Subd. 2. A teacher shall be permitted to utilize the annual sick day accrual in advance of accrual if they have performed their duties for at least twelve (12) working days. In the event that sick days are utilized prior to accrual, such days will be deducted from future accumulations. If a teacher is deducted pay prior to performing duties, they will be reimbursed for those days after accumulating that number of sick days pursuant to Subd. 1 of this section. In the event that a teacher using sick leave in advance of accrual leaves employment of the district, he shall be liable to the School District for any sick leave pay advanced beyond his earned accrual.

Subd. 3. Unused sick leave days may accumulate to a maximum credit of 150 days of sick leave per teacher.

Subd. 4. Sick leave with pay shall be allowed by the School District whenever a teacher's absence is found to have been due to the teacher's illness and/or medical appointments which prevented their attendance at school and performances of duties on that day or days.

Subd. 5. In accordance with MN Statute 181.9413, a teacher may use sick leave benefits provided by the School District for absences due to an illness of or injury to the employee's child, as defined in section 181.940, subdivision 4, adult child, spouse, sibling, parent, grandparent, or stepparent, for reasonable periods of time as the employee's attendance may be necessary, on the same terms upon which the employee is able to use sick leave benefits for the employee's own illness or injury. This time is limited to 160 hours in any 12-month period. This limit does not apply for care of a child under 18 years of age or under 20 who is still in a secondary school.

Subd. 6. Up to five days of accumulated sick leave may be used for paternity leave immediately following the birth of a child. Sick leave used for a hospital stay prior to the birth of the child is not counted towards the five days of paternity leave. Paternity leave begins on the date of birth of the child.

Subd. 7. The School District may require a teacher to furnish a medical certificate from a physician as evidence of illness, indicating such absence was due to illness in order to qualify for sick leave pay. In the event that a medical certificate will be required, the teacher will be so advised before the teacher returns to work.

Subd. 8. In the event a medical certificate is required, the teacher shall have the option of visiting a physician of the School District's choosing, in which case the school district shall pay for the medical fee, or the teacher may visit, at their own expense, the physician of their choice.

Subd. 9. Sick leave allowed shall be deducted from the accrued sick leave days earned by the teacher.

Subd. 10. Sick leave pay shall be approved only upon submission of a request upon the authorized School District electronic system.

Teachers who are absent more than their days of accumulated sick leave will have deductions made from their salary at the following rate: 1/184 times the annual salary for each day of absence in excess of their accumulated sick leave. Absence for less than one day shall be prorated on the above rate of deduction.

Section 2. Adoption Leave:

Subd. 1. Five days of accumulated sick leave will be granted provided the leave is used preceding the placement of an adopted child(ren). The use of an additional five days of sick leave may be granted at the discretion of the superintendent.

Subd.2. Up to six weeks of accumulated sick leave may be used immediately following the adoption of a child(ren). If both parents are employed by the School District, they may use a combined total of up to six (6) weeks of accumulated sick leave.

Section 3. Child Care Leave:

Subd. 1. A childcare leave shall be granted by the school district, subject to the provisions of this section, to one (1) parent of a child. This leave shall include cases of adoption and the extended illness of a child.

Subd. 2. A teacher making application for child care leave shall inform the superintendent in writing of intention to take the leave at least sixty (60) calendar days before commencement of the intended leave.

Subd. 3. If the reason for the childcare leave is occasioned by pregnancy, a teacher may utilize sick leave pursuant to the sick leave provisions of the [Recovery Period After Child Birth Policy](#) . However, a teacher shall not be eligible for sick leave during a period of time covered by a child care leave. A pregnant teacher will also provide at the time of the leave application, a statement from her physician indicating the expected date of delivery.

Subd. 4. The School District and the teacher may adjust the proposed beginning and ending date of child care leave so that dates of the leave are coincident with some natural break in the school year - i.e., winter vacation, spring vacation, semester break or quarter break, end of a grading period, end of the school year, or the like. The availability of a substitute teacher may also be considered in the duration of a childcare leave.

Subd. 6. A teacher returning from childcare leave shall be reemployed in a position for which he or she is licensed unless previously discharged or placed on unrequested leave.

Subd. 7. Failure of the teacher to return pursuant to the date determined under this section shall constitute grounds for termination unless the School District and the teacher mutually agree to an extension in the leave.

