COMMITTEE REPORTS

Ms. Gail DiPane, Chairperson of the Citizens Advisory Committee, reported that the Committee met on June 6th. The Committee discussed the goals and objectives for the Committee. Dr. Layman spoke about where he thought would be a good place for the Committee to begin discussions. Dr. Layman suggested that the theme of the first year be finance and outlined

potential tasks for the Committee to work on. Ms. DiPane reported that the Committee was provided with a draft letter and would like the letter and application finalized by the August meeting. Ms. DiPane reported that the Committee will be chosen by a lottery system in September.

Ms. Carmen Alvarez, Chairperson of the Policy Committee, reported that the Committee met on Thursday, June 6th. The revisions to Bylaw 0155 that were discussed at last month's Board of Education meeting were made with additional language clarification. The Bylaw is listed on the agenda tonight for the second and final read.

The Committee had a discussion on whether the creation of a remote work policy would be appropriate. Concerns regarding equity and accumulation of unused sick time were noted. Administration agreed that a remote work policy would not be appropriate at this time. Dr. Chanley further stated that since no remote work policy exists, the creation of a policy prohibiting remote work would not be needed.

Dr. Layman shared that the State is asking districts to create a remote school day plan, however there are concerns with how this could properly be executed particularly in the case of snow days where there may not be enough notice to ensure all students have the appropriate devices available to them to access remote instruction.

Ms. Carmen Alvarez, Chairperson of the Personnel Committee, stated that the Committee met on June 5th and were advised that Administration has been working diligently to fill the vacancies and interviews will continue throughout the summer months. Ms. Alvarez reported that there was a brief discussion on the implementation of a 4-day work week pilot for the summer of 2024.

A motion was made by Ms. Bohra and seconded by Ms. Alvarez that the resolution below be approve by consent roll call:

Be it Resolved as recommended by the Superintendent of Schools that the Board approve the proposal of a pilot program to operate a 4-day work week for our schools in July and August 2024 subject to a mutually acceptable agreement with the MTEA. Roll call 4-4-1-0-1. Motion failed with Mr. Piro, Ms. Sharma, Mr. Zeichner, and Ms. Fabiano voting no and Ms. Rattner abstaining.

Ms. Gazala Bohra, Chairperson of the Curriculum, Cocurricular, Athletics and Pupil Personnel Committee, reported that the Committee met on June 6, 2024.

Mr. Morolda presented the curriculum document for Business Law, which was a complete rewrite. This course is offered for Grades 10th-12th and contributes five credits towards practical arts. Mr. Morolda shared the various standards and curriculum aligned with the various collaborations and curricular extensions that help make the course experience very hands on and experiential.

Ms. Danielle Drust, Supervisor of Science and Social Studies, presented the following three curriculum documents:

Astronomy & Aerospace - two half-year courses combined into one starting this year.

Honors Chemistry - for 10th Grade.

Psychology - offered for Grades 10th -12th, which is becoming an increasing popular elective in high school. There are plans of offering more sections in the coming year for this elective.

Ms. Drust also presented a new textbook for adoption for Honors World History and Honors World Studies. All current staff members that teach this subject were part of the selection and adoption. There was a brief discussion on the Program of Studies, which has been redone and made more user friendly in the past year. Parents and students are urged to review this together to know the choices available in the High School to pursue an educational path that is tailored for the student's interest and future goals.

The next item on the agenda was an update from Middle School Principal Dr. Higgins on the proposed CHAMPS program. This is an acronym for Character, Habits of Mind, Accountability, Motivation, Planning and Self Esteem. The program is based on the 2020 NJ Student Learning Standards for Career Readiness, Life Literacies and Key Skills. This is a step in the right direction to benefit all students as they transition to middle school. This incorporates AVID techniques that not just a handful of students, but the entire class will benefit from. This course is going to be a full year course replacing the half year rotation between Spanish and Project Based Learning (PBL). PBL elements are included in the Champs program. Spanish will become part of 6th Grade cycles. Chorus students will not be able to take it as they do Chorus instead of cycles. Areas of focus for this program were identified over the years with input from various stakeholders including parents, teachers, and students themselves.

Next, Dr. Kelly Roselle, Supervisor of World Language, presented the Committee the 3-year ELL plan, which is listed on the agenda tonight as the Language Instruction Educational Program Three Year Plan for 2024-2027. It is a regulatory requirement if we have one or more multi language learners and there has been a significant growth in that student demographic in Monroe over the recent years. The report indicates that our current count in the district is 201. After Spanish, Telugu (from the state of Andhra Pradesh in India) is the second most popular language in this cohort of learners requiring a district to create a waiver in Telegu recently as shared by Dr. Roselle. In her report, she shared the various aspects of this plan and the work that the district has done over the years to cater to our increasing population of multilanguage learners. Ms. Bohra was personally very proud to see the initiatives the district has taken towards ensuring students that move to this country at any level of, elementary, middle or high school are provided resources to help them adapt quickly and enable continuity of education at a level they were accustomed to while quickly and consistently bringing them at par to the NJ Standards.

Last on the agenda was an update by Dr. Layman on Multi-Tiered System of Support (MTSS) program and all associated contract renewals. This is federal grant funded initiative that has been extremely well received in our district and Dr. Layman emphasized the benefits of this multi-tiered approach to promote student achievement and success while ensuring that right interventions are provided to the right students at the right time. This pilot has slowly increased efficiencies in our intervention programs using data-based decision-making tools and processes. This program has decreased special education referral and placement rates. Dr. Layman gave an excellent bird's eye view of the MTSS. We have another year of grant funding for the program and associated tools.

Ms. Gazala Bohra, Chairperson of the Finance & Shared Services Committee, reported that the Committee met on June 6th and reviewed the Bill List, which totaled approximately \$10,080,500. There was a brief discussion on aid in lieu which is given to parents who send their children to private schools for transportation costs. Also in this Bill List are several tuition reimbursements for staff and Dr. Chanley mentioned that all checks and balances are in place for verification before these reimbursements come to finance for approval.

Next, the Committee discussed the Lease Purchase. Every year the district does a 5-year financing of equipment needed for the upcoming school year. Each year a previous lease wraps up and a new one starts keeping the district cost for this lease at a constant number to meet the needs. The Committee did not agree to the proposed security golf cart for \$22,000 and has urged Administration to investigate purchasing used carts from dealers that lease to Monroe golf communities at a much cheaper cost. Mr. Piro mentioned this has been done in the past. The Committee questioned the electronic sign at the High School that needs to be replaced for \$55,000. The Committee felt strongly that this need can be fulfilled through community donations or possibly a shared service agreement. The sign provides a lot of advertisement opportunities to whoever we partner with. The Board President will be reaching out to the Monroe Education Foundation, and the Committee hopes that the district will also do an outreach to community businesses for donations towards this.

A request was made to consider applying for electric bus grants to help with the costs of replacement of buses each year. The cost of computer equipment listed in the Lease Purchase is not for iPad replacement. Those items recommended by the Committee are on the agenda tonight and include computer equipment, copiers, bottle refilling stations, HVAC at Brookside School, maintenance plow trucks, security systems, AEDs and two transportation vans. The amount for this lease would be approximately 2.2 million dollars.

Next, the Committee discussed the cost of the graduation venue. The district was looking forward to having the graduation ceremony for the class of 2025 in Rutgers Arena, unfortunately, the cost of using that facility went up by 33% this year and as a result the difference between Trenton (\$15,000) and Rutgers (\$42,000) is a significant cost that cannot be justified by the Committee and hence as it stands today the graduation will take place in Trenton for 2025. Luckily, High School Administration booked the same date at Trenton to cover our bases and so the calendar will not be changing.

The Committee then started discussions on the thirty-nine contracts that were up for renewal. More contracts were added for approval post the meeting and are all a part of the agenda tonight.

Other notable discussions were on the Auditor contract renewal and given the input from the Committee about the quality of the audit presentation last year, the Business Office is reviewing this currently and will bring a recommendation to the Committee and Board next month. The contract renewal for Porzio Bromberg for the legal counsel indicated an increase in hourly rates and as a result the Committee has requested Dr. Chanley and Ms. Allen to look at quotes from other firms.

The Committee questioned the Energy For America (EFA) contract to see if there was an overlap with the work Honeywell ESIP will be doing. As it stands today, this service provider has helped us virtually regulate temperatures in schools and deliver energy cost savings. Since ESIP is only getting started, our understanding is that they would eventually evaluate EFA and determine whether to continue or not in the future years.

Finally, the Committee had a brief discussion on what moving the election from April to November entails. From a finance perspective, April elections allow the district to go out for a budget question for the upcoming school year. If that is not needed, the district should move the elections to November. It has been requested that Administration help the Board understand what the 2025/26 budget will look like. A budget philosophy discussion will most likely incur in August which will set the ball rolling by discussing areas we need to focus on for the coming year and look at preliminary numbers with some extrapolation for inflation and contractual increases. There was some ambiguity about the allocation of the 2.7 million permanent increase in the budget through the public question. The Committee was unclear if it can be allocated for any budget line item, or if they must stay allocated for the items that were approved. The conversation has begun, and Administration assured the Committee that this is a top priority for them in the coming months to get the Board as much information as we need to make an informed decision for our students and the taxpayers.

Ms. Bohra added that this afternoon there were some late changes to the agenda regarding the Porzio contract renewal. The Committee had requested that Administration look at other firms as the rates for Porzio have increased. Ms. Bohra stated that a resolution appointing Busch Law Firm was added to the agenda for Board consideration and expressed disapproval that it did not go through committee deliberations.

Regarding the discussion on moving the election, Ms. Rattner stated that the election could be moved back to November and if necessary, a special election could be held in March at the same cost that the April election would cost.

Mr. Peter Piro, Chairperson of the Buildings, Grounds, Transportation, and Security Committee, reported the following updates from the June meeting:

Girl Scout candidate and current Monroe Township student Dhruvi Soneji presented a project to construct bird houses at the Barclay Brook School. The Committee members and Administration were highly complementary of the proposal and Ms. Soneji's efforts and offered full support for the project.

Administration provided an update to the Committee regarding the removal of the cardio trailer at Monroe Township Middle School scheduled to be completed by June 30, 2024. The removal cost negates savings for the upcoming year, however beyond that point there will be an annual savings for not having this trailer. The Committee noted that they will evaluate the status of the existing eight classroom trailer at the Middle School during the upcoming school year following an updated demographic study.

Dr. James Higgins reviewed two proposals for modifying a second-floor chemical storage room into small group instruction space and modifying existing first floor administrative office space

with new doorways to provide better use of the spaces. The Committee agreed with utilizing the Architect of Record to evaluate the first-floor project only. Due to the projected cost of the second-floor renovations no architectural study will be performed.

Administration provided an annual overview of events and income as well as engaging in a discussion with the Committee members regarding the Use of Buildings Policy and Regulations. The Committee recommended that the Finance Committee consider adding a surcharge onto the Use of Building fees for any post-midnight events and having a mandatory stop time of 1:00 a.m.

Regarding the High School digital sign, Administration provided a video which demonstrated various sign pixel levels and reviewed proposed costs for two options. The Committee has recommended that the Finance Committee consider the potential lease purchase option for replacing the digital sign.

Administration provided an aerial view of the gravel lot near the tennis courts and noted that it is approximately 23,000 square feet. Realizing this lot is not the top priority for asphalt paving in the district, the Committee asked that facilities perform the standard annual topping of this lot with gravel and leveling of same.

Dr. Chanley provided an overview of why the Board of Education meetings are being relocated to the Middle School. All parties agreed to conduct the June 12th public meeting at the Middle School Performing Arts Center and evaluate whether it is a good fit before committing to future meetings.

Next, Administration noted that absenteeism in the transportation department will remain a problem through the end of the school year, and they will continue to double and triple stack routes. Committee members stressed the need for transportation to continue to use Blackboard Connect to keep parents apprised of delays on bus routes. Administration also noted that for the coming school year they are exploring the option of eleven triple stacked routes and four single routes at the High School to be outsourced for the 2024/2025 school year in an effort towards improving upon maintaining scheduled bus routes.

Lastly, the Committee received an overview of security items.

Ms. Kate Rattner, Chairperson of the Legislative Action & Community Engagement, reported that the Committee met on June 5th. The first agenda item was community outreach relating to athletics and the arts. There was a discussion about the methods that are currently utilized to promote events within the community, with a focus on methods that have been successful and areas where there is room for growth. There was a discussion about the new website that will be rolled out over the summer. Mr. Morolda shared that it would have more user-friendly features, such as the ability to integrate the calendar onto personal devices. Mr. Barandica and Mr. Snyder also shared some of the tools that they are using to communicate with the community. One idea brought up was to see if we can incorporate the Jamesburg school district into some of our district emails so that the K-8 students and their families are aware of some of the weekly events.

