Here are some FAQs:

“What is the HRV Booster Club (HRVBC) ?” HRVBC is a 501c3 organization that was created with the intent to support activities at the high school. The executive board recently updated the bylaws and our mission statement which now reads:

The Hood River Valley Booster Club is designed to boost HRVHS students, their families, and the community through support of school-wide activities and bridge funding gaps that otherwise limit access to participation.

“Why be a member of the HRV Booster Club?”

- As a parent of an HRVHS student, you will have the opportunity to volunteer for the high school through Booster club activities and your student will be eligible to apply for a college scholarship as a senior.
- Your donation through membership fees support high school co-curricular activities and scholarships. This school year, we gave \$1500 in college scholarships and recently voted to allocate \$30,000 to support arts/theater programs and athletics.

“What is the 360° promise?” Your HRV Booster Club is working towards improving the relationship between our business community and our high school. So our business members will receive a promise that HRVBC will support your business, not just with our advertising opportunities listed above. We also will utilize your services or frequent your store or restaurant. We will encourage our entire community to stay and shop local.