Subd. 8. The parties agree that the applicable periods of probation for teachers as set forth in Minnesota Statutes are intended to be periods of actual service enabling the school district to have opportunity to evaluate a teacher's performance. The parties agree, therefore, that periods of time for which the teacher is on child care leave shall not be counted in determining the completion of the probationary period.

Subd. 9. A teacher who returns from childcare leave within the provisions of this section shall retain all previous experience credit for pay purposes and any unused leave time accumulated under the provisions of the Agreement at the commencement of the beginning of the leave. The teacher

shall not accrue additional experience credit for pay purposes or leave time during the period of absence for childcare leave.

Subd. 10. A teacher on childcare leave is eligible to participate in group insurance programs if permitted under the insurance policy provisions, but shall pay the entire premium for such programs as the teacher wishes to retain, commencing with the beginning of the childcare leave. The right to continue participation in such group insurance programs, however, will terminate if the teacher does not return to the District pursuant to this section.

Subd. 4. The number of teachers on leave shall not exceed two teachers at any time.

Subd. 5. The School District, upon recommendation of the superintendent of schools, shall determine prior to the beginning of the sabbatical whether or not there shall be allowance made for salary step increase or lane change. This determination shall be made upon the proposed program submitted by the teacher requesting the leave, and if approved, is contingent upon completion of the proposed program.

Subd. 6. Sabbatical leave shall be without pay or fringe benefits, except as provided in Subd. 7.

Subd. 7. Teachers on sabbatical leave may continue to participate in group insurance programs without loss of board contribution as provided in Article VIII, if permitted under the provisions of the insurance policy.

Subd. 8. Upon returning from sabbatical leave, a teacher shall be placed at the same or like position and shall be placed on a salary pursuant to Schedule A and shall maintain the same fringe benefits when the leave commenced unless otherwise determined by the School District pursuant to Subd. 5 of this section.

Subd. 9. The time of the sabbatical leave and the arrangements for the same shall be subject to the final approval of the School District.

Subd. 10. Persons on leave will notify the board of their intent to return or not return by February 1st.

Subd. 4. In all other cases, bereavement leave without pay may be granted at the discretion of the superintendent.

Subd. 5. Additional days of paid leave under this section may be granted by the superintendent, taking into consideration the relevant circumstances surrounding each death.

Section 7. Discretionary Leave

Subd. 1. At the beginning of the school year, each teacher shall be credited with two days of discretionary leave, with no payroll deduction. Under extraordinary circumstances, additional discretionary days (up to two) shall be at full pay less the current daily rate for substitute teachers upon approval of the Superintendent. The purpose of this leave shall be at the discretion of the teacher.

Subd. 2. Discretionary leave days may accumulate to four. When a teacher ends a school year with a credit of more than two days, they will automatically be reimbursed at the current daily sub rate for up to two days.

Subd. 3. When a teacher retires from employment with the District and ends a school year with discretionary leave available, they will automatically be reimbursed at the current daily sub rate for the available leave.

Subd. 4. Application for this leave must be five (5) days prior to the leave, and not more than sixty (60) days prior to the leave. (Except in cases of emergency or approved by an administrator.)

Section 2. Professional Development Days: Independent School District No. 876 will schedule two staff development days into the school calendar for the 2023-2024 and 2024-2025 school years. ARTICLE XIV

UNREQUESTED LEAVE OF ABSENCE AND SENIORITY POLICY

Section 1: Purpose. This article governs the placement of teachers on unrequested leave of absence ("ULA").

Section 2: Grounds for ULA. The District may place on ULA, without pay or fringe benefits, as many teachers as the District determines necessary

because of discontinuance of position, lack of pupils, financial limitations, merger of programs, or for any other reason the District deems necessary.

Section 3: Placement on ULA. Teachers who have acquired continuing contract rights shall be placed on unrequested leave of absence in the inverse order of seniority in fields in which they are licensed. A teacher who has acquired continuing contract rights must not be placed on ULA while a probationary teacher is retained in a position for which the continuing contract teacher is licensed.

