## **ARTICLE I**

### **STATEMENT OF PURPOSE/RECOGNITION**

The success of the total school program is directly related to the performance of the District certified employees. It is the intent of the Board to provide for its certified employees the working conditions, benefits, and salary that allows the district to attract and retain high quality staff.

The purpose of this Meet and Confer Document is to itemize, specify, and document those terms of employment, salary, and benefits which have been agreed upon by the Governing Board of the Kyrene School District and the Kyrene Education Association, hereinafter referred to as the Association, for the current fiscal year.

This document may be amended or modified by mutual agreement of the parties. Exceptions may be made only as a result of legal ruling or legislative action directly affecting this document, or by the consent of both parties in which event appointed representatives of the Governing Board and the Association will meet expeditiously to discuss the need to amend the sections affected.

The Association acknowledges that the Kyrene School District Governing Board has the sole and final responsibility to the taxpayers of the District and, therefore, cannot delegate its vested authority to other parties or groups. Items or sections which would not permit the Governing Board to carry out its statutory responsibility have been excluded from this Document.

The Kyrene School District Governing Board recognizes that the Kyrene Education Association represents the certified employees employed by the Governing Board of the District. Representatives of the Association and the Governing Board, in a cooperative effort, will communicate and explain the terms of this document to all the certified teachers of the Kyrene School District.

**DEFINITION:** For the purpose of this document, "employee" will be defined as a certified teacher, registered nurse, teacher on special assignment, counselor, social worker, certified coordinator or facilitator, occupational therapist, physical therapists, speech language pathologists and speech language pathologist assistants.

## ARTICLE II

### SALARY AND BENEFITS

#### Salaries

It is the goal of the Kyrene Education Association and the Kyrene School District to improve (increase) all salaries and working conditions in a way that is affordable now and, in the future, to acknowledge length of quality service and continuous learning so that we attract and retain quality teachers.

- 1) Employees are able to view their total compensation package on their total compensation report available through Employee Access <https://tyler-kyreneschooldistrictaz.okta.com/>
- 2) Any supplemental work offered to an Employee on a performance contract is not guaranteed by this Contract. Supplemental work opportunities may be canceled due to lack of student enrollment in voluntary programs or other unforeseen reasons. Compensation will not be awarded for work not performed and the Employee is not eligible to receive unemployment benefits for loss of supplemental work.
- 3) **Salaries for New Employees**

For employees new to the district, the starting salary at the BA level, with no experience will be placed at the entry level of the range. New employees with outside contracted-certified teaching experience will be granted experience credit up to nine (9) years, based upon the current experience formula unless the hiring is in a high needs area whereas additional years of experience may be granted in the form of a stipend.

a) Experience Criteria

New employees with experience outside the District will be given credit for certified experience as a contracted employee of an accredited public or private school with certification requirements similar to Arizona. Public schools operated by the Bureau of Indian Affairs and Department of Defense will be allowed for credit.

b) Education Criteria

- i) Employees new to the District must furnish a complete, official set of all college transcripts within 30 days of the start of the contract.
- ii) Evidence of all educational credit must be presented to Talent Management to be claimed for use in the initial setting of salary. Any courses taken prior to date of hire that were not verified by official transcripts and approved within the first fiscal year by Talent Management will not be eligible for salary credit.
- iii) Credit will be allowed only for graduate courses completed after a Bachelor's degree and completed within the last ten (10) years, and excluding courses required for Arizona certification.
- iv) Courses required for Arizona certification will not be eligible unless completed as part of the Post Baccalaureate Master's program, and only after Post Baccalaureate Master's degree is obtained.
- v) Credits will be compensated at a value approved by the Board and credited in increments of 15 for the purpose of setting initial salary. Any additional credits may be submitted through Performance Matters.

c) Criteria for Adjustment in Salary

i. Salary Increases for Length of Quality Service

Future salary increases for length of quality service to the base amount will be determined through the annual Meet and Confer process. Factors influencing these increases will include the Meet and Confer team's compensation goal (listed in A. above), as well as fiscal conditions and District goals in support of student learning.

ii. Compensation Increases for Approved College Coursework

Salary increases for continuing education are determined by the completion of approved graduate level course work as described in the Professional Growth section of this document.

Employees who submit earned Education Credits by January 15 and who meet all criteria for receiving said credit will be compensated at the current credit value and for the number of allowable credits determined in the annual Meet & Confer process.

iii. Teachers who successfully attain National Board Certification Certificate will be eligible to receive a \$2,000 annual stipend for each year that the certification is valid.

Teachers who complete the entire process and submit a completed application to the National Board, but who do not attain certification will be eligible for a one time only \$2,000 stipend. In order to receive the one-time only stipend of \$2,000 for the initial NBC submission, the employee must have filed a Notice of Intent by February 15 of the prior fiscal year.

iv. Teachers who successfully attain Certificate of Clinical Competency or PNCB Certification will be eligible to receive a \$1,200 annual stipend for each year that the certification is valid.

v. **Standards for Salary Adjustments**

Teachers who receive a rating of Ineffective and are eligible for rehire will receive no increase in salary.

Teachers must receive one of the top three performance ratings on the teacher growth and evaluation system in order to receive any salary increase. A teacher, who receives an “ineffective” rating, will not receive any salary increase including market increase, continuing teacher increase, performance pay, and other forms of salary excluding compensation that requires extra duty. No opportunity will be given, at any time, to recover the loss of salary.

## **Salary Deductions**

- a) Employee organization dues (KEA, AEA, NEA, and ASHA), credit union/bank payments, 403b/457b deductions, insurance premiums, Kyrene Schools Community Foundation and charitable donations may be withheld from salary earned when requested by the employee.
- b) Requests for 403b/457b participation may be made at any time during the year. Such requests should consider the total annual amount for the contribution and be divided by the number of pay periods excluding balance of contract paychecks. Two (2) weeks written notification is required by payroll to change continuous deductions.
- c) Credit union deductions may be made at the employee’s request. Changes received on or before payday will be effective on the following paycheck.
- d) Deductions for employee organizations dues, Kyrene Schools Community Foundation will begin upon receipt of the appropriate documentation by the Payroll Department and will be deducted through May. All deductions must be authorized by the employee.

## **Mileage Stipend**

If an employee’s position is of a nature that it will require travel from the employee’s primary work site to alternate work sites or other locations that are within fifty miles of the employee’s primary work site, then they shall receive a mileage stipend. The amount of the stipend shall be dependent on the amount of anticipated travel based on the nature of the employee’s job description. If the actual travel is less than the anticipated travel, then no monies shall be returned to the District. If the actual travel is more than the anticipated travel, then no monies shall be due to the employee. The mileage stipend is compensation in lieu of the requirement to track and submit actual mileage. The mileage stipend tiers are as follows:

- Tier 1: Anticipated travel is 50 – 500 miles, Stipend is \$250
- Tier 2: Anticipated travel is 500 – 1,000 miles, Stipend is \$500
- Tier 3: Anticipated travel is greater than 1,000 miles, Stipend is \$750

If an employee is expected to travel less than fifty miles during the year then they shall submit mileage claims when the travel takes place. If an employee travels outside the fifty-mile radius then they shall submit a travel claim for all expenses, including mileage.

## **Benefits**

### **1. Insurance**

Per the Kyrene Employees Benefit Trust (KEBT) Summary Plan Document (SPD), an employee working 30 hours or more per week/130 hours per month in all positions within Kyrene School District combined is health insurance benefits eligible. All benefits eligible employees have the option to waive KEBT medical coverage with proof of other existing insurance coverage.

The Governing Board will provide medical benefits for its employees through the Kyrene Employees Benefit Trust (KEBT). These benefits are subject to changing statutory requirements and changes by the KEBT. Employees will be consulted, where possible, on a contemplated change of benefits and will be advised if and when benefits have been changed as to the nature of the specific changes.

The Kyrene School District provides a medical plan allowance to be used to purchase one of the Kyrene medical plans. If the employee chooses to decline medical plan coverage, they are also declining the medical plan allowance.

Should the medical allowance dollars not cover the premium for the employee's selected coverage, the employee will have salary deducted to cover the cost. In the event the employee is unable to pay their premiums for their selected benefits from their paycheck, the employee will be notified by the District and the employee will be given payment instructions.

