School-Student-Parent Compact

The Somerset County Vocational Technical School District is working to provide a supportive and successful climate for all Title I students. We believe that a working relationship between students, parents, and staff must be maintained to ensure a positive education for students. To keep this relationship strong, certain expectations must be achieved by each group.

As a Student, I agree to be responsible in the following:

- Come to school every day ready to learn and work hard
- Read and study for all subjects on a regular basis
- Do my best while I am working to improve my learning
- Complete all my class work and homework everyday
- Seek out assistance before, during, and/or after school for skills and concepts not fully understood
- Know and follow school and class rules
- Respect everyone

As a Teacher, I will encourage and support students' learning in this school by doing the following:

- Teach classes through interesting and challenging lessons that promote student achievement
- Motivate my students to learn
- Have high expectations and help every child to develop a love of learning
- Communicate regularly with families about student progress
- Help each student achieve the school's high academic standards
- Provide necessary assistance to parents so they can help their child learn
- Respect the school, student, staff, and families

As a Parent or Guardian who has legal responsibility for the child, I agree to be responsible for supporting my child in the following ways as he/she learns:

- Establish a daily routine for homework, studying, and extracurricular activities
- Encourage my child to read (newspapers, magazines, books, etc.)
- Check assignments for completion and understanding
- Encourage my child to seek extra assistance
- Promote discussion about the school day
- Monitor my child's television viewing, computer usage, and electronic game playing
- Work with my child's teacher on a regular basis to improve my child's learning
- Participate in school activities such as school decision-making, volunteering and/or attending parent-teacher conferences
- Respect the school, staff, students, and families

Our working together to achieve school success will be a benefit to our students. We appreciate your support and efforts in this endeavor.

Sincerely,

Patrick Pelliccia
Assistant Superintendent