Subd. 1. Seniority: For purposes of this Article, “seniority” means the first day of actual service in the District. A teacher will retain seniority while on an approved leave of absence. In the case of equal seniority, the selection of the teacher to be discontinued shall be determined by sequential criteria:

1. Full time will have seniority over part time, total amount of service in the district. Unpaid leave does not count as service.
2. The number of Schedule C positions held times the number of years of service in them
3. Most areas of licensure
4. PELSB File Folder Number (lower number has seniority)

Subd. 2. Teachers on Special Assignment: Seniority for teachers on special Assignment (TOSA) is outlined in a Memorandum of Understanding attached to this Agreement.

Subd. 4. License: In any year in which the School District is placing teachers on ULA, only those teaching licenses actually received by the Superintendent’s office as of January 1 of that year are considered for the purposes of determining ULA within areas of licensure. A license filed after January 14 will be considered for purposes of reinstatement, but not for ULA.

Subd. 5. No Realignment Required: The District is not required to realign positions, transfer teachers, or reassign a more senior teacher to a different position in order to accommodate the seniority claim of a teacher who is being placed on ULA or is asserting a right of reinstatement. If staff reduction based on seniority would result in the discontinuance of programs or

services, the District may determine that the employee employed therein shall not be placed on leave and the next senior person shall be placed on such leave.

Section 4. No Dropping of a License: A teacher may not drop a license in the subject matter in which the teacher is currently assigned by the District. If a teacher drops the license which qualified the teacher for the teacher's current assignment, the District may place the teacher on ULA, and the teacher will have no bumping or reinstatement rights.

Section 5. Notice of Placement on ULA: The District will provide written notice to all teachers who are being placed on ULA. The notice will state the applicable ground(s) for the action and will notify the teacher(s) of the right to request a hearing within ten (10) calendar days from the receipt of the notice. If timely requested, the hearing will be held before an independent hearing officer selected by the District. The only issue at hearing is whether the District placed the teacher on ULA in the inverse order of seniority in the field(s) in which the teacher is licensed. The failure to request a hearing within fourteen (14) calendar days will be deemed to be acquiescence to the District's actions.

Section 6. Rights During Leave. Any teacher placed on ULA may engage in teaching or any other occupation while on ULA and may receive unemployment compensation if otherwise eligible for such compensation under the law. The placement of a teacher on ULA will not result in a loss of seniority in the event the teacher is later reinstated.

Section 7. Reinstatement rights: For a period of five (5) calendar years after being placed on ULA, teachers have a right to be reinstated in the inverse order in which they were placed on ULA, to the positions from which they were placed on ULA or, if not available, to vacant positions for which they are licensed., All reinstatement rights will automatically terminate after five (5) calendar years. The District may not employ a new teacher in a vacant position for which a teacher with reinstatement rights is qualified by licensure and experience.

Section 8. Notification of Reinstatement: If a position becomes available for a teacher with reinstatement rights, the District will notify the teacher by United States mail or email using the last mailing address or email address the teacher provided to the District. The teacher will have ten (10) calendar days

(as evidenced by the postmark or email) to notify the District, in writing, that the teacher is accepting or rejecting the offer of reinstatement. If written acceptance or rejection is not received by the District within ten (10) calendar days (as evidenced by the postmark or email), the teacher will be deemed to have waived the right to reinstatement and will forfeit any further reinstatement rights.

Section 9. Teacher Responsibilities on ULA. Teachers on ULA are responsible for notifying the District of any change of mailing or email address. In addition, teachers on ULA are responsible for notifying the District by April 1 of each year if the teacher is requesting reinstatement for the following school year. Any right to reinstatement will automatically terminate if a teacher on ULA fails to provide such notice by April 1.

Section 10. Seniority List: On or before January 1st of each school year, the District will post a seniority list (by name, date of employment, file folder number and licensure) in an official place in each school building. Any teacher who disagrees with his or her placement on the seniority list will have ten (10) calendar days from the date of the posting to file a written objection and supply written documentation or other reliable evidence to the Human Resources Office establishing that the seniority list is inaccurate. Within thirty (30) calendar days after publishing the initial seniority list, the District will evaluate any written objections to the seniority list and will make any changes the District deems warranted. The District will then publish a final seniority list, which will be conclusive and binding unless a grievance is filed and establishes through arbitration that his or her placement on the list is inaccurate. Each year thereafter the District shall cause such seniority lists to be updated to reflect any addition or deletion of teacher caused by retirement, death, resignation, other cessation of services or new teacher. Such yearly revised lists shall govern the application of the unrequested leave.

