ADMISSIONS AND TRANSFERS

ADMISSION

All children having legal residence within the boundaries of the Morgan County School System and meeting the legal entrance age requirements shall be eligible to attend Morgan County Schools.

First-time enrollees should furnish at the time of registration:

- Proof of residency
- Certified birth certificate
- Certificate of immunization
- Certified social security number

Disclosure of Social Security Numbers (SSN) and certified Birth Certificate (BC) is voluntary only. SSN's and BC's are used by the district for the limited purpose of properly identifying students for record-keeping, transcripts and are kept confidential. The lack of or refusal to provide a SSN and/or BCN will have no impact on the district's enrollment decision. Students who enroll without a social security number will be assigned an alternate identification number.

TRANSFER

Non-Resident

The Board may permit students who do not reside within the Morgan County School District to attend schools within the school system. The Board may establish criteria for admission of non-resident students and may require the payment of tuition as a prerequisite to enrollment. The Board will not provide transportation to and from school or homebound instruction outside of the county limits of Morgan County unless specifically required by law. *All Non-Resident requests to enroll forms are located in the Forms Section located at the end of the Code of Conduct.*

From Private Schools, Home Schools, or Non-Accredited Schools

A child desiring to enter Morgan County Schools from a private school or Home School may be required to take an assessment deemed appropriate to determine the appropriate grade level placement. The test will be waived if the private school is accredited by the State Department of Education

From Accredited Schools: Students applying for enrollment for the first time should be admitted upon presentation of the most recent report card from the previous school attended. The principal will be responsible for contacting the principal of the previous school attended for a transcript. These students will have all credits and current class/grade placement accepted without validation upon the receipt of an official transcript.

From Non-Accredited Schools (Grades 9-12):

Students transferring to Morgan County Schools from a non-accredited school will have their transcript evaluated for appropriate placement by the principal, school counselor, and supervisor of secondary education. The transfer of credits and/or appropriate placement shall be as follows:

- Credit for elective courses shall be transferred without validation.
- Non-contested credit for core courses shall be transferred as follows:
 - Using all official records and nationally standardized tests, the principal or his/her designee shall determine placement and notify the student and the parent(s)/guardian(s).
 - If the parent(s)/guardian(s) agrees with the placement decision, the student shall be placed.
 - Following placement, for any initial core course successfully completed, transfer of previous credit earned at a non-accredited school(s) in that subject area shall be accepted without further validation.
- Contested credit for core courses shall be transferred as follows:
 - If the parent(s)/guardian(s) disagree with the placement decision, the principal or his/her designee shall supervise the administration of the school's most recent semester test for each prerequisite core course in which the parent/guardian is requesting enrollment. For each test the student passes as determined by the school grading scale, the student shall be placed in the next level core course and credit shall be transferred for prerequisite courses.
 - For any test failed, placement shall be made as originally recommended by school officials and no credit shall be transferred for the prerequisite course(s) in that subject.

ATTENDANCE

ABSENCES AND EXCUSES

The Morgan County Board of Education believes good student attendance enhances learning. When a student is not in school, he/she misses valuable instruction time. For this reason, the Board equates attendance with academic achievement and establishes policies and procedures designed to encourage and require students to be in school.

Any child may be excused for a temporary absence resulting from personal illness, death in the family, quarantine, weather or road conditions making travel dangerous, religious holidays, or any unusual cause acceptable to the principal of the school in which the child is enrolled or the superintendent. Any extended absences should be discussed with the principal in advance, if possible. Parents and/or guardians should send an excuse before or upon the student's return. A note of excuse will be considered only if the documentation is given to the school in a timely manner. (More time could be given in unusual circumstances granted by school administration).

A visit or admission to a hospital for illness or injury requires a signed release from the doctor before returning to school. All releases must precede or accompany the student returning to school. School officials are empowered to investigate any request for excused absences. *Alabama School Code 16-28-12, (Board Policy 6.01.4)*

Check-In and Check-Out

Any student who arrives after school has begun must go to the school office and check-in. Students who have a valid need to leave school before the dismissal bell shall be checked-out at the school office. Students must be signed out by the parent or guardian or designee in the school office.

Excused Absences

It is not easy to define "excused" or "unexcused" absences in such a way that it will fit all situations. A student who is ill or has been to the doctor is unquestionably excused. One who is truant is unquestionably unexcused. The principal must use good judgment and should be guided by "To what degree was the choice factored?" Pupils who are out of class to participate in school activities (athletics, drama, music, etc...) are considered in attendance on official records. Pupils will be responsible for any classwork they may have missed.

Once the student has been absent 10 days per year for any reason, additional absences will require a documented excuse (doctor, dentist, court, etc.)

Truancy

A parent guardian or other person having charge of any child officially enrolled in Alabama public schools (K-12) shall explain in writing the cause of any and every absence of the child in a timely manner. A failure to furnish such an explanation shall be evidence of the child being truant each day he is absent. The child shall also be deemed truant for any absence determined by the principal to be unexcused.

First Unexcused Absence (Warning)

- The parent/guardian shall be notified by the school principal or his/her designee that the student was truant and the date of the truancy.

Fifth Unexcused Absence

- The parent guardian or person having control of the child shall (1) attend a conference with the attendance officer and principal or his/her designee and/or (2) participate in the early warning program provided by the juvenile court.
- Attendance at one of these conferences shall be mandatory except where prior arrangements have been made or an emergency exists.
- Failure to appear at the school conference and/or to appear at the early warning program shall result in the filing of a complaint/petition against the parent under the Code of Alabama 1975,

s16-28-12 (c) failure to cooperate, or 12-15-13 contributing to truancy or truancy against the child, whichever is appropriate.

Seventh Unexcused Absence

- File a complaint/petition against the child and/or parent/guardian.

Alabama's Compulsory Attendance Law

Every child between the ages of 6 and 17 shall be required to attend a public school or other appropriate institution. *Section 16-28-3, Code of Alabama, 1975.*

Provides that a parent may be fined \$500.00 and receive up to one year of hard labor if convicted of parental neglect, they may also be required to pay restitution to the Board of Education. *Section 12-15-33, Code of Alabama, 1975.*

Loss of Credit Due to Noncompliance of Attendance Policy

Any student enrolled in grades K-8 who accumulates more than (20) unexcused absences per year is subject to being retained in the same grade the next school year. Any student enrolled in grades 9-12 who accumulates more than (20) unexcused absences, in any course or subject in any year is subject to losing credit for the work in that course or subject. The principal shall determine the retention or loss of credit due to noncompliance with attendance policies. In such cases, a hearing may be requested with the principal and/or superintendent to appeal such loss of credit or retention.

Failure of parent or guardian and/or student to request a hearing shall be sufficient basis for sustaining the loss of credit or retention. (*Board Policy 6.01.4*)

MAKE-UP WORK

Make-up Work for an Excused Absence

A student who is absent, for any excused reason, will be permitted to make-up the work missed in each class. It is the student's responsibility to obtain all make-up work from his/her teachers immediately upon return to school. Failure to obtain make-up work is no excuse for not completing work missed. Only in extreme cases of prolonged absence will more than one week (5 school days) be allowed for work to be made-up, unless permission is granted by the school administration. A grade of zero will be assigned in the event the make-up work is not turned in and leads to failure if the situation is not remedied immediately. Absences due to student disciplinary action, including suspension, are considered excused absences and students will be allowed to make-up assignments for full credit. (*Board Policy 6.12*)

Make-up Work for an Unexcused Absence

The pupil whose absence is unexcused will be given the opportunity to make up the work missed. Make-up assignments for an unexcused absence may receive a maximum grade of 70% (see examples below). If no grade is recorded for other students, no grade will be recorded for the student who is absent.

