflecting a robust approach to fostering higher-order thinking and providing effective feedback.

Test results indicate that SBCEO's targeted professional development and instructional strategies are highly effective, positioning the organization as a leader in early childhood education.

**ECE Back to School – Let the Games Begin!** The Olympic-themed back-to-school event for Early Care and Education staff will be held on August 5 and 6 in Los Olivos. On day 1, Rosy Bucio from SELPA will present research-based professional development focused on brain development and supporting students' social-emotional development. On day 2, the focus will be on programmatic updates, sharing program self-evaluation results, and engaging in fun team-building games to complement the Olympic theme. The professional development days aim to reinforce the importance of creating work environments that foster each individual's strengths and talents, emphasizing their essential role on their teaching team.

### **Juvenile Court and Community Schools (JCCS)**

**Back to School:** On August 12, JCCS staff will gather for a full day of professional learning. The day will begin with an introduction to the newly purchased English Learner curriculum, Vista. After lunch, the focus will shift to social emotional learning with Lizzie Rodriguez. Lizzie integrates social, cultural, and environmental influences to promote positive change, well-being, and empowerment at both individual and system levels. She is passionate about helping individuals unlock their potential through individual coaching, group training, conflict resolution, and facilitating think tanks. JCCS is excited

to collaborate with Curriculum & Instruction, who contracted Lizzie to work with schools throughout Santa Barbara County this year.

Peter B. FitzGerald Community School resumes classes on August 15. We are projected to start the school year with 17 junior high and 10 high school students.

## Student and Community Services (SCS)

**Emergency Planning Updates:** The SBCEO safety team is diligently working towards completing the Santa Barbara County Education Office Emergency Operations Plan and replenishing disaster supplies at all SBCEO locations. We expect to finish the project within the next few months.

Additionally, the school safety liaison and Communications team has been preparing for the rollout of the Standard Response Protocol (SRP) and appropriate signage across the organization. An overview video of the SRP has been created and will be shared with all employees in the coming weeks.

**Local Indicators Update:** At the June 20, 2024, board meeting, the 2023-24 Local Indicators were presented to the County Board of Education as an informational item. Local educational agencies are required to report the Teaching Assignment Monitoring Outcomes (TAMO) data as part of the Priority 1 Local Indicator self-reflection to their governing boards at the same meeting as the Local Control and Accountability Plan (LCAP) adoption. In June, the only available data was from the 2021-22 school year. The California Department of Education released the 2022-23 TAMO data on July 15, 2024. This newly released data will be reported on the 2024 Dashboard, and we are providing the County Board of Education with an update accordingly.

## **SUPERINTENDENT'S REPORT**

### **13. Superintendent's Report**

The superintendent's report was presented as an information item. Dr. Salcido also commented on the following:

- Negotiations between the Santa Barbara County Education Office and the two unions had concluded.
- Special education preschool program transfer back to Lompoc Unified School District – The superintendent asked Associate Superintendent of Special Education Kirsten Escobedo to share about this item. Mrs. Escobedo reported that the Lompoc Unified School District had requested to “take back” the special education preschool program that SBCEO had been providing. The district met the requirement to give SBCEO a year and a day’s notice. SBCEO recently received the notice. The transfer would affect between 40-50 SBCEO staff members, fully or in part.

## **INFORMATION ITEMS**

## **8. Summary of SBCEO's Support for Continuous Improvement in Districts**

Associate Superintendent of Curriculum and Instruction Ellen Barger presented a summary to the board on how the Santa Barbara County Education Office supports districts in implementing Article 4.5 of the Education Code: Local Control and Accountability Plans and the Statewide System of Support. SBCEO supports districts by reviewing their Local Control and Accountability Plans (LCAPs), providing Differentiated Assistance, and collaborating with the California Collaborative for Educational Excellence, other lead agencies and county superintendents. This was presented as an information item. It was presented at the same board meeting at which the SBCEO LCAP was being considered for approval, per Education Code 52066.

**9. LCAP Local Indicators Report**

The report on SBCEO's progress on the Local Indicators through the California School Dashboard was submitted to the board as an information item, per the requirements of the standards for Local Indicators approved by the State Board of Education. Associate Superintendent of Student and Community Services Bridget Baublits provided a presentation to the board on the report.

**10. LCAP Federal Addendum**

The revised Local Control and Accountability Plan (LCAP) Federal Addendum was submitted to the board as an information item. It was intended to supplement the LCAP to ensure that SBCEO met the Every Student Succeeds Act (ESSA) Plan provisions for Title I, Part D, and Title II, Part A. The addendum was updated to align with the 2024-25 Local Control and Accountability Plan.

**ACTION ITEMS**

### **Credentials report pertaining to credentialed personnel, employed by local educational agencies across Santa Barbara County**

#### **Registration of Credentials or Other Certification Documents**

The Santa Barbara County Education Office (SBCEO) registers credentials provided to all individuals throughout Santa Barbara County who have been issued credentials and permits by the California Commission on Teacher Credentialing (CCTC). (*Education Code § 44332.5*)

The content in this section of the report is informational.