ARTICLE XV SHARED POSITIONS

Section 1. A shared position is defined as two properly licensed teachers performing duties required for one full time position. The provisions of Articles X and XI shall apply to shared position teachers.

Section 2. A teacher or teachers who are teaching under a continuous contract and who are teaching full time may request to be employed in a shared

position. Requests for such positions shall be made in writing to the superintendent by February 1, prior to the school year the position is to be shared. Teachers with continuing contract rights employed in a shared position shall have the continuing contract in effect. Final decision on approval of the request shall be made by the School District.

Section 3. The sharing of a full time position shall be subject to annual review by the immediate supervisor. The supervisor will submit their recommendation for the continuance or discontinuance of the shared position to the superintendent. Final decision on the continuance of the shared position will be made by the School District.

Section 4. Tenured teachers with a prior full time contract in District 876 shall be reinstated upon an opening to their original positions or to positions of similar statute, conditions and pay by giving written notice of their intent to return to full time employment no later than February 1, prior to the school year in which they intend to return.

Subd. 1. Teachers with no prior full time contract with the district must make application for any full time position as a vacancy arises and be considered with all other applicants for that position.

Section 5. Seniority shall be accrued as defined in Article XIII.

Section 6. Fringe benefits are subject to the provision of Article VIII, Section 8.

Section 7. Shared positions shall be eligible for paid absences as defined in Article XIV on a pro-rated basis as determined by the percentage of their contract.

Section 8. Shared position teachers shall be eligible for leaves of absence as defined in Article IX.

Section 9. Notwithstanding the voluntary request or agreement of participating teachers to share a position, a shared assignment shall not be allowed if it would result in the placement of unrequested leave of a teacher who would not otherwise have been so placed.

ARTICLE XVI PART TIME POSITIONS

Section 1. A part time teacher is defined as any properly licensed teacher performing part time duties and excluding long term substitutes.

Section 2. Teachers with no prior full time contract with District 876 must make application for any additional hours as they become available, and will be considered with all other applicants for those hours at a full time position as they become available.

Subd. 1. A teacher with a prior full time contract would be entitled to any additional hours or full time position in the District if they are licensed for them.

Section 3. Fringe benefits are subject to the provisions of Article VIII, Section 8.

Section 4. Part time teachers shall be eligible for paid absences as defined in Article IX on a pro-rated basis as determined by the percentage of their contract.

Section 5. Part time teachers shall be eligible for leaves of absence as defined in Article IX.

Section 6. Part time teachers shall be paid according to the following payment structure.

Subd. 1. Determination of part time FTE. There is a need to arrive at an equitable formula for calculating the percentage of a fulltime equivalency (FTE) part time teachers are at for determining compensation and benefits. This formula should apply consistently to all teachers in the school district no matter which building(s) they are assigned to work in. The following formula will be used.

of instructional minutes assigned to the part time teacher

of instructional minutes assigned to full time teachers in their building

This same percentage of FTE time will be applied to the minutes of prep time and before and after school time the part time teacher will be on duty on a daily basis. Using this FTE%, the principal, with input from the teacher, will determine the daily work schedule for the part time teacher.

Subd. 2. In the event of a change in the daily schedule or number of class periods in a day, the parties agree to meet and establish a mutually agreeable payment structure for part time positions.

ATTACHMENT G

BMS GRIEVANCE PROCEDURE

APPLICATION

This grievance procedure shall be applied whenever a public employer and the exclusive representative of the public employees cannot reach agreement on a grievance procedure as required by Minnesota Statutes 179.70, Subd. 1.

DEFINITIONS

GRIEVANCE. "Grievance" means a dispute or disagreement as to the interpretation of application of any term or terms of any contract required under Minnesota Statutes 179.70, Subd. 1.

DAYS. "Days" mean calendar days excluding Saturday, Sunday and legal holidays as defined by Minnesota Statutes.

SERVICE. "Service" means personal service or by certified mail.

REDUCED TO WRITING. "Reduced to Writing" means a concise statement outlining the nature of the grievance, the provision(s) of the contract in dispute, and the relief requested.

SMALL GROUP OF EMPLOYEES. "Small group of employees" means a group of employees consisting of five (5) or less.

ANSWER. "Answer" means a concise response outlining the employer's position on the grievance.

STEP 1.