Only in extreme cases of prolonged absence will more than one week be allowed for work to be made-up unless permission is granted by the school administration.

Examples:

Assignment Grade	Actual Gradebook Grade
100	70
90	70
80	70
70	70
60	60

ACADEMIC HONESTY

The administration and faculty of Morgan County Schools are dedicated not only to teaching academic skills but also to fostering integrity among students. Today's students are tomorrow's leaders: therefore, students must be encouraged to recognize, understand, and practice ethical behavior. In an effort to accomplish this goal, the following guidelines are presented to help students avoid what is considered unethical behavior. Violations of the honor code will result in disciplinary action at the local school Principal's discretion. Some examples of cheating include but are not limited to the following:

- Copying another person's work to be submitted as one's own
- Plagiarizing
- Having, using, or attempting to use unauthorized aids (books, notes, calculators, and other electronic aids) on a test, quizzes, homework, papers, or projects
- Writing formulas, notes, or anything on desk, paper, hands, or clothing to be used or placed directly on the assignment or test

- Providing specific information about a test to someone who has not yet taken the test
- Attempting to deceive by changing a test paper that was previously graded
- Giving unauthorized assistance to a fellow student, i.e., giving another student homework to copy, allowing another student to look at test papers, doing another student's assignment for them, or unauthorized sharing of assignments
- Printing out or using another student's file or work, via computer

Minimum Requirements for Promotion

Standards for Promotion Grades 1-5

TO BE PROMOTED, the total student profile is evaluated. Recommendation for promotion or retention will be based upon a number of factors including but not limited to the following: attendance, social, emotional, or physical development, and academic achievement. The major considerations include daily teacher observation, student work samples, ongoing assessments, and test scores in all content areas. (*Board Policy 7.03.5*)

Standards for Promotion Grades 6-8

Students who successfully achieve a 60 or greater in the four core subjects (English, Math, Social Studies, and Science) will be promoted to the next grade level. Each semester consists of two 9-week quarters; semesters will be averaged to determine the final grade. Students may be required to attend summer school for any failed subject. Summer school placement will be at the discretion of the principal.

(*Board Policy 7.03.5* - Adherence to the established Attendance Policy is required.)

All applicable state laws will be followed with regard to the promotion and retention of Morgan County Schools' students.

Pupils may be promoted from grade seven to grade eight and from grade eight to grade nine for reasons other than academic, but grades nine and above must advance as follows:

Grade Level	Number of Credits Required for Promotion
10	5
11	11
12	17

CREDIT RECOVERY

In accordance with the guidelines of the Alabama State Department of Education, Morgan County Schools offers a credit recovery program to eligible students. Credit recovery program offerings may be limited by the availability of space, staff, and/or appropriate online or computer-based content for specific courses. The NCAA does not permit credit recovery courses to count toward athletic eligibility.

- Student Eligibility, Admission, and Removal
 - Students are eligible to apply for credit recovery if they failed a course required for graduation with a final grade of 40-59 and if the same course is available in the Morgan County Schools credit recovery program. Alternatively, such a student can choose to repeat a course in its entirety. No honors, AP, or IB courses are available through credit recovery.
 - Students must complete an application to request placement in a credit recovery course. The student and parent/guardian must sign the application to consent to placement in the course and acknowledge agreement with the terms of admission, program requirements, and awareness of the limitations of credit recovery.
 - The cost to participate in credit recovery programs offered outside of the normal school hours and/or calendar will be equivalent to approved summer school fees if applicable. There will be no cost to participate in credit recovery offered at Morgan County Schools during the normal school hours and calendar.
 - Students may be removed from a credit recovery program at the discretion of the administrator supervising the program for circumstances involving serious or repeated misbehavior, failure to adhere to program requirements, or failure to make adequate progress toward meeting remediation or course requirements.
- Instructional Program
 - Morgan County Schools primarily uses Edmentum and ACCESS for credit recovery. All credit recovery courses are aligned to the Alabama courses of study.
 - Students will complete coursework in areas of non-mastery as determined by the teacher assigning the failing grade.

- Credit recovery facilitators are adults approved by the Morgan County Board of Education and are trained to facilitate courses. Facilitator training addresses online methodology and technical aspects of web-based instruction.
- Course Grades and Transcripts
 - The final course grade posted in an Edmentum/ACCESS credit recovery class or computer-based credit recovery course will be used to calculate the grade that will be posted to the transcript. The following grading formula will be used for credit recovery courses:
 - When Grade Earned in Credit Recovery is between 71-100, per Alabama State Department of Education guidelines, a maximum grade of 70 may be awarded for a credit recovery course.
 - When the actual grade earned is 0-69, that grade will be posted to transcript. The original failing grade will remain on the transcript as well as the credit recovery grade and both grades will be calculated into the overall grade point average. Credit recovery courses are not weighted.
- Other Considerations
 - Students are required to complete all assigned computer-based credit-recovery courses.
 - Students are required to complete all assigned activities and assessments.
 - Recovered credit will be awarded when students have completed all work and requirements set forth by MCS credit recovery procedures.
 - All credit recovery courses will be identified as such on the transcript and may not be accepted by postsecondary institutions or outside organizations. NCAA does not recognize credits earned through credit recovery.

Credit Recovery Procedures

Credit Recovery in Morgan County Schools is governed by the following procedures:

- Students in grades 9-12 who have failed courses and are in danger of not graduating can utilize Edmentum Courseware for Credit Recovery.
- This is a local school decision made through a conference between the principal, counselor, student, and parent.
- Students are enrolled in these courses by the school counselor and courses are completed on campus.

CREDIT ADVANCEMENT 9-12

Credit advancement is an opportunity through which eligible students in grades 9 - 12 may obtain core course credit based on proficiency or mastery of content. The student must receive an 80 or above on an End-of-Course Assessment in order to receive course credit. Students may attempt the assessments for Credit Advancement only one time per course. Interested students should visit their high school counselor for additional information and program requirements.

CREDIT ACCELERATION

Credit Acceleration is the process by which students can take on additional coursework and receive credit for doing so. Morgan County Schools currently allows student to accelerate their coursework using the following formats:

- Dual Enrollment through any of our partner colleges and universities:
 - Calhoun Community College
 - Wallace State Community College
 - Auburn/JSU/UAH/University of North Alabama/University of Alabama Early College
- Edmentum Courseware
 - Online Courseware Program facilitated by Morgan County Schools
 - Individual courses are \$200 each
 - Students must take and pass the course in order to receive credit.
 - Coursework not recognized by NCAA
- EdOptions Academy
 - Online Instructional Program
 - Individual Courses are \$600 each
 - Coursework recognized by NCAA
- ACCESS
- Additional options may be available at the local school level; see your counselor for details.

EARLY GRADUATION

A student who meets all requirements for graduation in the state of Alabama may choose to graduate early. If a student has met all graduation requirements, that student may graduate in May and participate in commencement exercises during the year that all coursework is completed.

Additionally, students may choose to graduate mid-year (December) in order to pursue other opportunities if all graduation requirements have been met; should a student choose to do so, permission must be granted by the school principal in order to participate in commencement exercises. It will be the responsibility of the student to keep up with and attend all commencement related activities.

If a student plans on participating in commencement exercises, the MCS Early Graduation application must be completed and submitted to the school counselor prior to the last day of the first semester of the school year in question. Students who graduate early will not be considered for Top Ten, Salutatorian, or Valedictorian but may be recognized as an honor graduate.

