[See POLICY ALERT No. 223]

5460.02 BRIDGE YEAR PILOT PROGRAM

The New Jersey Commissioner of Education has established a three-year "Bridge Year Pilot Program," under which each school district with a high school shall offer students in the graduating classes of 2021 and 2022 the opportunity to pursue a Bridge Year during the year immediately following their senior year of high school, in accordance with the provisions of P.L. 2020 c.41. The purpose of the Bridge Year Pilot Program shall be to provide participating students an additional year to address learning loss and missed opportunities in extracurricular activities, including spring sports programs, as a result of the public health state of emergency caused by the COVID-19 pandemic.

For the purpose of this Policy, "host high school" means the high school that a student, who pursues a Bridge Year pursuant to the provisions of P.L. 2020 c.41, attended as a junior in high school.

Under the Bridge Year Pilot Program, each high school in a school district shall designate a school staff member as a Bridge Year Liaison to serve as the school's central point of contact for students interested in pursuing a Bridge Year and for students participating in a Bridge Year. Nothing in P.L. 2020 c.41 shall be construed to require a school district to hire an individual to serve as a Bridge Year Liaison.

To be eligible to participate in the Bridge Year Pilot Program, a student shall be nineteen years of age or younger and shall not turn twenty years of age at any time during the Bridge Year, except that a classified student shall be eligible to participate if the student will turn twenty years of age during the Bridge Year due to services provided pursuant to the student's individualized education program. To participate in the Bridge Year Pilot Program, eligible students must notify their host high school's Bridge Year Liaison by February 15 of their senior year.

The Bridge Year Liaison shall develop, in consultation with Bridge Year students, an Individual Learning Plan (ILP) for each student. To ensure ample time to plan for the implementation of services outlined in the ILP, each Bridge Year student's ILP shall be completed by May 15, but no later than June 1 of the student's senior year.

During either semester of the Bridge Year, a student may also take up to three credits offered by a four-year institution of higher education at any high school in the State or at any other location to fulfill the student's credit requirement. At the conclusion of each semester of the Bridge Year, the host high school shall update the student's high school transcript to reflect any high school credits earned during the Bridge Year.

In the event that a student initially decides to pursue a Bridge Year in the fall semester, but does not continue the Bridge Year in the spring semester, the student's host high school shall release all final transcripts and other records as necessary and as may be requested. A student who decides not to continue the Bridge Year in the spring semester shall not be eligible to participate in a spring sports program or extracurricular activities pursuant to P.L. 2020 c.41.

The State Board of Education shall promulgate regulations pursuant to the "Administrative Procedure Act," P.L.1968, c.410 (C.52:14B -1 et seq.), necessary to effectuate the provisions of P.L. 2020 c.41.

A. Definitions (N.J.S.A. 6A:23A-1.2)

1. For the purpose of this Policy, “travel expenditures” means those costs paid by the school district using local, State, or Federal funds, whether directly by the school district or by employee reimbursement, for travel by school district employees and district Board of Education members, to the following five types of travel events:
 - a. Training and seminars – means all regularly scheduled, formal residential or non-residential training functions conducted at a hotel, motel, convention center, residential facility, or at any educational institution or facility;
 - b. Conventions and conferences – means general programs, sponsored by professional associations on a regular basis, which address subjects of particular interest to a school district or are convened to conduct association business. The primary purpose of employee attendance at conferences and conventions is the development of new skills and knowledge or the reinforcement of those skills and knowledge in a particular field related to school district operations. These are distinct from formal staff training and seminars, although some training may take place at such events;
 - c. School district sponsored events – means conferences, conventions, receptions, or special meetings, where the school plans, develops, implements, and coordinates the event and is the event’s primary financial backer. School district employees are actively involved in working the event and other employees may attend as participants;

[SCHOOL DISTRICTS NOT PARTICIPATING IN A UNITED STATES DEPARTMENT OF AGRICULTURE'S (USDA) SCHOOL NUTRITION PROGRAMS ARE NOT REQUIRED TO ADOPT POLICY 8561.]

