

OUTREACH WORKSHOP PARTICIPANT WAIVER

Dear Parent:

Our school is one of 50 New Jersey high schools and organizations participating in an exciting peer education program called the Teen Prevention Education Program (Teen PEP). The program is funded by the New Jersey Department of Health and Senior Services, the New Jersey Department of Human Services in collaboration with the Princeton Center for Leadership Training and HiTOPS, Inc.

Teen PEP trains teens to help other teens make healthy decisions in their relationships and promote respect for others. The program empowers teens with knowledge and information so they will have the tools they need to make responsible decisions.

Throughout the school year, peer educators will conduct workshops dealing with the following topics:

- □ Postponing Sexual Involvement
- □ HIV/AIDS Prevention
- □ Alcohol, Other Drugs and Sexual Decision-making
- □ Dating Violence Prevention
- □ Sexual Harassment Prevention
- □ Unintended Pregnancy
- □ Sexually Transmitted Infections (STIs)
- □ Homophobia Reduction
- □ Date Rape Prevention
