

August 2023

Dear 2nd grade student,

Hello and welcome to my class! Can you believe that you are starting second grade? I am super excited to start off our year together!

I have lots of terrific things planned for you and your classmates. You will learn a lot by working hard but also having lots of FUN! You can look forward to reading some awesome stories with me, trying some cool science experiments, and even learning some sign language! It's going to be a spectacular year!

Please bring your school supplies, a sweater or sweatshirt to leave in our room (the air conditioner is strong!), a small snack, and a great big SMILE on the first day of school.

Enjoy the rest of your summer. I can't wait to meet you!!!

*Mrs. Eosso*