GRADUATION REQUIREMENTS

A minimum of 24 units of work in grades nine through twelve must be satisfactorily completed to fulfill the requirements for graduation from any Morgan County high school. The Morgan County Board of Education shall issue diplomas that are sanctioned by the State of Alabama. (*Board Policy 7.01*)

Students who have satisfactorily completed required course work, met minimum attendance criteria, and passed required examinations are eligible for graduation, provided students have met all criteria set forth by the Alabama State Department of Education. Students who successfully complete the requirements to earn a diploma or graduation certification are eligible to participate in graduation ceremonies. Student participation in graduation ceremonies and related graduation activities will be subject to the principal's approval and payment of outstanding financial obligations. Listing and Classification of Courses

To provide for an equitable differentiation among students based on their academic achievement, the guidelines herein shall prevail. The Board acknowledges and affirms that this procedure does not address, nor does it purport to address the issues of importance, time spent, or amount of work done in each of the various courses but is intended for the recognition of divergence in academic rigor that exists among such courses.

Honor Student Selection

In order to provide for an equitable differentiation among students on the basis of their academic achievement, the board policies have been created to recognize those students graduating with Honors. The Board acknowledges and affirms that the policy(s) do not address, nor do they purport to address the issues of importance, time spent, or amount of work done in each of the various courses, but they are intended for the recognition of divergence in academic rigor that exists among such courses. This depends largely on the size of the school and the number in the graduating class. (*Board Policy 7.01.1*)

For purposes of Honor student selection, the following procedures will be followed:

- Beginning with the 9th-grade year of high school, all students will be ranked on the scale calculated and weighted as listed herein.
- The student with the highest numerical grade point average (calculated and weighted on a 100-point scale) will be the class Valedictorian.
- The student with the second highest numerical grade point average will be the class Salutatorian.
- Honor Students (with the exception of those who score 30 or better on the ACT) Valedictorian and Salutatorian will be selected based on a complete eight-term transcript.
- Initial grades that fulfill graduation requirements in the four core subject areas (English, Math Science, and History) will be weighted according to the scale below.
- Elective courses, including classes in those core subject areas that exceed state requirements for graduation, will be included in the ranking process, but will not be weighted.
- The grade point average will be carried out in four decimal places and rounded.
- Valedictorian and Salutatorian must be students graduating with the most advanced academic diploma offered and must have been enrolled in the school system for a minimum of three, full academic semesters prior to the date of graduation.
- Any student with a 30 ACT or higher will be recognized as an honor student.
- The student's highest ACT score, reported through the December administration of the students' 12th-grade year, will be used to resolve any ties that occur in Valedictorian and Salutatorian selection.

- Any student meeting graduation requirements with an Advanced Academic and who are ranked within the Top 5% of the graduating class will be recognized as an honor student (as determined in January using the completed, seven-term transcript). This number is limited to 5 percent of the graduating class (or a minimum of 5 students).

Pre-AP / Honors / Advanced, Accelerated, Advanced Placement Courses/ Dual Enrollment Courses

These classes must be labeled Pre-AP / Honors / Advanced, Advanced Placement, Dual Enrollment, or International Baccalaureate, and must be identified according to the Alabama State Department of Education’s Subject and Personnel Codes. The courses are to be taught by appropriately trained Pre-AP/Honors/Advanced, Accelerated, Advanced placement instructors, instructors that meet the standards for International Baccalaureate, certified accordingly by the State Department of Education or of the college offering the courses. College-level text may be used. Students should be deemed eligible to take the College Board Exam.

Dual Enrollment Courses must have the approval of the school principal and Superintendent. All students should contact the local school before taking a college course that they wish to count as a dual enrollment credit.

Due to the rigor of the following courses, they will be weighted the same as Pre-AP/Honors/Advanced Courses.

- Advanced Algebra II w/ Statistics
- Pre-Calculus
- Calculus I

Credit-bearing courses taken in 8th grade that meet the requirements for a high school diploma will be awarded credit but will not be used for Honor student selection.

ACADEMIC PROGRAMS

SCHOOL COUNSELING PROGRAM

School counselors and/or licensed counselors are available for students in grades K-12. Students may receive services in large or small group sessions and/or on an individual basis. In conjunction with the program, students may be given surveys to determine program effectiveness and/or youth risk behavior. For more information, contact your local school counselor.

SPECIAL EDUCATION PROGRAM

These are special programs for exceptional children in all Morgan County Schools for students ages three to twenty-one. Services provided, including technical assistance, are in compliance with all federal and state laws and regulations regarding special education issues. Each student's most appropriate educational setting or least restrictive environment is determined by his or her individual educational plan (IEP) committee. Exceptionality mandates for special education and related services, as well as the code for the State of Alabama, can be found on the state website at www.alsde.edu. There are well-defined criteria for each area of service, and it should be noted that not all learning problems or academic/behavior problems are due to special education mandates in areas of disabilities. The local school Response to Instruction (RTI) team is responsible for providing appropriate alternatives for students and carefully screening referrals for testing unless obvious and immediate needs for service exist. Referrals are made to the RTI team by parents, teachers, and others with a vested interest in the progress or the lack of progress in the development of the child. Child Find activities for preschool children are encouraged throughout the year so that Morgan County can identify and plan for children prior to their entry into our programs. Referrals are accepted for preschoolers through five years of age. If the child is not in school or is in obvious immediate need of services, or if they are being referred by the parents, the referrals are made directly to the Special Education Department for the Referral Team's review for consideration for a possible evaluation. For more information about the referral process, please contact the chairperson of your school's RTI Team, the Psychometrist assigned to your school, the Special Education Director at 309-2117, the Evaluation Facilitator at 309-2144, or the Special Education Department at 309-2115 and 309-2120.

GIFTED EDUCATION

Gifted students are those who perform or have the potential to perform at high levels in academic or creative fields when compared to others of their age, experience, or environment. These students require services not ordinarily provided by the regular school program. Students possessing these abilities can be found in all populations, across all economic strata, and in all areas of human endeavor.

A student may be referred for consideration for gifted services by teachers, counselors, administrators, parents, guardians, peers, self, or any other individuals with knowledge of the student's abilities. Additionally, second-grade students will be observed as potential gifted referrals using a gifted behavior checklist.

For each student referred, information is gathered in the following three areas:

- **Aptitude** – Aptitude should be assessed through an individual or group test of intelligence or creativity.
- **Characteristics** – A behavior rating scale designed to assess gifted behavior is completed.
- **Performance** – at least three indicators of performance at a gifted level must be submitted. These may include, but are not limited to, achievement test scores, grades, products, work samples, and/or portfolios.

The scores from the assessment/items used are entered into a matrix where points are assigned according to established criteria. The total number of points earned determines if the student qualifies for gifted services. To make a referral, contact the gifted teacher or counselor at your child's school

AT-RISK PROGRAM

The purpose of At-Risk Programs is to develop an assistance program at each school for at-risk students performing below the standards set by the State Board of Education. These programs shall provide additional services that increase the amount and quality of instructional time with extended learning time opportunities including, but not limited to, before and after-school programs, summer programs, tutoring programs, weekend programs, and alternative education programs.

Funding for At-risk programs in Morgan County Schools may be provided by one or several of the following sources: State Department of Education: Prevention and Support Services; State Department of Education Federal Programs; and State Department of Education Career/Technical Education Programs. If you have questions about the At-Risk program in your child's school, you may contact the school administrator, counselor, teacher, or the Morgan County Board of Education At-Risk Coordinator at 256-353-6442.