#### **Issuance of Temporary County Certificates**

Temporary County Certificates (TCC) are issued by SBCEO to individuals during the interim period from when they apply for a credential with the California Commission on Teacher Credentialing to when they are issued or denied the official credential.

A TCC allows an individual to actively work and be paid for service in those positions for which the credential is required while they await final clearance of their credential or permit.

Temporary County Certificates must be approved by the County Board of Education. (*Education Code § 44332*)

## **Santa Barbara County Board of Education**

### **Personnel reports pertaining to SBCEO personnel, employed by the Santa Barbara County Superintendent of Schools**

The certificated and classified personnel reports are provided to the board as an information item.

#### **Certificated Personnel Report**

Certificated employees are those whose positions require a specific credential issued by the California Commission on Teacher Credentialing.

The certificated personnel report is generated regularly and includes all actions made regarding employment of certificated employees at SBCEO such as appointments and separations.

#### **Classified Personnel Report**

Classified employees are those whose positions do not require a state-issued credential. Since 1975, the Santa Barbara County Education Office has operated a Merit System for the classified service. Merit System law (Education Code § 45240-45320) provides that classified employees are selected, retained and promoted on the basis of merit and fitness, exclusive of discrimination due to actual or perceived race, color, ethnicity, age, religion, political affiliation, marital status, disability, gender, sexual orientation or national origin. The Personnel Commission, composed of three members, is the impartial body authorized by the state to be responsible for implementing and interpreting Merit System rules and adjudicating appeals on those facets of employment within its purview.

The classified personnel report is typically generated monthly and includes all personnel actions affecting classified employees at SBCEO such as appointments, changes to status, and separations.

Susan C. Salcido, Superintendent  
Santa Barbara County Office of Education  
P.O. Box 6307  
Santa Barbara, CA 93160-6307

Dear Superintendent Salcido:

Subject: 2023–24 Second Interim Report

Pursuant to California *Education Code* Section 1240(l), the California Department of Education (CDE) has reviewed the Santa Barbara County Office of Education's (SBCOE) Second Interim Report and the accompanying positive certification of financial solvency to determine whether it complies with the Criteria and Standards for fiscal stability adopted by the State Board of Education and is consistent with a financial plan that will enable the county office of education to satisfy its multiyear financial commitments, including all financial obligations in the current year. The CDE concurs with the SBCOE's assessment that, based on current projections, the SBCOE will be able to meet its financial obligations for the current and subsequent two fiscal years and that a positive certification is appropriate.

The CDE appreciates the submission of your Second Interim Report. If you have any questions or concerns, you may email us at [SACSINFO@cde.ca.gov](mailto:SACSINFO@cde.ca.gov).

Sincerely,

/s/

John Miles, Administrator

## RESOLUTION No. 2501

### RESOLUTION REGARDING SUFFICIENCY OR INSUFFICIENCY OF INSTRUCTIONAL MATERIALS

#### Statement of Sufficiency

**WHEREAS**, the Santa Barbara County Board of Education, in order to comply with the requirements of California Education Code §60119, held a public hearing on August 8, 2024, at approximately 5:00 p.m., which is on or before the eighth week of school and which did not take place during or immediately following school hours; and

**WHEREAS**, the Santa Barbara County Board of Education provided at least 10 days' notice of the public hearing posted in at least three public places within the district that stated the time, place, and purpose of the hearing; and

**WHEREAS**, the Santa Barbara County Board of Education encouraged participation by parents, teachers, members of the community, and bargaining unit leaders in the public hearing; and

**WHEREAS**, information provided at the public hearing and to the Santa Barbara County Board of Education at the public meeting detailed the extent to which textbooks and instructional materials were provided to all students, including English learners, in the district/county office of education; and

**WHEREAS**, laboratory science equipment was not provided because Juvenile Court and Community Schools, and Special Education programs, as alternative/special education, do not provide laboratory science in any grades, K-12; and

**WHEREAS**, world language was not provided because Juvenile Court and Community Schools, and Special Education programs, as alternative/special education, do not provide world language in any grades, K-12; and

**WHEREAS**, the definition of "sufficient textbooks or instructional materials" means that each pupil has a textbook or instructional materials, or both, to use in class and after class, and to take home; and

**WHEREAS**, sufficient textbooks and instructional materials were provided to each student, including English learners, that are aligned to the academic content standards

and consistent with the cycles and content of the curriculum frameworks in the following subjects:

- Mathematics,
- Science,
- History/social science,
- English language arts; and

**WHEREAS**, sufficient textbooks or instructional materials were provided to each student enrolled in health classes.

**NOW, THEREFORE BE IT RESOLVED**, sufficient textbooks and instructional materials in the above stated areas were provided to each student, including English Learners, that are aligned to the academic content standards and consistent with board adopted, standards-aligned materials in grades kindergarten through twelve and with the cycles and content of the curriculum frameworks.

**PASSED AND ADOPTED** by the Santa Barbara County Board of Education on **August 8, 2024**, by the following vote:
