

These forms are required for established/new residents who do not have acceptable documentation of both Proof of Residency and Proof of Occupancy and for the following residency categories:

- Tenant-At-Will
- Living with Family/Friends
- Rental of a Room in a Newton Residence
- Live-in Employment e.g., Nanny, Caretaker, etc.

**A HOME VISIT WILL BE CONDUCTED AT AN UNSCHEDULED DATE/TIME.**

For more information on the required proof of residency/occupancy documents, see our NPS Residency Guidelines found in the Registration Information section of our webpage.

In order to attend the Newton Public Schools, a student must actually reside in the City of Newton. The residence of a minor child is presumed to be the legal, primary residence of the parent(s) or guardian(s) who have physical custody of the child.

In determining residency, Newton Public Schools reserves the right to request a variety of documentation and to conduct an investigation into where a student actually resides. Those families who cannot provide requested proof of residency will be referred for a residency check by the Newton Police Department, Community Services Bureau. Because residency can, and does, change for students and their families during the course of the academic year, we may continue to verify residency after the commencement of classes and we may act upon anonymous tips received to conduct a residency verification investigation. It is also the responsibility of parent(s)/guardian(s) to notify school personnel immediately if a change in residency occurs. In addition to parent/guardian information, we also require information from the owner of the property and the resident(s) in shared tenancy where a family currently resides.

Families found to be in violation of the residency guidelines will face strict penalties, including, but not limited to, immediate unenrollment from school; per diem fines for the education and related services accessed as a non-resident which are based on the per pupil cost to the district; and possible legal action.