There was a discussion regarding protocols for residents to donate various athletic equipment, musical instruments, technological devices, and more. It was suggested that if anyone is interested in donating any item to please email community@monroe.k12.nj.us. This will allow the inquiry to be forwarded to the appropriate person.

The next item of discussion was a legislative update. Ms. Rattner shared some of the highlights from the Legislative Committee meeting held on June 1st. Several bills were recently passed or had some movement, including S530 (requirement regarding lunch applications), A4003 (school funding task force), and A2784/S2548 (November election additional spending proposal revisions). Two assembly members were in attendance at this event (Andrea Katz from District 8 and Tennille McCoy from our district), and the suggestion was made to reach out to each of the legislators.

The Committee briefly reviewed the results from the delegate assembly and Ms. Sharma shared her experience as a first-time attendee. The Committee has decided to move forward on a resolution regarding impact fees which has been submitted to the Board Attorney for legal review.

Finally, the Committee discussed Bagels with the Board. Ms. Fabiano provided some details and insight as to what this could look like. The idea would be that community members could come and share their thoughts and concerns with us in a more casual environment. The Committee hopes to visit as many communities as possible.

Videotaped committee meetings can be found on the district website or at the following link: [Monroe PEG TV \(viebit.com\)](http://MonroePEGTV.viebit.com)

PUBLIC FORUM

Brian Fabiano, Monroe Township – regarding next year’s budget, Mr. Fabiano suggested that the Board approach the budget in the thought process of how the district can get back to staying at or below the 2% cap and begin talking about if and what cuts can be made.

Sarah Aziz, Monroe Township – encouraged the Board to table or vote down item BK/ #’s 17 & 18 - Champs program.

Doug Poye, Monroe Township – suggested that the Board consider utilizing an in-house attorney instead of a firm. Regarding items S, T, and U, Mr. Poye inquired what the total cost of the ESY program is and how the program is evaluated. Lastly, Mr. Poye inquired what the Patriot Warrior Club is.

Chrissy Skurbe, Monroe Township – inquired why the Board voted on a committee discussion regarding a recommendation from the Superintendent before the public was made aware of it or provided the opportunity to comment on it. Next, Ms. Skurbe suggested that before the Board has further discussions about cuts in the next budget, they seek the Superintendent and Business Administrator’s insight on what items would be cut. Lastly, Ms. Skurbe spoke in support of the CHAMPS program.

As recommended by Mr. Gagliardi, a motion was made by Mr. Piro and seconded by Ms. DiPane that the members of the Monroe Township Board of Education amend resolution #'s 13 & 36 under item A, resolutions appointing Busch Law Firm, to allow Porzio, Bromberg, and Newman to continue as counsel for the existing pending actions. Roll call 9-0-0-0-1. Motion carried.

Roll call on Board Actions A-V. Roll call 9-0-0-0-1. Motion carried with Ms. DiPane recusing on item R, Ms. Alvarez recusing on item 16, the Bill List and item V as they pertain to The Learning Tree, and Ms. Bohra abstaining on item A #'s 13 & 36, and Ms. Rattner recusing on the Bill List check #63197, the Addendum to the Bill List check #63689, item R for Dr. Chanley, and item V for the Law Offices of David Rubin and Ms. Fabiano and Ms. Rattner recusing on item V for the Law Office of Florio, Perrucci, Steinhardt, Cappelli, Tipton & Taylor, LLC. A copy of the Board Action section of the Business Administrator's Report is attached to the official set of minutes.

BUSINESS ADMINISTRATOR'S REPORT/RECOMMENDATIONS (9-member vote)

A motion was made by Ms. Alvarez and seconded by Ms. Bohra that Board Action Items W-Z under the 9-member vote be approved by consent roll call. Roll call 8-0-0-0-1. Motion carried. A copy of the Board Action section of the Business Administrator's Report is attached to the official set of minutes.

BOARD PRESIDENT REPORT

Ms. Fabiano thanked Administration and the staff for their efforts in organizing the move of the Board of Education meetings to the Middle School PAC. Ms. Fabiano congratulated all the honorees this evening, wished the retirees well in their future years, and congratulated the Class of 2024. Ms. Fabiano thanked Administration, faculty, staff, and students for another successful school year and reminded the public that the district will be offering a plethora of programs this summer.

OTHER BOARD OF EDUCATION BUSINESS

Ms. Rattner provided a brief update on some of the district events that she attended.