Whenever an employee or a small group of employees have a grievance, he or they shall meet on an informal basis with the employee's or employees' immediate supervisor in an attempt to resolve the grievance within twenty (20) days after the grievance occurred or twenty (20) days after the employee(s), through the use of reasonable diligence, should have had knowledge of the occurrence that gave rise to the grievance. If the grievance is not resolved within fifteen (15) days of the first informal meeting, the exclusive representative may reduce the grievance to writing and served upon by the public employer's designate (See Step II). Service must be made within fifteen (15) days of the last informal meeting. The employer shall, within five (5) days of receipt of the written grievance, serve his answer upon the exclusive representative. In the event the exclusive representative refuses to process the grievance, the employee(s) may proceed with the grievance and if he chooses, may select a designee to represent him.

If the grievance involves and effects more than five (5) employees, the grievance may be reduced to writing by the exclusive representative (or the employees or their designated representative in the event the exclusive representative has declined to proceed with the grievance) and must be served upon the employer within twenty (20) days after the grievance occurred or twenty (20) days after the grievance, through the use of reasonable diligence, should have had the knowledge of the occurrence that gave rise to the grievance. The employer shall within five (5) days serve his answer upon the exclusive representative (or in the appropriate case, employee(s) or their designee).

STEP II

The employer's representative shall meet with the exclusive representative (or in the appropriate case, employee(s) or their designee) within seven (7) days after receipt of the written grievance. The parties shall endeavor to mutually resolve the grievance.

If a resolution of the grievance results, the terms of that resolution shall be written on or attached to the grievance and shall be signed by all parties. If no agreement is reached within fifteen (15) days of the first Step II meeting, the exclusive representative (or in the appropriate case, employee(s) or their designee), if he elects to proceed with the grievance, must proceed with Step III by serving a proper notification on the appropriate Step III official(s). The notification shall contain a concise statement indicating the intention of the party to proceed with the grievance, an outline of the grievance, the provision(s) of the contract in dispute, and the relief requested.

STEP III

The employer, its chief administrator, or its special representative shall meet with the designated official of the exclusive representative, (or in the appropriate case, employee(s) or their designee) within ten (10) days after receiving notice of intention to proceed with the grievance pursuant to Step II. If resolution of the grievance results, the parties shall reduce the resolution to writing and sign the memorandum as provided in Step II. If the parties are unable to reach agreement within ten (10) days after the first Step III meeting, either party may request arbitration by serving a written notice on the other party of their intention to proceed with arbitration.

If a grievance procedure is provided by a system of civil service or other such body, the exclusive representative or employee(s) must elect either to process the grievance through this procedure or the civil service's or other such body's procedure, and in no event may a grievor avail himself of both procedures.

STEP IV

The employer and the employee representative shall endeavor to select a mutually acceptable arbitrator to hear and decide the grievance. If the employer and the employee representative are unable to agree on an arbitrator, they may request from the Director of the Bureau of Mediation services, State of Minnesota, a list of five (5) names. The list maintained by the Director of the Bureau of Mediation Services shall be made up of qualified arbitrators who have submitted an application to the Bureau. The parties shall alternately strike names from the list of five (5) arbitrators until only one (1) name remains. The remaining arbitrator shall hear and decide the grievance. If the parties are unable to agree on who shall strike the first name, the question shall be decided by a flip of the coin. Each party shall be responsible for equally compensating the arbitrator for his fee and necessary expenses.

The arbitrator shall not have the power to add, to subtract from, or to modify in any way the terms of the existing contract.

The decision of the arbitrator shall be final and binding on all parties to the dispute unless the decision violates any provision of the laws of Minnesota or rules or regulations promulgated thereunder, or municipal charters or ordinances or resolutions enacted pursuant thereto, or which causes a penalty to be incurred thereunder. The arbitrator shall issue the decision to the parties, and a copy shall be filed with the Bureau of Mediation Services, State of Minnesota.

Processing of all grievances shall be during the normal workday whenever possible, and employees shall not lose wages due to their necessary participation. For purposes of this paragraph, employees entitled to wages during their necessary participation in a grievance proceeding are as follows:

- a. The number of employees equal to the number of persons participating in the grievance proceeding on behalf of the public employer; or

b. If the number of persons participating on behalf of the public employer is less than three, three employees may still participate in the proceedings without loss of wages.

