## POLICY #431 WAGE RATES – SUBSTITUTE OR EVENT SPECIFIC EMPLOYEES

---

### I. PHILOSOPHY

The School Board's Vision on support staff provides that:

- A. Creating a culture of child-centered excellence will depend on the efforts of all adults in the organization. While excellence in education is often focused exclusively on the interaction between teachers and students, a truly world-class school district will pursue excellence in all work areas.
- B. In order for all students to reach their highest levels of academic and personal achievement, support staff members will recognize and appreciate that they are partners in the education success of each student and are an integral part of our school system. These highly qualified employees will be positive role models who are committed to creating a supportive learning environment for all students, as well as providing essential support for teachers. Their positive attitudes, encouraging words, and consistent and caring discipline will form an essential part of Minnetonka's focus on child-centered excellence.
- C. Likewise, we expect everyone who works for the district to be positive ambassadors for our schools as they go about their daily work. Support staff members provide unique contributions to our organization and are key communicators in our community. Their helpful attitudes and responsive behavior will convey what is best about who we are and what we do. Excellence across all support areas will enable everyone to do their best work, thereby allowing us to fulfill our mission and vision.