Ms. Bohra spoke about the Cricket World Cup and referred to Monroe Township being the first district to approve a high school cricket team. Next, Ms. Bohra commended Administration on the new venue for Board of Education meetings and the elimination of paper copies for items in BoardDocs. Ms. Bohra reiterated that the Board needs to deliberate on recommendations before they are voted upon. Ms. Bohra expressed disappointment and concern that the Committee did not deliberate on the proposals presented for general counsel to the Board. Ms. Bohra also expressed her disapproval of the last minute change to the agenda that included appointing the Busch Law Firm, and stated as elected officials it is their responsibility to do their due diligence and vet all proposals thoroughly.

PUBLIC FORUM -

Bob Valentine, Monroe Township – spoke about the differences in the budget process that was followed by the school district and the municipality. Mr. Valentine expressed disappointment with the transparency regarding the municipal budget and commended district Administration and Board for the clarity and discussions presented with the school budget.

Sarah Aziz, Monroe Township – requested evidence-based data justifying the newly created CHAMPS program at the Middle School.

Mr. Zawicki, Monroe Township – spoke about Ms. Fabiano's decision to vote no on the appointment of his wife in April and again in May but voted yes on other appointments since then with similar teacher salaries.

Brian Fabiano, Monroe Township – inquired what plans are in place to avoid a situation (yearbook photo swap) like East Brunswick is going through now. Next, Mr. Fabiano clarified a statement that he made earlier regarding the budget and explained that he was stating that the Board's focus should be on how they cannot go over 2% rather than on how they can get the voters to approve items over the 2%.

Minutes of the Public Meeting of the Monroe Township Board of Education which was held at the Monroe Township Middle School on June 12, 2024.

Chrissy Skurbe, Monroe Township – expressed disappointment in the change of the Board Attorney for next year and the process that was followed regarding the appointment of such.

NEXT PUBLIC MEETING

Ms. Fabiano stated that the next public meeting of the Monroe Township Board of Education will convene at 6:15 p.m. on July 31, 2024.

ADJOURNMENT

A motion was made by Ms. Alvarez and seconded by Ms. Bohra that the meeting be adjourned. Motion carried. The public meeting adjourned at 11:05 p.m.

Respectfully submitted,

Laura Allen, CPA

Business Administrator/Board Secretary

Any member of the public may record the proceedings of a public meeting of the Board in a manner that does not interrupt the proceedings, inhibit the conduct of the meeting, or distract Board Members or other observers present at the meeting.

The Board will permit the use of tape recorders, still or movie cameras, or videotape cameras only when notice of such intended use has been given to the Board Secretary one day in advance of the meeting. Any video recording device must be located and operated from inconspicuous locations in the meeting room as determined by the presiding officer of the meeting. The presiding officer may also limit the number of video recording devices if he/she determines the number and position of the video recording devices will be an unnecessary intrusion to the meeting. In this event, preference will be given based on the order in which prior notice requesting to record the meeting was provided to the Board Secretary.

The presiding officer shall determine when any recording device interferes with the conduct of a Board meeting and may order that an interfering device be removed.

T. *RESOLUTION OF THE BOARD OF EDUCATION OF THE TOWNSHIP OF MONROE AUTHORIZING THE ACQUISITION OF VARIOUS VEHICLES AND EQUIPMENT AND THE FINANCING THEREOF

Adopted June 12, 2024

WHEREAS, N.J.S.A. 18A:18A-42 authorizes the Board of Education of the Township of Monroe (the "Board") to enter into a contract exceeding the fiscal year for the leasing of equipment of every nature and kind; and

WHEREAS, the Board has a need to acquire various equipment and vehicles as identified in Exhibit A attached hereto and/or such other items of equipment and vehicles as shall be substituted, added or deleted therefrom (collectively, the "Vehicles and Equipment") for school purposes and to expend therefor an amount not exceeding \$2,244,300; and

WHEREAS, the Board desires to acquire the Vehicles and Equipment through State Contract and/or competitive bidding from vendors; and

WHEREAS, the Board desires to obtain financing for the acquisition of the Vehicles and Equipment through competitive bidding.

NOW, THEREFORE, BE IT RESOLVED BY THE BOARD AS FOLLOWS:

Section 1. The Board hereby authorizes the Superintendent, the Business Administrator and McCarter & English, LLP, the Board's Bond Counsel, to proceed to draft documents and conduct such other activities as are necessary to accomplish (a) the acquisition of the Vehicles and Equipment through State Contract and/or by the receipt of bids from vendors and (b) the receipt of bids for financing the acquisition of the Vehicles and Equipment in a principal amount not to exceed \$2,244,300.

