The Every Student Succeeds ACT of 2015 requires that each Title I School hold an Annual Meeting of Title I parents for the purpose of...

- Informing you of your school's participation in Title I
- Explaining the requirements of Title I
- Explaining your rights as parents to be involved

What is Title 1?

- Title I is the major component of the Elementary and Secondary Education Act (ESEA) and the largest federal assistance program for our nation's schools.
- The goal of Title I is a higher quality of education for every child.
- The program serves millions of children in elementary and secondary schools each year.

How Title 1 Works

- Title I funding flows from the U.S. Department of Education (as appropriated by Congress) to the New Jersey Department of Education (FDOE).
- The NJDOE allocates funds to Monroe Public Schools based on the number of low-income children that reside in the District.
- Title I schools spend the funds allocated based on the Annual School Planning system application (ASPS).

Title I Programs Provide Support

- Additional enrichment
- Extra time for instruction (Before School Programs)
- A variety of supplemental materials.
- Parental Involvement Activities

Title I Annual Schoolwide Plan

- The Title I Annual Schoolwide Plan is developed with input from various stakeholders.
- Title I districts and schools are required to conduct a comprehensive needs assessment to identify student and staff needs and to determine appropriate programs, services and activities.

Parents' Rights

- Be involved and request regular meetings to express your opinions and concerns.
- Be provided information on your child's level of achievement and academic growth, if applicable and available, on each of the State academic assessments.
- Be timely notified when your child has been assigned, or has been taught for 4 or more consecutive weeks by a teacher who does not meet applicable State certification or licensure requirements at the grade level and subject area in which the teacher has been assigned.

Working Together

- The ESSA law requires that all Title I schools and families work together.
- How we work together is listed in the following documents:
 - 2023-2024 School-Level Parental Involvement Policies
 - 2023-2024 Parent-School Compact

School-Level Title I Parental Engagement

- Convene an annual meeting to inform parents of Title I students regarding Title I requirements and their rights to be involved in the Title I program.
- Offer meetings at flexible times to maximize participation.
- Provides parents of Title I students with timely information about Title I programs

School-level Title I Parental Involvement Policy (Contd.)

- Assists parents in understanding academic content standards, assessments, and how to monitor and improve the achievement of their children.
- Provides materials and training to assist parents of students enrolled in schools implementing the Title I Schoolwide Program to improve the achievement of their children.

Your Involvement is Key to Your Child's Success!

- You are your child's first teacher.
- You have the ability to influence your child's education more than any teacher or school.