#### 1) Employee Insurance Committee

The Kyrene Education Association (KEA) may appoint two (2) employees to serve on the Employee Insurance Committee. The cost of substitutes in all instances will be paid by the District. [The committee may participate in all activities of the KEBT, including, but not limited to, committees as assigned and all meetings.] The role of the committee is to provide advice and input to the trustees of the KEBT for the purpose of adding value and perspective to its decisions.

#### 2) Life Insurance Benefit

Basic life insurance will be provided to all benefits eligible employees regardless of a waiver or election of a KEBT medical plan.

#### 3) Flex Benefits/Spending Account

- a) New employees refer to New Employee Packet.
- b) Continuing employees see Open Enrollment Forms.

#### 4) Continuation of District Insurance Plan

- a) Retirees can choose to elect COBRA through Kyrene for 18 months. When their COBRA election expires, or if they did not elect the COBRA continuation, they may go on the State plan or an individual insurance plan.
- b) Widows, widowers, divorced spouses, and spouses of Medicare eligible employees who become ineligible for coverage will be allowed to continue coverage for themselves and their dependents by electing COBRA continuation, at their own expense as outlined in the federal guidelines for COBRA continuation.
- c) Terminated employees may continue coverage for themselves and their dependents for eighteen (18) months, at their own expense by electing COBRA continuation, unless they become covered by another group insurance plan or become entitled to Medicare benefits.

- d) Individuals requesting electing continuous coverage through COBRA will be required to pay the full group rate, plus an additional 2% to cover administrative COBRA costs.
- e) Conversion or portability of Voluntary Life/Life Insurance may be requested by the employee after the termination of their active employee benefits due to termination of employment or during a period of leave absence that is not covered by the Family Medical Leave Act (FMLA).

5) Worker's Compensation

Any on the job work injury shall be immediately reported by the employee to their supervisor. For any on the job work injury requiring more than basic first aid, the employee and supervisor will report the injury to the Workers Compensation carrier the Alliance, by calling the Nurse Triage line 1-888-252-4689, as soon as practical. See Board Policy 3-404, 3-404 B

**2. Authorized Absences**

The Kyrene Education Association (KEA) and Kyrene Administration value the benefit of PTO (Paid Time Off). All PTO, accrued in the contracted year, can be used at the discretion of the certified employee; however, we ask that all teaching staff use professional judgment when taking PTO. When employees are absent: 1) students' learning is impacted; 2) the cost of substitutes impacts the budget; and 3) availability of qualified substitutes often creates a situation where classes and colleagues are impacted.

When entering absences into the system (Currently Absence Management) absences must be entered into absence management as PTO sick or PTO personal for reporting purposes. PTO sick can be used-if the employee is unable to fulfill work responsibilities due to illness, physical disability, or medical appointment or treatment that cannot be scheduled outside of the school day of the teacher, spouse, partner, parents, spouses/partner's parents, siblings, and/or children. In addition, this benefit may be used for any relative living within the household who is claimed as a dependent. The unused portion of such allowance shall accumulate from year-to-year without limitation. Decisions relevant to the above may be appealed to the Superintendent or designee and KEA President or designee. PTO days can be used at the teacher's discretion, but it cannot be used to find other gainful employment or be used for employment outside of the district as specified in Board Policy 4-201- Employee Code of Conduct.

- a) Employees accrue approximately twelve (12) days/96 hours per contract year of Authorized Absences. This is prorated for those who work part-time (.5 FTE contract or greater). Five (5) PTO days will be credited to the employee at the beginning of the year. Part-time teachers shall be credited with PTO days at a pro-rated rate in accordance with their FTE.
- b) Seven (7)-PTO will accrue at the rate of .03365 per each hour compensated. These hours will be earned and credited on a per pay-period basis. Accruals will be based on actual paid time, not to exceed contracted FTE.

Employees who work less than a .5 FTE contract accrue up to 40 hours of Prop 206 sick time for the year at the rate of .03365 per each hour. Prop 206 time does not carry over from year to year in excess of 40 hours.

If a substitute is required, these absences may be used and reported for a half day or for a full day of work.