RESPONSE TO INSTRUCTION (RTI)

ALABAMA MULTI-TIER SYSTEM OF SUPPORTS (AL-MTSS)

The Morgan County Board of Education has designated in each school a school-based committee designed to meet the needs of students at risk of failure due to academics, behavior, truancy, or drop-out. Students who exhibit chronic academic and/or behavior challenges in the classroom are identified by the teacher and the committee. The committee provides support, technical assistance, instructional and behavioral strategies for individual RTI plans, monitors individual plans, and provides parents with information regarding the progress of interventions. The RTI team may, after intervention strategies are implemented, determine that additional data/interventions are recommended from other sources. If you have questions regarding the RTI process at your child's school, you may contact the school administrator, counselor, teacher, or the Morgan County Board of Education Elementary or Secondary Directors of Education at 256-353-6442

SECTION 504

The Rehabilitation Act of 1973-Section 504 is a non-discrimination law that guarantees access to public schools. The intent of Section 504 is to provide reasonable aids and services within the regular educational environment to ensure receipt of education with non-handicapped peers to the maximum extent appropriate. A reasonable aid or service is a classroom teaching strategy or technique that does not alter the fundamental nature of the program or service to students with 504 disabilities. If you have questions about Section 504, you may contact the school counselor, administrator, or the Morgan County Schools 504 Facilitator at 256-309-2153.

Newly enrolled competitive students will be placed into the random pool. These students will begin with a clean record, except that a student moving into the district who has not completed consequences for a positive test in his previous district must complete such consequences either in that district or in the Morgan County Schools according to this policy. Consequences for a confirmed positive test (mandatory, random, or reasonable suspicion) and for admitted alcohol or drug use at or away from school are as follows:

The student will automatically be retested on the next regular drug testing date and at every subsequent random drug test for a calendar year from the date of the First Occurrence of Positive Test Results.
- The student or the student's parents or legal guardians may request a retest of a portion of the sample taken from the student within 72 hours of notification of test results. Any such retest shall be at a facility approved by the superintendent or his designee. The student, parent, or

- guardian requesting a retest shall pay the cost for any such retest.
- The student shall attend Mandatory Substance Abuse Counseling as approved by the superintendent. Mandatory Substance Abuse Counseling shall be conducted at an off-campus location and at such times as the superintendent shall determine.
- With DTC approval, the student may complete an Alternative Substance Abuse Counseling program other than the Mandatory Substance Abuse Program approved by the Board. The Board is not responsible for the costs of any Alternative Substance Abuse Counseling.

Any such retest shall be at a facility approved by the superintendent or his designee. The student, parent or guardian requesting a retest shall pay the cost for any such retest in advance.
- Upon completion of the suspension, the student must test negative before the student is allowed to participate in competitive extracurricular activities.
- The student shall attend Mandatory Substance Abuse Counseling as approved by the superintendent.
- The student's suspension shall automatically terminate if the student tests negative on four consecutive tests, each of which occurs at least thirty days after or before the others.

Third Occurrence of Positive Test Results

- The student, the student's parents or guardians, the principal, and the sponsor shall be notified of the positive test.
- The student shall be suspended from participation in all competitive activities for one calendar year from the date of the Third Occurrence of Positive Test Results.
- The student or the student's parents or guardians may request a retest of a portion of the sample taken from the student within 72 hours of notification of test results. Any such retest shall be at a facility approved by the superintendent or his designee. The parent or guardian requesting a retest shall pay the cost for any such retest in advance.
- The student shall attend Mandatory Substance Abuse Counseling as approved by the superintendent.
- The student's suspension shall automatically terminate at the end of one calendar year, but the student must test negative before the student is allowed to participate in competitive extracurricular activities.
- The student's suspension shall automatically terminate if the student tests negative on six consecutive tests, each of which occurs at least 30 days after or before the others.

Competitive students will not be penalized academically if they test positive, refuse to test, refuse to cooperate with testing, or for being in violation of this policy. All information, interviews, reports, statements, memoranda, and test results, either written or otherwise, received by the Board through its alcohol and drug testing program are confidential and may not be used or received in evidence, obtained in discovery, or disclosed in any public or private proceedings except as follows: A) As directed by the specific, written consent of the parent/guardian and/or student authorizing release of the information to an identified person. a. Placement – If a student is arrested for non-school-related crimes, he or she may be placed in an alternative setting or on an alternative education plan during the pendency of the criminal process against the student. When the Superintendent or a designee learns of pending non-school-related criminal activity of a student, the Superintendent or designee shall work with the student's school's administration to determine appropriate school placement. Identified students will not be allowed back on any school property until the appropriate placement is determined.

Any student charged with physical force with a deadly weapon, whether misdemeanor or felony, will be placed into an alternative virtual learning setting for a minimum of forty-five (45) calendar days. The student may return to the regular school environment when it is determined by the Superintendent and the local school administration that it is safe and non-disruptive to do so. In cases that involve Special Education students, the Superintendent, school administration, and Special Education Director will make the determination regarding a return of school. (*Board Policy 6.12.2*)

b. Length of Placement – The student's placement will run concurrently with the pendency of the criminal charges against the student. If the student is placed at an alternative school for a period longer than the end of the current school year, the student's placement at the alternative school will be reevaluated prior to the commencement of the next school year.

Code Sections: Ala. Code § 13A-1-2; Ala. Code § 12-15-217

DRUGS AND ALCOHOL

Morgan County Schools adhere to the Drug-Free School Zones and signs are posted to designate the areas. The Board considers the possession or use, without proper medical authorization, or the sale or other disposition of alcohol or drugs by students on the campus of any school is not only, in most cases a violation of the laws of the State of Alabama, but also is repugnant to and destructive to the educational objectives of the Board. It is, therefore, the policy of the Board that students in the Morgan County School System shall not have in their possession, actual or constructive, whether on their person, in their automobiles, lockers, or elsewhere by whatever arrangements, sell, furnish, use or distribute in any way, at any time, at any place on any campus of any school in the Morgan County School System, or in any bus operated by the Morgan County Board of Education, or at any site of any school-sponsored event, including athletic contest, dances, theatrical events, field trips, or any other events conducted or sponsored in part or in whole by the Morgan County School System, or any school in the system, whether such event occurs during or after school hours, or any drug which is a controlled substance as defined in Chapter 2, Title 20. Code of Alabama, 1975, without possessing a valid and current medical prescription therefore from a medical doctor licensed to practice in the State of Alabama.

Whenever a charge is received by a Principal that a student may have violated this policy, a hearing shall be held at which the following will occur: A. The student will be advised of the policy violation charge and B. The student will be given an opportunity to explain the situation or dispute the charge. If following such a hearing the Principal finds probable cause does not exist to believe that the charge is true, the matter will be at an end; if, however, following such a hearing the Principal finds that probable cause does exist to believe that the charge is true, the due process procedures provided in *Board Policy 4.02.1* relating to major misconduct shall be followed. Whenever any drug or alcohol, the use or possession of which is prohibited by this policy is found by or delivered to a principal, the Sheriff's Office of Morgan County will be notified immediately, and such materials shall be delivered, as directed, to the custody of the Sheriff.

The superintendent and/or the principal may also file a formal juvenile petition. Any student who shall be sent to the Morgan County Learning Center (alternative school), and/or expelled from school as a result of a charge that the student has used or possessed any drugs in violation of this policy shall be required to submit to a drug test at the parent/guardian's expense prior to being readmitted to the Morgan County School System and shall only be re-admitted if such test shows an absence of any drug. (*Board Policy 4.02.3*)

Identification of Drugs

In addition to being tested for alcohol, students will initially be subject to testing for the following drugs: THC, Amphetamines (including Methamphetamine and Ecstasy), Cocaine, Opiates, PCP, Benzodiazepines, Propoxyphene, Methadone, Barbiturates, and Methaqualone. From time to time, the Superintendent, with reasonable notice to students and parents, may eliminate some of such drugs and may add others to the testing list.

