Purpose

This manual is a guide for administering salaries and wages for Teachers, Administrative/Professional, Clerical/Technical, Instructional, and Auxiliary personnel of the Midland Independent School District.

The District maintains position classification and pay range structures for all jobs. Each job is assigned a pay grade that determines the minimum to maximum pay range for the position.

Employee salaries will advance through the pay range when there is a general pay increase budgeted and approved by the Board. Annual pay increases are not guaranteed. Raises are generally based on the mid-point of each pay range. No employee will be paid more than the maximum rate for his/her position's pay grade.

This compensation plan is for the **2024-2025** school year. No salary increases are granted automatically each year; therefore, neither past nor future salaries can be calculated, assumed, or predicted on the basis of this schedule. District policy requires the Board of Trustees to adopt a new compensation plan annually.

IMPORTANT NOTICE

Starting salaries for all new hire Teachers and Librarians will be based upon verification of prior experience and in accordance with the district's financial decisions regarding increases for employees. Salary schedules are valid for the year shown on schedules and cannot be used to determine future years' earnings. Salary schedules are for reference only. Actual salary is calculated by the Human Resources Department.

When an exempt employee is assigned an additional duty at will, the supplemental duty is not part of a contract nor is the associated pay. A stipend is compensation in addition to the regular salary. The start dates and end dates for the supplemental duty(ies) may be different from the start and end dates under the employment contract with the district. Stipend(s) include(s) payment for all duties, responsibilities, and additional time the supplemental duty(ies) may require. A stipend associated with a particular supplemental duty may be prorated if the supplemental duty is not completed or if the supplemental duty is terminated for any reason.

An employee's supplemental duty(ies) is/are at-will and is/are not part of the employment contract with the district. There is no property right to the continuation of the supplemental duty(ies). Employees may resign one or more of these supplemental duties at any time or the district may reassign or terminate one or more supplemental duties at any time.

Teacher Incentive Allotment (TIA)

For any funds received by Midland ISD for a designated teacher under the Teacher Incentive Allotment (TIA), 90 percent will be paid to the designated teacher. The remaining 10 percent will be withheld by the district for program implementation and operational costs.