2) **Paid Time Off-Sick and Paid Time Off Personal**

- a) Any unused PTO days will be credited to the teacher's accumulated PTO- sick balance. At the end of the contract year No more than twelve (12) days will be credited to the teacher's accumulated PTO-sick balance at the end of the contract year. The balance of time accrued will be credited to the teacher's accumulated PTO-sick balance at the end of the contract year. Existing days in the teacher's sick balance may only be used as PTO sick days.
- b) If a principal/supervisor or Talent Management has reason to believe that a teacher has repeatedly violated or misused any PTO during the school year, he/she may request documentation related to the absences.
- c) In the event that it can be shown that a teacher violated or misused their PTO or misrepresented any statement, he/she may be subject to reprimand and/or loss of pay for the days misused.
- d) Need to verify use of PTO

The supervisor may require explanation or verification of PTO use:

- when a pattern of use is noted
  - when there is a question of the continuity of quality instruction being maintained
  - when the procedures have not been followed
  - when the absence exceeds five (5) consecutive workdays
- h) Failure to comply with PTO standards and procedures will result in a deduction of a day's pay for each day in question. Repeated failure to comply may also result in disciplinary action as defined in Board Policy.
- i) In order to ensure substitute coverage, it is required that a teacher planning to use a PTO- personal day shall notify his/her principal/supervisor as far in advance as possible. This notification is NOT for prior approval, but for planning purposes only. This notification will protect the employee from the fifteen percent (15%) rule at the site and the risk of loss of salary.
- j) In the case that more than fifteen percent (15%) of the certified staff on any given day at any given building has given notification of absence to their principal or through online absence reporting program, then no more PTO-personal days for that school may be available. The fifteen percent (15%) excludes absences for district/school business, district/school trainings, or extenuating circumstances (i.e.: flu epidemic).
- k) PTO personal days may not be used on blackout days. Blackout days are as follows:
- First five (5) instructional days of school
  - The first instructional day of each quarter
  - Veterans Day cannot be combined with a personal day(s) to create a four-day weekend or longer.
  - The day prior to the Thanksgiving Holiday
  - Friday of the Waste Management Open
  - State mandated assessment testing dates (excluding makeup testing). These dates are scheduled during the school year so any personal days that may have been previously granted during a tentative testing window may later be rejected due to a conflict with the test dates
  - Last two (2) instructional days of the school year

If an extraordinary circumstance occurs and an employee requests to take a PTO-personal day on a blackout day, or requires more than two (2) consecutive PTO personal days, he/she must submit the Request for Blackout Absence or More Than Two Consecutive Personal Days form to their principal or supervisor ten (10) business days prior to the restricted day. No more than five (5) consecutive PTO- personal or sick days will be approved. The employee may still submit a request when a ten (10) day notice is not possible. The employee will be docked the daily rate of pay with the possibility of future reimbursement pending approval.

**A request to utilize more than five (5) consecutive PTO personal days, either paid or unpaid, will not be approved.**

**Points of consideration for the principal or supervisor:**

- Absence history
- Prior absences on blackout days
- Absence creates a hardship at my site during this time due to: \_\_\_\_\_
- 15%-person day cap exceeded for this date

PTO shall NOT be used to find other gainful employment or to be used for employment outside of the district as specified in Board Policy 4-201- Employee Code of Conduct.

3) General Leave/Personal:

**Employee Sick Leave Bank**

Employees are eligible to participate in the employee sick leave bank. At the employee's option, a sick day leave day may be used to contribute to an employee sick leave bank. **See Appendix A on page 28.**

The KEA Employee Sick Leave Bank committee is responsible for managing the Employee Sick Leave Bank. All communications should be directed toward the KEA representative appointed to that committee. Talent Management is responsible for the following tasks:

- Check participating employee's accruals
- Verify that all available resources, e.g. sick day/personal day hours, deductible absences and advance usage of sick days, have been used
- Debit and credit accruals/deductions in the personnel system

### **Employee Bereavement Absences**

An employee who is contracted to work 20 hours a week or more shall be granted compensated bereavement time not to exceed three (3) days per annum, prorated to FTE, where such an absence is necessary due to a death in the employee's immediate family or employee's spouse's/partner's immediate family.\* If there is a need for additional time for bereavement, and an employee has accrued personal and sick time, the employee may use that time for additional days and additional time may fall under the application of Board Policy 4-302, 4-302.E, 4-201 and must be approved by the Governing Board. An employee who is contracted less than 20 hours a week shall be granted uncompensated bereavement time not to exceed three (3) days per annum, prorated to FTE. Form is available on the [Talent Management](#) website.