Safe and Drug-Free Schools

Title IV of PL107-110 provides for the implementation of Safe and Drug-Free School Programs. In order to make this more effective input is requested from parents and other agencies. If you would like to know more about the current programs and/or provide input into the development of the program please contact Morgan County Schools, at (256) 353-6442.

EXPULSION

Students charged with violating any of these policies-Drugs, Alcohol, Guns, and other dangerous Weapons, a creditable threat to personnel, school, or student -will be suspended immediately and the due process procedure provided in *Board Policy 4.02.1* will be followed pending a Board hearing to consider expulsion from school.

Morgan County Schools complies with all state bills including HB188. This bill provides a uniform system of procedural due process protections for students facing long-term suspension or expulsion for violating the student code of conduct or state law.

DRESS CODE

The responsibility for appropriate dress and grooming rests with the parents. Parents and students should keep in mind that the reputation of the home, school, and community is reflected in the dress, grooming, and behavior of students. Students' dress and grooming shall be appropriate for the classroom. Wearing apparel shall be such that it does not disrupt or distract the classroom atmosphere or violate the health and safety rules of the school.

These minimum standards shall apply to all students in the public schools of Morgan County:

- Students must be neatly dressed, clean, and well-groomed while at school.
- Shoes or sandals must be worn.
- Clothes should be sufficient to cover all undergarments.
- Students shall not wear revealing midriff shirts, tube tops, muscle shirts, tank tops, or backless or strapless tops.
- Shorts and skirts shall be permitted in grades K-12; however, in grades 5-12, shorts and skirts should be appropriate.
- Miniskirts and mini-dresses are prohibited.
- Students shall not wear sunglasses inside the school building or on the school bus.
- The wearing of clothing advertising alcohol, tobacco, drugs, or suggestive words, pictures, or symbols of violence or death shall be prohibited.

- Any long or full-length outer garment including but not limited to trench coats, long dusters, and full-length/maxi coats shall be prohibited.
- Disruptive or distracting body piercing or tattoos shall be prohibited.
- Disruptive or distracting hair colors or styles shall be prohibited.

The Principal or his/her designee shall be the final judge as to the neatness and cleanliness of wearing apparel and whether or not such apparel is appropriate, disruptive, distracting, or in violation of health and safety rules.

STUDENT CONDUCT AND RESPONSIBILITY

Each classroom teacher will deal with classroom disruption by taking in-class disciplinary action, by making a personal call to the parent or guardian when feasible, or by scheduling conferences with the parent or guardian and other school staff.

Only when the action taken by the teacher is ineffective, or the disruption is severe, should the student be referred to the principal or his designated person. A student's failure to bring a notebook, pencil,

books, or required materials and equipment to class, failure to do homework, or failure to do class work is not cause for disciplinary referrals; however, defiance of a teacher in regard to these areas is cause for disciplinary referral.

Parents and guardians should be notified by the teacher of students who consistently exhibit poor work habits. Any student who disrupts the learning process may be subject to suspension. The following suggestions are offered:

- Any type of harassment received by a student must be reported immediately to a teacher, counselor, principal, or assistant principal.
- If a student has knowledge of another student who possesses a weapon of any type, he must report this to officials in order that preventative measures can be taken immediately.
- Any student who becomes aware of an argument, major disagreement or harassment between two or more students must report this to his teacher or other school officials.
- Names of persons reporting illegal activities shall be kept confidential.

All suspensions and expulsions proceedings shall be in accordance with *Board Policy 6.12, 6.13*.

STUDENT HARASSMENT

No student shall engage in or be subjected to harassment, violence, threats of violence, or intimidation by any other student. Students who violate this policy will be subject to disciplinary sanctions. The term harassment as used in this policy means a continuous pattern of intentional behavior that takes place on school property, on a school bus, or at a school-sponsored function including, but not limited to, written, electronic, verbal, or physical acts. Students are expected to treat other students with courtesy, respect, and dignity and comply with the Student Code of Conduct. Students should immediately report all alleged violations of this policy to a school employee, if possible, to the teacher or employee responsible for supervision at the time of the violation. If the principal or the principal's designee determines that the complaint alleges a serious violation, the principal or the principal's designee will undertake an investigation of the complaint. Acts of reprisal or retaliation against any student who has reported a violation of this policy or sought relief provided by this policy are prohibited and are themselves a violation of this policy. (*Board Policy 6.08 Anti-Harassment*)

Students are encouraged to report any harassment to the local principal.

 - Not to hurt, intimidate, or threaten others
 - Keep self and others safe
 - Communicate more effectively with parents and teachers
 - Appropriate Camera use
- Enhance Education Experience and Learning through 21st-century learning best practices.
- Communicate expectations to students, parents, and teachers of appropriate electronic device use.

Expectations of Students, Parents, and Teachers

- May only be used at appropriate times with emphasis on best instructional practices (Appropriate and Safe Use)
- The teacher has the discretion as to the best classroom practices they wish to establish.
- The teacher may require that devices either be visible at all times or collected by the teacher. For example: Classroom teachers may require devices to be placed in a cell jail until class is dismissed.
- It is every student's responsibility to report inappropriate use by a peer to the teacher (self-policing/ peer-policing).
- Sharing of personal devices is voluntary for students. Student owners of devices take full responsibility for their content and use.
- School personnel are not expected to interrupt their duties to investigate the loss or damage of items students are responsible for.
- Students who choose to bring devices to school must accept responsibility for their security and well-being.
- Students who choose to bring devices to school accept the Acceptable Use Policy written within this student handbook.

Consequences for Failing to Meet Expectations

- Teachers may refer to the office immediately due to unusual circumstances at any time. Administration may pursue further actions if needed based upon circumstances.
- The act of recording or taking pictures of anyone (students or staff members) while at school or participating in a school event, with or without their permission, may be subject to disciplinary action.
- Under certain circumstances with consultation of the superintendent, the principal may ban and/or restrict for a period of time, electronic devices within and on school grounds as needed for the protection of students and the learning environment.
- A student found in unauthorized possession of any type of cell phone or communication device during the school day shall have the device taken from him or her and kept by the school principal or designee until the parent is notified.
 - The parent may pick up the device at the time and location designated by the principal at the close of the next school day following the day that the parent received notification or earlier at the principal's discretion.
 - Thereafter, the parent may pick up the device by appointment. Any subsequent violation shall result in the device being taken from the student and retained until the close of the next school day following the day that the parent received notification or earlier at the principal's discretion.
 - Moreover, for a violation, the student may receive additional consequences in accordance with the district's code of conduct.
- The District does not take responsibility for confiscated items and will not compensate the owner for any lost, stolen, or damaged confiscated items while in the custody of the district.

Cell Phone/Digital Device in a Testing Setting

The possession of digital devices (including but not limited to cell phones, MP3 players, cameras, mobile entertainment, social connections, navigation devices, or other telecommunication devices) is **strictly prohibited** in the testing setting. Local Education Agency (LEA) school personnel will collect such devices before students can enter the testing room. *Alabama State Department of Education Policy*

If a device is in the possession of a student in the testing setting the device shall be confiscated. If the student uses the device, testing for the student will cease, the device will be confiscated, the student will be dismissed from testing, and the student's test will be invalidated. Additional disciplinary action may be taken by the LEA.

SCHOOL SAFETY

The mission of Morgan County Schools is to prepare students for success. In the event of a crisis, natural disaster, or inclement weather situation, our school system has one goal-- to keep our students and staff safe.

