Las Virgenes Management**D. What contingency language is included in the proposed agreement (e.g., reopeners, etc.)?**

There is contingency language that states that should enrollment increase to 9,800 (330 students above Adopted Budget projections, then the .5% off-salary schedule one-time payment would be incorporated into the salary schedule as an ongoing increase. The revenue yeild woud significantly exceed contingency costs, and so the most conservative approach has been incorporated into the AB1200 document for review.

E. Identify other major provisions that do not directly affect the district's costs, such as binding arbitrations, grievance procedures, etc.