8561 PROCUREMENT PROCEDURES FOR SCHOOL NUTRITION PROGRAMS

The Board of Education adopts this Policy to identify their procurement plan for the United States Department of Agriculture's (USDA) School Nutrition Programs. School Nutrition Programs include, but are not limited to: the National School Lunch Program (NSLP); School Breakfast Program (SBP); Afterschool Snack Program (ASP); Special Milk Program (SMP); Fresh Fruit and Vegetable Program (FFVP); Seamless Summer Option (SSO) of the NSLP; Summer Food Service Program (SFSP); the At-Risk Afterschool Meals component of the Child and Adult Care Food Program (CACFP); and the Schools/Child Nutrition USDA Foods Program.

The Board of Education is ultimately responsible for ensuring all procurement procedures for any purchases by the Board of Education and/or a food service management company (FSMC) comply with all Federal regulations, including but not limited to: 7 CFR Parts 210, 220, 225, 226, 245, 250; 2 CFR 200; State procurement statutes and administrative codes and regulations; local Board of Education procurement policies; and any other applicable State and local laws.

The procurement procedures contained in this Policy will be implemented beginning immediately, until amended. All procurements must maximize full and open competition. Procurement Procedures for School
Nutrition Programs

A. General Procurement

The procurement procedures will maximize full and open competition, transparency in transactions, comparability, and documentation of all procurement activities. The school district's plan for procuring items for use in the School Nutrition Programs is as follows:

1. The School Business Administrator/Board Secretary will ensure all purchases will be in accordance with the Federal Funds Procurement Method Selection Chart – State Agency Form #358–Appendix. Formal procurement procedures will be used as required by 2 CFR 200.318 through .326 and any State and local procurement code and regulations. Informal procurement procedures (small purchase) will be required for purchases under the most restrictive small purchase threshold.
2. The following procedures will be used for all purchases:

Product/ Services	Estimated Dollar Amount	Procurement Method	Evaluation	Contract Award Type	Contract Duration/ Frequency

B. Micro-Purchase Procedures

1. Public/Charter Schools

Purchases of supplies or services, as defined by 2 CFR 200.67, will be awarded without soliciting competitive price quotations if the price is reasonable in accordance with N.J.S.A. 18A:18A-37(a) and below thresholds established by the State Treasurer for informal receipt of quotations. Purchases will be distributed equitably among qualified suppliers with reasonable prices. Records will be kept for micro-purchases.

POLICY GUIDE

OPERATIONS
8561/page 3 of 16

2. Non-Public Schools

Purchases of supplies or services, within the Federal micro-purchase threshold (the aggregate amount does not exceed the Federal micro-purchase threshold as set by 2 CFR 200.67) will be awarded without soliciting competitive price quotations if the price is reasonable. Purchases will be distributed equitably among qualified suppliers with reasonable prices. Records will be kept for micro-purchases.

3. Formal bid procedures will be applied on the basis of:

[Choose one or more of the following:

- centralized system;
- individual school;
- multi-school system; and/or
- State contract.]

4. Because of the potential for purchasing more than public or non-public informal/small purchase threshold amount, or the Board approved threshold if less, it will be the responsibility of the School Business Administrator/Board Secretary to document the amounts to be purchased so the correct method of procurement will be followed.

C. Formal Procurement

When a formal procurement method is required, the following competitive sealed bid or an Invitation for Bid (IFB) or competitive proposal in the form of a Request for Proposal (RFP) procedures will apply:

1. An announcement of an IFB or a RFP will be placed in the Board designated official newspaper to publicize the intent of the Board of Education to purchase needed items. The advertisement for bids/proposals or legal notice will be published in the official newspaper for at least one day in accordance with the provisions of N.J.S.A. 18A:18A-21.