- \* "Immediate family" for this section only and 2 (a)4 is defined as: 1) The spouse or domestic partner of the employee, 2) The children (including son-in-law/daughter-in-law), parents, siblings, grandchildren, or grandparents of the employee or the employee's spouse or domestic partner; 3) Relatives living within the household who can be claimed as a dependent.

### **Deductible Absences**

Three (3) days/twenty-four (24) hours may be used by employees under provisions of the authorized absence benefits for sick day usage. A portion of the employee's salary will be deducted to equal to the daily rate of the standard substitute pay rate. This will apply whether or not a substitute is actually required for the position. Requests for this absence should be directed to the supervisor on the Absence Request Form at least five (5) days prior to the time of absence. This absence is non-cumulative. These days may also be requested for pay during an authorized leave of absence when all accrued time is exhausted.

### **Other Absences**

- a) The President of the KEA, or designee, will be provided initially with (5) days plus one (1) day for each existing school. The cost of substitutes will be paid by the KEA. Additional days may be authorized by the Superintendent.
- b) Jury duty absence. Jury duty absence for employees is allowed with regular pay, less jury duty pay, without any deduction of authorized compensatory absence. Please see the jury duty FAQs on the Talent Management website for complete procedural information.
- c) Response to subpoena: If an employee is subpoenaed to appear in court in a matter in which he/she is not a party, the employee may take the time without any deduction of sick days/personal days, provided appropriate documentation (e.g., the subpoena) is provided.

### **Cash-Out of Sick Days/Personal Days Benefits Upon Termination/Retirement**

- a) For employees working within the District during the 2004-2005 school year (before July 1, 2005) and continuing in employment, upon termination, whether by resignation, non-renewal of contract, dismissal, retirement, or death, they will receive remuneration for each day of accrued authorized compensatory absence on the following basis:

  - Thirteen (13) years of continuous service – 50% of the daily rate based upon the current base for the employee.

- c) Employees must retire with ASRS according to the ASRS rules to be eligible for cash out. Retirement status must be confirmed by the district in the ASRS system within 31 days of the employee's last day of work in the district or within 31 days of the end of the fiscal year in which the employee retires from the district, whichever is sooner.

Employees hired or rehired on or after July 1, 2019, will be paid out only through a direct deposit into a 403b account of all Sick days/Personal Days upon retirement. Qualifying 403b accounts may be set up at time of hire. Failure to open a 403b account prior to retirement will result in a forfeiture of any Sick Days/Personal Days funds owed.

The Board has acknowledged this principle by providing for educational credit and by providing opportunities for staff development education through workshops and other means. Sabbatical leave may also contribute to this principle.

Sabbatical leaves may be granted by the Board, contingent upon availability of District funds to an employee who has been employed for at least seven (7) consecutive years prior to the application for leave. The primary purpose of early release Wednesdays is to support student learning through department, grade level, or job alike Professional Learning Communities (PLC). Regular participation in PLC is an expectation of all Kyrene teachers because best practice indicates that weekly PLCs have the greatest positive effect on student learning. Once PLC/PD expectations have been fulfilled, the remaining time should be valued as Individual Teacher Time. PLCs will meet for a minimum of 60 minutes. The expectation is that staff follow the Wednesday Early Release Schedule, unless otherwise agreed upon by principal and impacted certified staff. Staff who are interested in holding PLC outside of the Wednesday Early Release Schedule should share their request with the school leader. Job alike teachers should meet as PLCs based on the Wednesday early release schedule.

Exceptions may exist for the following reasons:

- Eight (8) Wednesdays will be designated each year as Site Days to be used for a staff meeting, professional development and/or PLC, at the principal's discretion
- Thanksgiving week
- Conference windows
- Five (5) District Days

Certified staff members whose work schedule includes early release time must submit an absence report to Talent Management when they are not present on campus during this time. The early release schedule will be reviewed annually through Meet & Confer.