The parties, by mutual written agreement, may waive any step and extend any time limits in a grievance procedure. However, failure to adhere to the time limits may result in a forfeit of the grievance, or, in the case of the employer, require mandatory alleviation of the grievance as outlined in the last statement by the exclusive representative or employee.

The provisions of this grievance procedure shall be severable, and if any provision or paragraph thereof or application of any such provision or paragraph under any circumstance is held invalid, it shall not affect any other provision or paragraph of this grievance procedure or the application of any provision or paragraph thereof under different circumstances.

ELECTION OF REMEDIES AND WAIVER.

A party instituting any action, proceeding or complaint in a federal or state court of law, or before an administrative tribunal, federal agency, state agency, or seeking relief through any statutory process for which relief may be granted, the subject matter of which may constitute a grievance under this Agreement, shall immediately thereupon waive any and all rights to pursue a grievance under this Article. Upon instituting a proceeding in another form as outlined herein, the employee shall waive their right to initiate a grievance pursuant to this Article or, if the grievance is pending in the grievance procedure, the right to pursue it further shall be immediately waived. This section shall not apply to actions to compel arbitration as provided in this Agreement or to enforce the award of an arbitrator.

PART-TIME INCENTIVE

MEMORANDUM OF UNDERSTANDING

Between

INDEPENDENT SCHOOL DISTRICT NO. 876

ANNANDALE, MINNESOTA

AND

ANNANDALE EDUCATION ASSOCIATION NO. 7005

This Memorandum of Understanding is entered into between ISD #876 and the Annandale Education Association for the purpose of establishing a part-time incentive.

WHEREAS, the Union and the District are parties to a collective bargaining agreement ("CBA") 2023-2025 governing the negotiated terms and conditions for teachers employed by the District; and

WHEREAS, the District's reasons for offering a one time part-time incentive are to improve the District's financial status and keep new part-time positions filled.

IN WITNESS WHEREOF, the parties have executed this Agreement as follows:

NOW, THEREFORE, the District and the Union agree as follows:

Eligibility. To be eligible for the part-time incentive benefits provided under this MOU, a teacher must meet the following requirements:

- a. Must be a full-time teacher employed by the District during the 2023-2024 school year;
- b. Must be a part-time teacher employed by the District during the 2024-2025 school year

Part-time Incentive Benefit. The school board will approve a part-time general leave continuing contract. Probationary staff will be non-renewed at the 1.0 FTE and will receive a new 24-25 contract at the part-time FTE. These individuals will continue to receive full-time health insurance board contributions for the 2024-2025 contract year, so long as they remain on the district's approved health insurance plan. The full time monthly district board contributions are the amounts as outlined in Appendix I of the CBA.

Limitation. The District’s obligation to make the insurance payments described in the preceding paragraph of this MOU is subject to all federal and state laws.

No Representations Regarding TRA Benefits. Teachers choosing to take advantage of this MOU are solely responsible for determining the impact this MOU will have on their TRA benefits. The District, including its employees and representatives, make no representations regarding how this MOU may affect teachers’ TRA benefits. The parties to this MOU expressly understand and agree that any issues related to the benefits a teacher may expect to receive from TRA are strictly between the teacher and TRA. The District, including its employees and representatives, will have no responsibility or liability for such issues. The parties agree that the District, including its employees and representatives, are released from any responsibility or liability as to any disputes, claims, or any other matters arising out of teachers’ TRA benefits.

Sunset. This MOU provides a “one-time” benefit and will sunset on at the end of the 2024-2025 contract year.

Separate from CBA and No Precedent. This MOU is separate from, and not a part of, the CBA. Nothing in this MOU may be deemed to establish a precedent or practice or to alter any established precedent or practice arising out of or relating to the CBA between the District and the Union. Neither the District nor the Union may refer to this MOU or submit it in any proceeding or case as evidence of a precedent or practice.

Entire Agreement. This MOU constitutes the entire agreement between the parties related to the part-time incentive provided under this MOU. Neither party has relied on any statements, promises, or representations that are not stated in this MOU. The terms of this MOU supersede any inconsistent provisions in the MOU. No changes to this MOU will be valid unless they are in writing and signed by both parties. A copy of this MOU will have the same legal effect as the original.

IN WITNESS WHEREOF, the parties have voluntarily entered into this MOU on the dates shown by their signatures. This MOU will not become effective unless and until it is approved by the District’s School Board and is signed by both parties.