Morgan County Schools annually updates our emergency response procedures. These resources include information about how to respond to various events, including severe weather, natural disaster, or possible crises that might occur in and or around our schools. In addition, we frequently conduct emergency response drills to practice and to improve the effectiveness of our response to various situations.

We have a joint agreement with the Morgan County Sheriff's Office that provides our school system with School Resource Officers (SROs). Members of local law enforcement agencies regularly train in our schools and have access that enables them to respond without delay in any situation. Receiving information is important in the identification and prevention of potential issues. Providing you with communication is vitally important. Morgan County Schools has a mass notification system, a telephone messaging service that will allow us to make calls very quickly, to provide important information to parents. Morgan County Schools also utilizes Facebook, websites, and Twitter as communication tools. We ask for your assistance in keeping your child's school informed of any updates or changes in your family's telephone/cell numbers, email, and home address. It may also be used by school groups and athletic teams to send out important information such as approximate arrival time back to school while away on a trip.

We use The following terms and descriptions with our students and staff. Morgan County Schools understands that it is important for you to know these terms and how to properly respond.

SHELTER IN PLACE

This phrase might be encountered during inclement weather or a hazardous material release. A tornado warning will require schools to take our students to an inner hallway or a room with few or no windows and stay there until it is safe to release students. Please note that we cease operations such as checkout during an active warning. If you are at the school during a warning, we invite you to join us as we "shelter." Should we ever encounter a hazardous material release we have made precautions to limit the amount of exposure students have to the outside environment. Additionally, students at schools within the Browns Ferry evacuation area might need to be relocated.

SECURED PERIMETER

This term is used when we are notified of a concern or when a potential threat is identified in the vicinity of the school. If you are notified of a Secured Perimeter, do not go to the school as instruction will continue with restricted entry and limited supervised movement within the building. These situations are often very short-lived. If the situation allows and is of a lengthy period of time, the school will make a notification to parents via their normal communication methods, such as School Messenger. Entries and exits are monitored during this situation; students will not be released outside the building until we receive an all-clear by the appropriate agency.

LOCKDOWN

A lockdown takes place if a threat or possible threat is identified inside the school or on the campus. Instruction and all movements are halted. All exterior and interior doors are locked, and students are secured in their classrooms. No one (except appropriate emergency response personnel) will be allowed to enter or leave the building/campus to avoid hindering emergency response teams from arriving at the school. We ask that you monitor School Messenger, online social media, or local news for information about any possible evacuation of the building and parent reunification site. Please note that we conduct lockdown audits and review of lockdown procedures at each school at least once each semester.

WHAT IS PARENT STAGING FOR REUNIFICATION?

When students have been removed from the school or when an emergency has occurred that affects their ability to have a normal dismissal, a parent staging area will be established. At this location, parents will be updated concerning the situation and the plans for reunification with their child. Remember, a student can only be released to an adult who is listed as an emergency contact on school records, so be sure to keep that list updated. Anyone attempting to pick up a student must show proper photo identification. In cases where students will be released from the school, students that have obtained a parking permit will be able to sign themselves out at the time of the release.

What can you do now?

Be sure your school office always has updated phone numbers for your family. Read this student handbook and become familiar with the procedures listed above. Talk with your child about taking our drills seriously and remaining calm in a crisis situation. As always, speak with your building administration should you have any safety concerns.

SECLUSION AND RESTRAINT

The systems procedures for Seclusion and Restraint of students can be found under the heading of *Policies Heading* located on the top bar of the webpage. (*Board Policy 6.11 Physical Restraint*)

CHILD NUTRITION PROGRAM

Centralized menus are prepared for both breakfast and lunch in compliance with serving sizes and nutrition restrictions established by USDA. (*Board Policy 3.19*) Students will be offered five food components at lunch: Meat/Meat Alternate, Grain/Bread, Vegetables, Fruit, and Milk. Students may decline two (2) components but must take three (3) to complete a meal. At breakfast, students must take three (3) items (fruit required to be one of the three) to complete a breakfast meal. (*Board Policy 7.13.2*)

Morgan County Schools' goal is for every child to have a reimbursable meal available each day. We have partnered with Titan Family Portal to make it easy for parents to view charges, and fund accounts, and get notified of low balances. There is no charge for parents to create, monitor, or receive emails from the Principal or CNP program regarding low student meal balances. Parents may be notified in writing (from the Principal or CNP program) of negative student balances (more than \$-10.00) with a reasonable opportunity to clear the bad debt. Records of all charges and repayments are maintained in the cafeteria. Checks returned for insufficient funds will incur a service charge. Multiple returned checks will cause future payments to be limited to cash. (*Board Policy 3.20*)

Students(s) departing Morgan County Schools (graduation, transfer, etc.) with money remaining on their lunch account after 30 days will be automatically transferred to a non-public account that will be used at the Child Nutrition Program's discretion.

All visitors should check in through the school office upon arrival to get a visitor's pass for the safety of the students when visiting for lunch or breakfast. Current meal prices may be found by visiting the MCS Child Nutrition/Meal Menus tab.

Applications for Free or Reduced Meals are available online under the MCS website's Free and Reduced Meals tab. Complete one form for the entire family. Paper applications should be returned to the school as soon as possible. More information specific to our Child Nutrition Program may be found on the Morgan County Schools website.

SCHOOL NURSE

The Morgan County School system provides a school nurse for students who require a variety of specialized procedures. This requires that the parent or guardian of those students supply the school nurse with the student's diagnosis, current physician's orders, and all supplies required to treat the student during school hours. Failure to provide current physician orders, prescriptions, and or all supplies required for the prescribed care can create a health and safety issue for the student. The parent may be asked to take the child home until the parent can provide the needed medical information and/or medical supplies. Any medications (both prescription and non-prescription) must be delivered to the school and returned home by an adult, parent, or guardian. **Students should never transport medications.** We are dedicated to providing safe effective care to students. For questions or concerns please contact the school nurse and or the principal.

Sickness Guidelines

FEVER: A student with a fever of 100.0F or higher should not come to school. If a student comes to school with a fever of 100.0F or higher, the student will be sent home. If no one can be reached to pick up the student, and the fever is escalating, 911 may be called to transport the student for medical treatment. This will depend on the assessment by the school nurse based on the clinical symptoms of the student. A student **MUST** be fever-free for at least 24 hours (without the use of fever-reducing medications, such as Tylenol or Motrin) before returning to school.

HEADACHE: Headaches can be caused by many things such as fever, stress, sinuses, viral illnesses, and dehydration. Some headaches can be serious while others are minor. When a student has a headache that is associated with a fever and/or neck pain/stiffness or a headache that lasts for more than a couple of hours, the student should be seen by a health care provider. A mild headache can interfere with a student's learning ability. When a student has a headache during school hours and the headache does not go away after 20-30 minutes, the student may be sent home.

SORE THROAT: Sore throats are very common. They can be caused by sinus drainage, mouth breathing, viruses (colds), bacteria (Strep), dehydration, and anything that can irritate tissue (such as food, hot liquids, etc...). When a student has a fever with a sore throat, the student should see a healthcare provider before returning to school. A student who has a sore throat with a fever of 100 degrees or more will be sent home. A student with a non-fever sore throat can be soothed by drinking cool (not hot) fluids and identifying and treating the underlying cause (colds, sinus drainage, etc.)

VOMITING: When a student has been vomiting, the student should not come to school until they have eaten solid foods for at least 2 meals without vomiting. A student who vomits more than once, while at school, may be sent home. Vomiting can lead to dehydration very quickly, especially in younger children. When a student has been vomiting for more than 12-24 hours, they should see their healthcare provider as soon as possible.