Section 2. Upon receipt of bids and the approval of the successful bidder in the event that the Vehicles and Equipment are acquired through competitive bidding from vendors or at any time after the adoption of this Resolution in the event that the Vehicles and Equipment are acquired through State Contract, the Board hereby directs the Business Administrator to process the necessary purchase orders to acquire the Vehicles and Equipment in advance of receipt of bids for financing the acquisition of the Vehicles and Equipment. Such purchase orders shall be expressly subject to the condition that the Board receives and accepts one or more bids for the financing of such Vehicles and Equipment. The award for the financing of the Vehicles and Equipment shall be an encumbrance against the 2024-2025 budget.

Section 3. The Business Administrator is hereby authorized and directed to determine all matters in connection with the (i) determination to substitute, add or delete items of equipment and vehicles from Exhibit A attached hereto so long as the amount to be expended therefor shall not exceed \$2,244,300 and (ii) acquisition and financing of the Vehicles and Equipment not determined by this or subsequent resolution of the Board, as permitted by law.

Section 4. A copy of this resolution shall be placed on file with the Secretary of the Board.

Section 5. The making of and submission to the County Superintendent of the application as required by N.J.A.C. 6A:26-10.1(d) is hereby authorized and approved, and the Board's Bond Counsel, along with other representatives of the Board, are hereby authorized and approved to prepare and submit such application and to represent the Board in matters pertaining thereto.

Section 6. The Board hereby appoints the law firm of McCarter & English, LLP to provide the specialized legal services necessary in connection with the financing of the Vehicles and Equipment. The Business Administrator and/or Secretary of the Board is hereby authorized to cause to be printed any notice required by N.J.S.A. 18A:18A-5(a)(1) in connection with such appointment.

Section 7. This resolution shall take effect immediately.

NOTES

Note 1: Any member of the public may record the proceedings of a public meeting of the Board in a manner that does not interrupt the proceedings, inhibit the conduct of the meeting, or distract Board Members or other observers present at the meeting.

The Board will permit the use of tape recorders, still or movie cameras, or videotape cameras only when notice of such intended use has been given to the Board Secretary one day in advance of the meeting. Any video recording device must be located and operated from inconspicuous locations in the meeting room as determined by the presiding officer of the meeting. The presiding officer may also limit the number of video recording devices if he/she determines the number and position of the video recording devices will be an unnecessary intrusion to the meeting. In this event, preference will be given based on the order in which prior notice requesting to record the meeting was provided to the Board Secretary.

The presiding officer shall determine when any recording device interferes with the conduct of a Board meeting and may order that an interfering device be removed.

Note 2: The Jamesburg Representative shall be eligible to vote on only those matters specifically designated in N.J.S.A 18A:38-8.1, as follows:

1. Tuition to be charged the sending district by the receiving district and the bill lists or contracts for the purchase, operation or maintenance of facilities, equipment and instructional materials to be used in the education of the pupils of the sending district.
2. New capital construction to be utilized by sending district pupils.
3. Appointment, transfer or removal of teaching staff members providing services to pupils of the sending district, including any teaching staff member who is a member of the receiving district's central administrative staff.
4. Addition or deletion of curricular and extracurricular programs involving pupils of the sending district.
5. Any matter directly involving sending district students or programs and services used by them.
6. The annual receiving district budget.
7. Any collectively-negotiated agreement involving employees who provide services used by sending district students.
8. Any individual employee contracts not covered by a collectively-negotiated agreement, if those employees provide or oversee programs or services utilized by sending district students.
9. Any matter concerning governance of the receiving district board of education, including, but not limited to, the selection of board president and vice-president, approval of board bylaws, and the employment of professionals or consultants such as attorneys, architects, engineers, or others who provide services to the receiving district board of education.

In accordance with N.J.S.A. 18A:38-8.1, the Jamesburg Representative is eligible to vote on the items delineated by an asterisk (*) in the Superintendent's and Business Administrator/Board Secretary's Board Action section of the Agenda.

Note 3: Public discussion is confined to this portion of the Agenda unless permission is granted by the Board President prior to the start of the meeting or when the Board is considering a Special Agenda Item that the Board deems appropriate for public participation. Anyone wishing to address the Board is requested to stand and state his/her name and address.
