

Welcome to the online ordering program for the Carolina International School, hosted by Mama's Pizza Express. We are looking forward to providing lunches for students and staff. Below, please find the link for placing orders.

**CAMPUS CODE; K12Comets**

<https://mamaslunch.ahotlunch.com>

Ordering is exclusively online.

**The menu cycle is 2 weeks at time, please pay close attention to menu closing dates.**

Please create an account and add your student. There is a \$5.00 per student enrollment fee for administrative purposes.

**Please make sure you receive a payment**

**confirmation.** If your student is sick or absent, for the day, the lunch will still be sent to the school. Refunds are issued, in the form of a lunch credit, only when school closes.

You will be able to view the menu, order lunches by child, print the order for your reference and make your payment. You will

also be able to go back online and refer to the order in case your copy is forgotten or lost.

The best means of communication is through the above email. Employees working at the store have very limited knowledge of the lunch process.

When placing your initial order you can use the drop-down menu for 'Select Student'. After you order for the first child, select "Add another order" at the bottom of the menu screen, to order for the next child. **Please make sure to update your students grade and teacher for the new school year.**

Card payments are made at the end of the ordering process. You will be shown the payment options after you confirm your order. You can also click "My Orders" and you will see each child's order displayed and you will not have to refer to "access codes" to locate an order.

If you have any questions or concerns, please do not hesitate to email me at [mamaspizza.laura@gmail.com](mailto:mamaspizza.laura@gmail.com).