DIARRHEA: Four or more loose/liquid stools in less than 12 hours are considered diarrhea. Certain forms of diarrhea can be contagious. When a student has 4 or more loose stools during school and/or is associated with abdominal pain, headache, fever, vomiting, or foul-smelling flatus, the student should see a healthcare professional. Remember, diarrhea can cause dehydration quickly, especially in younger children. When a student has multiple episodes of diarrhea that last longer than 12-24 hours, the student should see a healthcare provider as soon as possible.

ABDOMINAL PAIN: Any form of abdominal pain in a child should be taken seriously. Many things cause abdominal pain such as constipation, viral illnesses, food intolerances, strep throat, urinary problems/infections, digestion problems, and female-related problems. A student who complains of abdominal pain should not come to school until the problem has been identified, preferably by a health care provider. Any student with abdominal pain that lasts longer than 15-30 minutes may be sent home.

COUGH: A cough that is chronic can spread germs and be disruptive in a classroom. Please take this into consideration when deciding to send a student to school. A student with a cough may be evaluated by the school nurse. A student with an excessive cough may be sent home. If a student brings cough drops or cough medicine to school, the student must have a Prescriber/Parent Authorization Form (PPA) completed and signed by both a doctor and a parent.

PINK EYE/CONJUNCTIVITIS: Pink eye or Bacterial/Viral Conjunctivitis can easily be spread. A student with red/pink itchy, swollen eyes; eye discharge; possible light sensitivity; and/or eye pain may be sent home. If these symptoms continue the student should be seen by a health care provider. Meticulous hand-washing and sanitation of high "touch" areas are encouraged.

RASH: There are all types of rashes. Some are nothing more than irritated skin, while others are very contagious. The guidelines include:

- All rashes MUST be covered by either clothing or a bandage.
- A student with an undiagnosed rash lasting more than 2 days may be required to have a medical doctor's note in order to return to school.
- A student with a scalp rash may be required to have a medical doctor's note in order to return to school.
- A student with a rash that is associated with a fever and/or cough should be evaluated by a medical doctor.
- A student with spotted rashes on the stomach, back, arms, or legs should be evaluated by a medical doctor.

Medications

If a student requires medication during school hours, the parent/guardian will need to follow these guidelines:

- Students with medications, both prescription and non-prescription, MUST have a PRESCRIBER/PARENT AUTHORIZATION FORM (PPA) completed and signed by both a doctor and a parent/guardian or authorized adult.
- ALL PRESCRIBER/PARENT AUTHORIZATION FORMS (PPA) must be renewed at the beginning of every school year AND anytime a change is made to the prescription by the doctor. Only the prescriber (MD, NP, PA) can change a medication order (dose, frequency, specific time, etc.). Cutting, crushing, or sprinkling a pill/tablet/capsule can be done only with a written

prescriber order. Changes to the medication orders by a parent/guardian will not be accepted. All questionable changes will be verified with the prescriber by the school nurse. NOTE: Only one medication per PRESCRIBER/PARENT AUTHORIZATION FORM (PPA) is acceptable. If a student has multiple medications, a separate PPA must be completed/signed for each medication.

- ALL medications must be hand delivered by the parent/guardian or authorized adult to the nurse or certified medication assistant. This includes ALL students who "Self-Administer" and/or "Self Carry" medications. The nurse must verify all orders BEFORE students are allowed to carry and self-administer their medications. The nurse or certified medication assistant will count all controlled substances in the presence of the parent/guardian or authorized adult. The parent/guardian/authorized adult and the nurse or certified medication assistant will sign a form that indicates the medications were received, counted, and secured by the school.
- The first dose of any NEW medication should NOT be given at school. 5. ALL students with a prescription medication MUST have a current pharmacy prescription label attached to the original container. When a student has a sample from the doctor, the doctor MUST write a prescription label by hand and attach it to the sample medication. The pharmacy prescription label information must be Identical to the PRESCRIBER/PARENT AUTHORIZATION FORM (PPA) information (dose, frequency, specific times, etc.) Any mismatch of information will not be accepted. ANY prescription label that states, "Use As Directed" is not acceptable per state guidelines. Directions MUST be specified.
- ALL prescription medications must:
 - Be in the original container with a current pharmacy prescription label attached
 - Have the correct student's name on the prescription label
 - Have a valid date of expiration. EXPIRED MEDICATIONS WILL NOT BE ACCEPTED
 - Not be mixed with any other medications (unless indicated on the label)
 - Have a completed Prescriber/Parent Authorization Form (PPA) signed by a doctor and a parent/guardian
- ALL Non-Prescription medications must:
 - Be new, unopened, and sealed in the original container
 - Have no other medications mixed inside the container
 - Have a valid date of expiration. EXPIRED MEDICATIONS WILL NOT BE ACCEPTED
 - Have the student's name clearly marked on the original container
 - Have a completed Prescriber/Parent Authorization Form (PPA) signed by a doctor and a parent/guardian
- Inhalers
 - ALL students with inhalers must have a copy of the prescription label attached to the inhaler or the inhaler should be in the original prescription labeled box. The school office will need to make a copy of the original prescription label and keep it on file for the school nurse. The pharmacy can print a duplicate label and apply it to the inhaler. This is especially helpful for a student who carries an inhaler at school and self-medicates.
- Epi-Pens (Epinephrine, Auvi-Q)
 - ALL students with Epi-Pens, Auvi-Q, and other pre-filled single-use epinephrine auto-injectors must have a copy of the original pharmacy prescription label attached to the cartridge holder or the original box. A copy of the prescription label must be kept on file for the school nurse. The Prescriber/Parent Authorization Form (PPA) MUST specify the dose and route. "Use as Directed" is not acceptable per state guidelines. Directions MUST be specified.
- Students may ONLY carry medications indicated for a "CHRONIC" health condition (asthma, diabetes, seizures, etc.). The doctor MUST indicate the "chronic" condition on the PPA and check the "kept on person" and/or "self-medication" box on the PPA. A parent/guardian must sign the "Self-Administration" area of the PPA AND sign the "Parent Authorization" area of the PPA. A parent/guardian must sign the "Self-Administration" agreement form.
- The parent/guardian will be notified when their child's medication is completed or becomes out of date. Expired medications will NOT be given at school. ALL student medications must be picked up by the last day of school, before summer break, or the medications will be destroyed per federal regulations (in the presence of a witness, as indicated). A notification will be sent during the last weeks of school to help remind parents to pick up their child's medication. No medications will be kept at school over the summer.
- Some medications are not meant to be given during school hours. The school nurse reserves the

right to refuse to administer certain medications unless a doctor has specifically written that the medication be given during school hours. Most medications will be given by the parent/guardian at home. Medications that are prescribed three times per day should be given at home, just before leaving for school, upon returning home in the afternoon, and at bedtime. The only exception to this schedule is if the prescriber has ordered the medication to be given before or along with meals.

- When a student will be attending an alternative school, it is the parent's responsibility to transport his or her child's medicine to and from the student's home school and to and from the alternative school.
- The parent/guardian should provide the school nurse with a list of possible side effects for medications taken over a 30-day period. Information regarding common potential side effects and adverse reactions will be made available to all certified medication assistants by the school nurse.
- Food supplements, natural substances, and herbs are not without potential harm, including life-threatening conditions. Herbal products and dietary supplements have not been subject to the approval of the Food and Drug Administration (FDA) and in the United States, as in most countries, dosage and purity have not been regulated for these products. School personnel should not give any substance that could be considered as a drug or medication, including natural remedies, herbs, and nutritional supplements, without the explicit order of an authorized prescriber and parent authorization.
- Morgan County Schools follows the State of Alabama guidelines for the administration of medications to students. Only school nurses and certified medication assistants are legally allowed to administer medications to students in the State of Alabama.

