ELEMENTARY SCHOOL

Kindergarten Supply List

2024-2025

Ms. Donahoe/Becker & Ms. Hogan

Hi Kindergarten families. We are excited to have you join us this year! Our classrooms look a little bit different from one another, so we create lists that best fit our individual kindergarten classrooms. We will be posting class lists at the park playdates on August 12th, and at that time we will have our lists available to you. In the meantime, you can still start shopping for the few things in the list below.

Water Bottle
Backpack
Gym Shoes with closed toes
Headphones
2 reams of white copy paper

Two things you can start practicing with your student right now are zipping up their jackets and learning their student ID number. Being able to zip their own jackets will save valuable recess time! And having students practice their student ID will get them through the lunch line much faster, giving them more time to eat their lunch. Their student ID number should be listed on the placement letter you got in the Spring. If you can't find that, or need help getting it, feel free to call us at (612)668-3370 and we'll be more than happy to help.

Also, if you haven't filled out the Kindergarten Student Information Form, please do so ASAP. While 1st-5th grade students get classified into classes in May, incoming kindergarteners get done in August, which is now! We will take that information to best situate your student for success. Here is the link: <https://forms.gle/ZCGzJoYr3YfR2niE9>.

We appreciate your support and can't wait to meet you all for an exciting and engaging year ahead. See you soon!
