Bus Dismissal Permission Form

All Monroe students in grades PK-3 and Special Needs (all grades) must be received by an adult or older sibling at the bus stop at the end of the school day, unless the parent designates otherwise in writing. Students will not be allowed to exit the bus until the driver sees that the adult or older sibling is present. If no one is at the stop, the child will be returned to the school and the parent will be responsible for the pick up.

Please fill out the information below regarding your child and who may receive them if a parent is not present. This information will be kept on file at the Transportation Office for the duration of the school year. Should you need to change the information, please contact the Transportation Office.