Guidelines for Treatment

A student with a fever of **100.0F or higher**, should not come to school. If a student comes to school with a fever of **100.0F or higher**, the student will be sent home. A student should be fever-free for at least 24 hours, without the use of fever-reducing medication, such as Tylenol or Motrin, before returning to school.

When a student is assessed by the nurse to be vomiting, the student will be sent home. The student should not return to school unless it has been at least 12-24 hours since nausea/vomiting or diarrhea occurred.

Any rash assessed by the nurse to be potentially contagious must be covered by clothing, a dressing, or a bandage and should be evaluated by a healthcare provider.

A 911 call may be made when the school nurse or school staff determines a student has a medical condition that requires immediate treatment. A student may be transported to a local ER in order not to delay medical treatment.

A visit or admission to a hospital for illness or injury requires a signed release from the doctor before returning to school. All releases must precede or accompany the student returning to school.

Health Screenings

As part of the health services available to students in Morgan County Schools certain health screenings are performed each school year by school nurses and other medical professionals as required. This may include, but is not limited to:

- **Scoliosis Screening** for ages 11 through 14 years – Scoliosis screening is offered to parents and students in school if requested. The goal is that children having spinal deformities be detected early and placed under medical care before serious disability occurs.
- **Vision Screening** – A student may be referred to the school nurse for a basic vision screening as required for a formal individual evaluation or if requested by a parent or teacher due to concerns related to a student's vision.
- **Hearing Screening** – A student may be referred to the school nurse for a basic hearing screening as required for a formal individual evaluation or if requested by a parent or teacher due to concerns related to a student's hearing.

Immunization Requirements

According to Alabama law, it is mandatory that all students who enroll in school, kindergarten through 12th grade, show proof of immunization from either the Health Department or a personal physician. Students must present proof of immunization for chickenpox, diphtheria, whooping cough, tetanus, polio, measles, mumps, and rubella or a certificate of exemption by the beginning of the school year. Parents should be aware if the certificate is a temporary one, with an expiration date, additional requirements will need to be met before the certificate expires. The principal of each school shall ensure that no student is enrolled who does not have one of the above-mentioned certificates. *Code of Alabama 16-30-1*

Head Lice (Pediculosis)

Morgan County Schools Health Services has completed an extensive review of scientific research related to head lice. These efforts have culminated in the creation of procedures related to the management of head lice in school. While recommendations regarding head lice have changed over the past few years, fear and misinformation persist. In addition, the lack of research-based information in the community-both in and out of school-has resulted in unwarranted absences and/or unnecessary expenditure of money on products and/or services. We have refocused our attention on the science of head lice so that we are not unwittingly perpetuating the fear and misinformation associated with this issue.

EXCLUSION

The current recommendation by leading medical experts using evidence-based practice states that students with eggs(nits) and/or live head lice should remain in school and not be immediately excluded. This is not to say that all children with identified cases of head lice will remain in school all day. The student's parent or guardian will be notified if lice are found and they may decide if they want to pick up their child.

Why exclusion is NOT recommended:

- Although head lice are a nuisance, they do not cause disease and are not dangerous to the child or to others. Children with a common cold, which easily passes from student to student, are allowed to stay in school. Children who are not sick and pose no risk of illness should not be excluded from school.
- By the time head lice are discovered, the child has usually had them for upwards of 30 days. Therefore, it makes no sense to immediately exclude them from class.
- MOST IMPORTANTLY, school is not a high-risk area for getting head lice. Over the last 10 years, multiple studies have proven that school rarely is the site of lice transmission. The vast majority of cases of head lice are spread by friends & family members who play or live together.
- "No-Nit" Policies do not reduce the transmission of head lice in schools. Research has estimated that children with lice lose an average of four school days per year when a "no-nit" policy is enforced. The CDC, American Academy of Pediatrics and National Association of School Nurses all recommend eliminating "no-nit" policies in schools.

Dissemination of Information

- If active head lice or nits(eggs) are found on a student, the parent or guardian will be confidentially notified.
- Going forward, grade-level or whole-school notification of a case of head lice will no longer occur. Leading public health experts recommend keeping this information confidential to the student's family only.
- Classroom checks of students have been proven ineffective in predicting/assessing cases of head lice in schools and therefore will not be enforced.

We will continue to stay abreast of the latest research and recommendations regarding the treatment and management of head lice and will make it a priority to communicate any changes or modifications to our procedures. As always, please feel free to contact your school nurse with questions you have regarding this or any other school health issues.

Limited Physical Activity

Any student who has a medical condition that limits any physical activity must notify the principal or teacher in writing immediately upon knowledge of the condition. A physician's statement shall be required stating the pupil's medical condition and activities in which the pupil may not participate.

DISCLAIMER: Morgan County School nurses do not take the place of a doctor. None of the information provided is meant to replace a doctor. Every student should have their own healthcare provider. The information is meant for informational purposes only. Morgan County Schools, its staff, teachers, and nurses are not responsible for anyone who does not follow the advice of their own physician or health care provider.

TRANSPORTATION

All motor vehicles, including motorcycles, operated on any school property must be operated in accordance with the Rules of the Road of the State of Alabama governing the operation of motor vehicles on public highways.

AUTOMOBILES, MOTORCYCLES, BICYCLES, AND BUSES

Students driving automobiles, motorcycles, and bicycles to school must park them in the parking lot and vacate them immediately. Students are not to return to vehicles during the school day without the permission of the principal. Student drivers must possess a valid driver's license and proof of insurance. No student shall be allowed to run errands in a motor vehicle. Buses will be provided for all students.

Complaints and Grievances

(Complaints and Grievances sections 4.06 and 4.07)

The Board advises the public that the proper channeling of complaints involving instruction, discipline, or learning materials is as follows:

Teacher → Principal → Superintendent → School Board

Any complaint about school personnel will be investigated by the administration before consideration and action by the Board.

Student Complaints and Grievances

Complaints, grievances, and requests for corrective action may be brought to the attention of the Board by or on behalf of students with respect to academic, athletic, extracurricular, or other non-disciplinary matters, issues, and concerns only after reasonable efforts to resolve the matter at the school and administrative levels have been exhausted. The Superintendent is authorized to develop specific procedures that will provide for fair consideration and orderly review of such complaints and grievances. Such procedures will not unreasonably burden or delay the presentation or processing of the complaint or grievance and will be subject to review and approval by the Board. Administrative judgments concerning academic or curricular matters or participation in extracurricular activities may be set aside by the Board only upon a showing that the action or decision in question is arbitrary and capricious, fundamentally unfair, or that it violates Board policy or the student's legal rights.

Student Disciplinary Matters

The Board may consider appeals disciplinary decisions or actions in accordance with standards and procedures specified in the Code of Student Conduct.

Public Complaints

Nothing in this policy shall be construed to deny any member of the public the right to petition the board for consideration or action regarding any matter of public concern falling within the statutory jurisdiction of the board, provided that the person can demonstrate that he or she is impacted by the alleged violation to a greater extent than the impact on the public at large.

ISSUANCE AND RETURN OF MOBILE DEVICE

- Student's right to the device terminates on the last day of the school year unless terminated earlier by the MCS. Devices will be collected on or before the last day of the school year. LOSS, THEFT, AND DAMAGE

The device is a valuable piece of property that is being made available to the student by the MCS for the purposes of advancing the student's education. The student is responsible for ensuring that the mobile device is kept safe and secure at all times while it is in the student's possession or under the student's control.