Each school within the Kyrene School District implements Positive Behavioral Interventions and Supports (PBIS). PBIS is an evidence based three-tiered framework designed to improve and integrate all of the data, systems and practices affecting student outcomes every day. Implementation of PBIS includes the development of a standardized system based on Major and Minor Discipline Flow Chart. Each school creates a Major and Minor Flowchart that is agreed upon by the school staff and aligned with the District discipline process.

To ensure understanding of the PBIS-MTSS process at each school, administration is responsible for sharing the PBIS flowchart and MTSS process at the beginning of each school year, as well as providing opportunities for feedback from relevant stakeholder groups.

The Board will be vigorous in its protection of all employees from physical and/or verbal abuse. If physical or verbal abuse is substantiated, certified staff can request support for a restorative conversation as soon as possible.

1. Any employee who is threatened with harm is to notify the principal or supervisor immediately, and steps are to be taken at once to protect the employee's safety.
2. Arizona state law allows teachers to request the removal of a student from their classroom. [See Policy 5-306](#)
3. The Board will protect employees through a comprehensive liability insurance program. A copy of such policy is available for inspection in the business office.
4. The Board will hold harmless and defend any District employee from claims for damages caused or alleged to have been caused in whole or in part by that employee while performing assigned duties as an employee of the District under the provisions of the District's liability policy, whether or not that person is employed by the District at the time the claim is made, provided that the District will not be obligated to assume any costs or judgments held against the employee when such damages are proved to be due to the employee's willful negligence, violation of law, or criminal act as determined by a court of law.

4. Employee/student phone numbers and addresses will not be used for personal or financial gain.

#### **O. Certified Personnel Files**

1. Personnel files are established, initiated, and controlled by the District for the purpose of maintaining a record of the qualifications and performance of employees.
2. Material originating within the District and which concerns an employee's conduct, service, or personality will not be placed in an employee's file unless the employee has had an opportunity to read the material. The employee will acknowledge reading such material by affixing a signature on the actual copy to be filed and will be issued a copy. Such signature does not necessarily indicate agreement with the content of such material. In those instances, when an employee refuses to sign such material, the administrator will call the employee and have the material read before a witness who will then sign a statement indicating that the material was read to the employee. A refusal to be on hand for the reading of such a statement before a witness will be regarded as insubordination.
3. The employee will have the right to respond to those items specifically addressed within the materials placed in the file. The response will be submitted to the individual's immediate administrative supervisor, read by the Assistant Superintendent and attached to the file copy. The response may be accepted only if the contents are directly relevant to the contents of the material in question.
4. All references obtained on the basis of confidentiality for the purpose of initial employment or promotion, originating either outside the District or within the District, will not be subject to this agreement and, therefore, will not be available for inspection by the employee. Those items covered would be placement files or letters of recommendation for initial employment or promotional employment within the District.
5. All materials must be dated at the time they are placed in the files and may not be removed except through grievance. The signature of the employee and immediate supervisor will be affixed to each document.
6. All materials placed in the District employee personnel files and originating within the District will be available for inspection by the employee and administration. Requests for inspection will be given in writing to Talent Management twenty-four (24) hours in advance of the date desired. Talent Management will schedule a time for the inspection and will make arrangements for a staff member to be present when the inspection takes place.

In addition, a copy of the policies of the Board and the Administrative Operations Handbook will be available in the library of each school. A mail receptacle for the Kyrene Education Association will be provided at each school with the location to be determined by the principal.

## **Q. Political Activities**

Information regarding these matters can be obtained from Business Services or the KEA.

## **S. KEA President Release Time**

The Governing Board recognizes that the responsibilities associated with the presidency of the KEA serving as the certified ombudsman liaison, requires a considerable amount of the president’s time. The amount of release time shall be determined annually in collaboration with the Superintendent depending on KEA funds available; however, it is intended that any release time would be for the purpose of assisting in:

1. Maintaining an open, respectful relationship between the district and its teachers.
2. Easing the time commitment of the teacher in balancing the roles of classroom teacher and KEA president.

