A motion was made by Ms. DeMaio and seconded by Ms. Kolupanowich that Policy #P5460 be voted on separately be approved by consent roll call. Roll Call 10-0-0-0-0 Motion carried.

Regarding Policy #0168/ Recording Board Meetings Ms. Arminio specified that she would be voting no. Ms. Arminio stated that she feels that audio recording of closed session meetings should be taped.

Ms. DeMaio specified that the New Jersey Department of Education failed to follow the proper regulations to make the changes in graduation requirements that are contained in Board Policy #5460 section C. Ms. DeMaio added that they failed to publish the new rules and allow for public comment. Ms. DeMaio stated that there are children at risk for not graduating due to this change and therefore she doesn't believe that Monroe's policy should be changed to include these requirements. Ms. DeMaio stated that she feels that it's premature to adopt these changes in a policy. Mr. Riback responded that while he understands Ms. DeMaio's opposition the board is directed to follow what is mandated by the state. Dr. Kozak stressed that this policy outlines the minimum

scores that seniors must receive to graduate. Therefore if the policy is not adopted we will have students graduating without an official policy stating what they need to pass. Ms. Arminio added that this is a just first reading of this policy and further discussion is possible. Dr. Alvich added that the current seniors have all met one of the testing requirements or has gone through the portfolio assessment to be eligible to graduate. Ms. Kolupanowich stated that she could support this policy if section C was taken out until next year, additionally, she could not support a policy that was changed in the middle of the year that effected that graduating class. Dr. Alvich responded that there may be some students that are using the PARCC scores as the requirement to graduate. Ms. Arminio agreed to address these concerns and place the policy on the agenda for the next policy committee meeting. Roll Call on adoption of Policy #5460 Roll Call 5-4-1-0-0. Motion passed with Mr. Braverman, Mr. Kaufman, Ms. Kolupanowich and Ms. Quarino voting no and Mr. Rutsky abstaining.

Mr. Riback congratulated Ms. Kathy Dillon, Coordinator of Physical Education and Health for the excellent job she has done with the Falcon Pals Program.

Mr. Riback spoke in reference to an article in the Star Ledger regarding state aid and the possible hold harmless aid. Mr. Riback stated that there are different areas other than Monroe that the wealth factor has been increasing and their student population has been decreasing and yet they're still receiving the same amount of state aid. Mr. Riback specified that Senator Sweeney has recognized this and is working to address it. The article mentioned that the idea has the support of Senator Sarlo and Commissioner Hespe. Mr. Riback thanked Mayor Tamburro for reaching out to Senator Sweeney and providing an opportunity to meet with him.

OTHER BOARD OF EDUCATION BUSINESS

Ms. DeMaio reported that she attended the Senate Budget and Appropriations committee meeting in Trenton and listened to Commissioner Hespe present to that committee on education. Ms. DeMaio stated that in both meetings Senator Beck spoke of hold harmless aid. Mr. Gorski reported that Senator Sweeney indicated that this new bill could affect Monroe as early as next budget year. Mr. Riback encouraged the public to continue sending letters to elected officials.

Mr. Riback inquired if board members are experiencing difficulty with not having printed copies of the agendas and backup. Several board members indicated that they were. Mr. Nothstein stated that he prefers the electronic copies and thanked Dr. Kozak for moving the board in that direction. Dr. Kozak suggested that monitors/screens be placed between board members during the meeting and show any revisions made since the original agenda was received. Dr. Alvich offered to navigate the monitors. Dr. Kozak stated that the members that prefer a hard copy should advise the office and he will arrange for it to be delivered.

PUBLIC FORUM -

Donna Mignoe and Usha Singh – inquired why substitutes are no longer allowed to work a five day a week in the district. Ms. Mignoe added that other districts are allowing substitutes to work five straight days. Mr. Riback thanked them for bringing this to their attention and asked Dr. Kozak to look into the details.

Doug Poye 4 Tamarack Road – stated that he is not optimistic about the hold harmless aid. Mr. Poye stated that from what he has been reading the districts that are experiencing reduced enrollment will be given less state aid and that money will go to districts that are spending under adequacy which Monroe is not.
