Kim Moody, Principal

Revised: 5/24/2024

What is a School-Parent Compact?

A School-Parent Compact is a jointly developed agreement with parents. The Compact outlines how parents, the entire school staff and students will share the responsibility for improved student academic achievement and how they will work together as partners to ensure all students reach grade-level standards.

Effective compacts:

- Link to goals of the School Improvement Plan;
- Focus on student learning skills;
- Describe how teachers will help students develop skills using high-quality instruction;
- Share strategies that parents can do at home;
- Explain how teachers and parents will communicate about student progress; and
- Describe opportunities for parents to volunteer, observe and participate in the classroom.

Jointly Developed

Together, parents, students and staff of RM Moore Elementary School developed and revised this School-Parent Compact for achievement. Teachers suggested home learning strategies, parents added ideas about the types of support they needed and students told us what would help them learn.

Meetings are held each year in the spring to review the Compact and make changes based on student needs and School Improvement Goals. Parents are invited to attend and are welcome to contribute comments or suggestions at any time. Parents may also provide feedback through an online form. Additionally, parents are encouraged to participate in the Annual Title I Parent Survey that is used as a tool to collect parent feedback regarding current Title I programs.

District Goals

Our District's goals for achievement for the 2024-2025 school year are:

1. Increase the average scale score in ELA, math, science and social studies by four points annually.
2. Increase the graduation rate of students in underperforming subgroups by 1% annually.

School Goals

Staff at RM Moore Elementary School have studied student performance data and decided on important areas of improvement for our school. The School Goals for the 2024-2025 school year are:

1. Increase by 3 percentage points the number of K-2 students scoring at or above grade level expectations on the District Reading Assessment and the number of 3-5 students scoring at the proficient or distinguished level in ELA on the GA Milestones Assessment by May 2025.
2. Increase by 3 percentage points the number of K-2 students scoring at or above grade level expectations on iReady Math Diagnostic and the number of 3-5 students scoring at the proficient or distinguished level in math on the GA Milestones Assessment by May 2025.
3. Increase by 3 percentage points the number of 5th grade students scoring at the proficient or distinguished level in science on the GA Milestones Assessment by May 2025.
4. Increase by 3 percentage points the number of 5th grade students scoring at the meets or exceeds level in social studies on the Common Social Studies Benchmark Assessment by May 2025.

When teachers, students and parents work together, we can achieve our goals!

Do you have questions about your child's progress? Contact your child's teacher at 770.704.1212 or by e-mail. You can locate e-mail addresses on the school website at:

<https://rmmes.cherookee12.net/facultystaff>

Foundational Skills

Our school will focus on the following area(s):

1. 5 Pillars of Reading: phonemic awareness, phonics, vocabulary, comprehension and fluency.
2. Mathematics: number sense, visual representation, place value and problem-solving.

Teacher Responsibilities

Teachers will work with students and their families to support student growth and academic success by:

- Regularly pull data and update individualized Data Goal Sheets to share with students and families to monitor growth in ELA and Math.
- Create and share ELA and Math resources with families. Model the use of resources with students.
- Provide appropriate leveled texts for students to read at home.

Parent Responsibilities

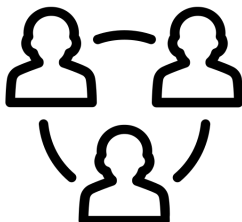

Parents can participate in their children's learning and academic growth by:

- Monitor student progress through Data Goal Sheets in ELA and Math.
- Utilize ELA and Math resources with students at home to practice/improve their skills.
- Read leveled texts weekly with my student.

Student Responsibilities

Students can maximize success and reach their learning targets by:

- Work with my teacher(s) to update my Data Goal Sheets to check my ELA and Math progress.
- Practice skills utilizing ELA and Math resources at home at least two nights a week.
- Read leveled texts for 20 minutes nightly.

Ongoing Communication

RM Moore Elementary School is committed to frequent two-way communication with families about children's learning, progress and home learning. Some of the ways you can expect us to reach you are:

- Meet and Greet
- Curriculum Night
- Parent-Teacher Conferences
- Newsletters
- ParentSquare
- Phone Calls and Emails
- Report Cards
- Canvas Announcements and Student Progress
- School Website
- Social Media
- Translated Materials/Interpreter

Activities to Build Partnerships

RM Moore Elementary School offers the following school activities to encourage parent participation:

- Meet and Greet
- Curriculum Night
- Annual Title I Meeting
- Parent-Teacher Association (PTA)
- Interactive Parent Workshops
- Parent-Teacher Conferencing
- Parent Resource Center
- School Council

Additionally, the school has opportunities for parents/guardians to volunteer, participate in the classroom and observe classroom activities. If you would like to volunteer, participate and/or give feedback, please contact Emily Ingram or Nora Vizuete, Parent Engagement Facilitators, By phone at 770.704.1212; By e-mail at Emily.Ingram@cherookee12.net or Nora.Vizuete@cherookee12.net; or in person at 1375 Puckett Road, Waleska GA 30183.