Specific duties of the KEA president will be developed collaboratively between the KEA president and the Superintendent. At the end of the term of office, the KEA president will be returned to a teaching position equivalent to his/her prior position. Every effort will be made to return the teacher to their former position. However, in extraordinary circumstances such as reduction of enrollment or programs, the teacher will be offered an alternative assignment.

## **T. Representation in Decision-Making**

At the beginning of the school year, the administrator in charge of each school will inform staff persons that there may be opportunities for employees to assume administrative responsibilities in the absence of the administrator. In each case, the principal will arrange for another administrator in the District to be on call and will inform the designated employee of that administrator.

2. Responsibilities of an employee assuming temporary administrative duties:
  - 1) Extend the workday until close of office hours.

## STAFF GRIEVANCES - Board Policy 4-402

### **Definitions**

"Grievant" means an individual who currently is employed by the District on a full-time or part-time basis who files a grievance pursuant to this Policy.

"Grievance" means a complaint by a Grievant alleging that a supervisor or administrator has violated, misinterpreted, or misapplied a Governing Board policy or procedure related to compensation, benefits, or terms and conditions of employment. The alleged violation of Board policy or procedure must personally, directly, and negatively affect the Grievant. Multiple employees may not pursue a group grievance. Matters specified below are specifically excluded and not grievable.

"Immediate supervisor" means the individual who is responsible for evaluating the Grievant.

### **Excluded Matters**

The term "Grievance" does not include:

1. Any matter for which the method of review or appeal is prescribed by law or other District policy;
2. Any matter relating to any policy or procedure contained in Chapter 5 of the Board policies (Students);
3. Any matter related to letters or memoranda of direction or counseling;
4. Any matter related to employee discipline, non-renewal, or dismissal; or
5. Any matter related to performance evaluations or improvement plans.

### **Procedure for Filing and Processing Grievances**

A Grievance must be initiated within fifteen (15) Workdays of the date the Grievant knew or should have known of the violation, misinterpretation, or misapplication of the Policy or Procedure that is the basis for the Grievance.

#### **Informal Level**

The Grievant shall initiate the Grievance by requesting an informal conference with the individual alleged to have violated, misinterpreted, or misapplied the Policy or Procedure that directly and negatively affected the Grievant. In some cases, this will be the Grievant's immediate supervisor. In other cases, it will be a building administrator or a District-level administrator.

If the individual with whom the Grievance is initiated is not a building administrator or a District-level administrator, the individual with whom the Grievance is initiated shall report the initiation of the Grievance to the Superintendent.

To track the timeline, the Grievant should initiate the Grievance by means of a written request for the informal conference and shall specify that the request is to initiate a Grievance at the Informal Level.

The supervisor or administrator with whom the Grievance is initiated shall confer with the Grievant within ten (10) Workdays of receiving the request for the informal conference, and shall provide the Grievant with a written decision regarding the Grievance within ten (10) Workdays following the conference.

#### **Formal Level I**

If the Grievant is dissatisfied with the written decision at the Informal Level, the Grievant may file a Formal Level I Grievance within five (5) Workdays of receiving the written response.

The Grievant also may file a Formal Level I Grievance if the supervisor or administrator with whom the Grievance was initiated either refuses to meet with the Grievant or fails to issue a written decision within (10) Workdays following the meeting. In such cases, the Level I Grievance must be filed within twenty-five (25) Workdays after the Grievant initiated the Grievance at the Informal Level.

The Level I Grievance shall be filed with the supervisor or administrator with whom the Grievance was initiated at the Informal Level.

The Level I Grievance shall be dated and signed by the Grievant. It must include at least the following:

1. The name and position of the supervisor or administrator with whom the Grievance was initiated.
2. A statement of the facts giving rise to the Grievance.
3. A designation of the Policy(ies) or Procedure(s) that were allegedly violated, misinterpreted or misapplied.
4. A statement of the Grievant's position as to how the Policy(ies) or Procedure(s) were violated, misinterpreted or misapplied.
5. The date the Grievant knew or should have known that the Policy(ies) and/or Procedure(s) were violated, misinterpreted, or misapplied and an explanation of how the Grievant learned that the Policy(ies)/Procedure(s) were violated, misinterpreted, or misapplied.
6. The specific remedy(ies) or solution(s) sought by the Grievant.

