MTHS UNIFIED P. E.

The Monroe Township Unified Program took part in the "Cool school" challenge at Asbury Park on Saturday 11/13. We had 74 registered splashers and/or dashers of current and former students, teachers, friends and family who were able to participate in this amazing event. Our program has raised over $14,000 that has gone to the Special Olympics New Jersey and our very own district Unified Program!

The Social Emotional Learning Team (SEL Team) for the High school, sent out little "Positivity-Tea" gifts in the staff's mailbox. Jon Grasso and his awesome students in the TAP Program worked to cut the notes out and tape them to the tea bags. Nick Isola and his wonderful students in the Falcon Life Program took the time to place the tea gifts into the staff's mailboxes. Monroe Twp senior, Kaitlyn Ury, who is a graphic design intern for Jess Singer, designed the entire "Positive-Tea" graphic. The SEL Team sent some "Positivity-Tea" to staff this month with a wish for some social and emotional time with family and friends.

We are very proud of all of our students and their accomplishments!