Within ten (10) Workdays after receiving the Level I Grievance, the supervisor or administrator shall issue a written decision to the Grievant.

### Formal Level II

If the Grievant is dissatisfied with the written decision at Level I, the Grievant may file a Formal Level II Grievance within five (5) Workdays of receiving the written response.

The Level II Grievance shall be filed with the supervisor of the person with whom the Grievance was initiated. A copy of the Formal Level II Grievance shall also be submitted to the Superintendent. The Superintendent shall decide whether the Level II Grievance shall be processed by the supervisor with whom the Level II Grievance was filed or by the Superintendent. Notice of this determination shall be communicated to the Grievant, the person with whom the initial Grievance was filed, and the supervisor with whom the Level II Grievance was filed. If the Level I decision was made by the Superintendent, the Level II grievance shall be submitted to the Governing Board.

The supervisor or the Superintendent, as determined above, shall meet with the Grievant to discuss the Grievance. The meeting shall occur within ten (10) Workdays following receipt of the Level II Grievance. The supervisor or the Superintendent shall provide the Grievant with a written decision regarding the Grievance within ten (10) Workdays following the meeting.

### Level III Formal Review—Superintendent

If the Superintendent was the individual who rendered the decision at Level II, the decision of the Superintendent is final at that level.

If the Superintendent was not the individual who rendered the decision at Level II, a Grievant who is dissatisfied with the decision at Level II may appeal to the Superintendent.

The Level III appeal must be submitted in writing within five (5) Workdays following the Grievant's receipt of the Level II decision.

Within ten (10) Workdays following the receipt of the Level III appeal, the Superintendent shall issue a written decision to the Grievant and to the individual with whom the Grievance was initiated. The Superintendent may, but need not, meet separately with the Grievant and the individual with whom the Grievance was initiated to discuss the Grievance. If the Superintendent determines that such a meeting or meetings might be helpful in resolving the Grievance, the Superintendent may extend the time for a written decision by up to an additional ten (10) Workdays.

The decision of the Superintendent is final.

### **Matters Where the Grievance was Initiated with the Superintendent**

Only in cases where the Grievance was initiated with the Superintendent at the Informal Level, and proceeded to Formal Level I, shall the Governing Board review Grievances. In those cases, within ten (10) Workdays following receipt of the decision at Formal Level I, the Grievant may appeal the decision to the Board. The appeal shall be submitted to the Superintendent, directed to the Board. The appeal must include a copy of the Informal Level and Level I decisions, and any documentation submitted to the Superintendent for consideration at those levels.

At one of the next two (2) regular meetings following the appeal, the Board shall review the appeal. The review shall occur in Executive Session unless the Grievant demands that it be in open meeting. At the meeting at which the review occurs, or the next regular meeting following the review, the Board shall decide the Grievance in open meeting.

The Board shall render its decision based on the documentation submitted. No new information or documentation shall be submitted to the Board at the appeal unless both the Superintendent and the Grievant agree.

### **Referral to Hearing Officer**

In cases where the Grievance is appealed to the Board, the Board may refer the Grievance to a hearing officer for findings and a recommendation.

Within three (3) Workdays of the referral to a hearing officer, the Superintendent shall forward the entire Grievance documentation to the hearing officer.

The hearing officer shall review the documentation submitted to the Board, and may, but need not, meet with the Grievant and the Superintendent. If the hearing officer meets with either the Grievant or the Superintendent, the other individual shall be afforded the opportunity to meet with the hearing officer.

Within ten (10) Workdays after receiving the Grievance documentation, the hearing officer shall render a written report to include findings, conclusions (if warranted), and a recommendation or recommendations to the Board.

The Board shall consider the hearing officer's written report at its next available regular meeting and shall render a decision at that meeting or the following regular meeting.

### **Governing Board Decision**

The Board may uphold the Grievance in whole or in part, reject the Grievance in whole or in part, or refer the Grievance back to the Superintendent with directions as to action(s) to be taken. If the Board upholds the Grievance, it shall specify the remedy, if any, to be awarded to the Grievant.
