PBIS Handbook

Revised 8/12024

Theodore Vick PBIS Mission Statement

Ted Vick Elementary is a community of responsible learners and leaders, setting and achieving goals for our future.

Behavioral Expectations & Mustang Pledge

As Ted Vick Mustangs, we pledge to:

Respect our World,
Own our Choices,
Care for Others, and
Keep our Focus.

Mustangs **ROCK!**

TVE Staff Working Agreement/Norms/Speed of Trust

1. All staff present on time.
2. Get an agenda prior to meeting.
3. Address personal topics outside of the meeting.
4. Follow the Meeting Norms and Speed of Trust Behaviors.
5. Show respect to the speaker.
 - a. Limit side conversations.
 - b. Phones should be on silent.
6. Own role responsibilities
7. Fill out/complete Plus-Delta-Missing form.

School Wide Incentives

- | | |
|---------------------------|-------------------------|
| 1. Mustang Cash | 5. Mustang Store |

| 3. Golden Mustang Tickets | 7. Student of the Month |
| 4. Positive Postcards | |

Mustang Cash (Individual)

Mustang Cash will be used to reward students for making positive choices. They are a quick and easy way to recognize students who are doing the right thing. Mustang Cash can be used to reward students for a variety of positive behaviors. Some examples* are:

1. Walking safely down the hallway
2. Turning in homework
3. Helping another student or staff member
4. Waiting patiently in the cafeteria lunch line
5. Waiting their turn at the water fountain
6. Using playground equipment safely

Mustang Cash can be used at the Mustang Store, which is opened monthly (with the exception of months with holidays and/or breaks). The Mustang Store offers prizes valued from 3 to 100 Mustang Cash. Store items and prices vary monthly.

****Teachers may award Mustang Cash at their own discretion.***

Model Mustang (Individual)

Model Mustang Cards will be used to recognize students who exemplify at least one of the school wide expectations. Teachers will submit a Model Mustang Card to the office. Model Mustangs will be recognized during morning announcements and will receive a prize. All Model Mustang Cards will be entered into a monthly drawing for special prizes

Golden Mustang Ticket (Class)

Golden Mustang Tickets will be used to reward positive whole class behavior. This is a quick and easy way to recognize classrooms who are modeling the Mustang Pledge.

The Golden Mustang Ticket **requires a signature** from the person giving it out. It should be handed out to the class with an **explanation** for why they are receiving it. When a class earns Golden Mustang Tickets, the entire class (at teacher's discretion) will receive a reward. **Each teacher will be limited to 5 tickets per month to hand out to their own class.**

Golden Mustang Tickets can be used to reward classes for a variety of positive behaviors. Some examples are:

1. Walking in a straight and quiet line
2. All students arrive at school on time
3. All students in a class line up quietly when the bell rings

4. Classroom perfect attendance (ticket will be awarded by attendance clerk)
 5. All students are on task and working responsibly
 6. Every student returns to class without any playground referrals (during transitions and breaks)
- * Golden tickets will be cumulative

Golden Mustang Ticket Rewards

- 25 tickets= Extra Recess (15 minutes of extra recess)
- 50 tickets= Popsicle Party
- 75 tickets= Popcorn Party
- 100 tickets= Cookie Party
- 125 tickets= Game Time (30 minutes)
- 150 tickets=Big Screen Entertainment (30 minutes)
- 175 tickets= Class Choice from one of the above rewards
- 200 tickets=Pizza Party

Positive Postcards

Positive postcards are a way for teachers to recognize a child's outstanding behavior. Postcards will be filled out and put into the outgoing mail bin. This is an opportunity to build a relationship with the community. Teachers will recognize every student in their class each semester.

Mustang Store

The Mustang Store is an incentive for students who have followed the expectations and received Mustang Cash. Students can exchange their Mustang Cash for prizes at the monthly Mustang Store. A monthly sign-up sheet will be given to teachers so they may choose the time when their class visits the Mustang Store. Only students with Mustang Cash will be allowed in the store.

Positive Phone Calls

Positive phone calls home are an excellent way of building a relationship with parents/guardians. Teachers will fill out a Positive Phone Call Sheet and turn it into the office. A site administrator will contact the parent/guardian and share the positive message from the teacher. **Teachers will recognize every student in their class once a year.**

Student of the Month

Student of the Month recognition will be awarded to a student from each classroom that follows the Mustang expectations. This student will receive a certificate, 10 Mustang Cash, and a treat with an administrator. They will also be recognized at our quarterly awards assemblies.

Tier 1

Universal Behavioral Interventions

Classroom Managed (Minor) Problem Behaviors

Classroom managed behaviors are “minor” problems that can be redirected quickly without significantly disrupting the flow of instruction or school activity. These behaviors do not require direct contact with the office, and if occurring infrequently would not be considered a problem.

Examples of Classroom-Managed “Minor” Problem Behaviors

- Cheating
- Name calling/teasing
- Running in the walkways
- Being in an unsupervised area
- Disruptive transitions
- Disruptive classroom behaviors
- Defiance/disrespectful/insubordination/non-compliance
- Littering
- Play fighting/rough play
- Chewing gum/spitting
- Inappropriate displays of affection
- Minor disrespect toward adults/peers
- Excessive talking in class

Examples of Staff Provided Consequences

- State rule/redirect
- Conference with student
- Re-teach rules
- Clean-up duty (for misuse of property or littering the environment)
- Use of partner teacher for time-out
- Time-out in the classroom
- Call parent
- Loss of privileges

Suggested Procedures for Minor Problem Behaviors

1st Incident: Verbal Warning- Students are given a choice to correct the behavior problem or receive a low-level referral.

2nd Incident: Think Sheet and low-level referral

3rd Incident: Sent to another classroom for redirection

Minor Referral Procedures

Once a low-level referral (LLR) is given, the teacher will ensure that all parts of the referral are filled in. The referral should be entered into Aeries and the white copy should be filed in the classroom. A phone call should be made to notify parents that the referral is coming home. The yellow copy will be sent home with the student and is to be returned with a parent signature. If the low-level referral is not returned the next school day, a second LLR will be issued. If the second low-level referral is not returned, a high level referral will be issued.

Remember:

1. DO NOT include any other students' names on the referral.
2. Write legibly.
3. Spell correctly.
4. State only facts.
5. Be professional.

Office-Managed (Major) Problem Behaviors

Problem behaviors that are “major” and require being referred to the office include any behavior that places self or others at physical risk, prevents the on-going delivery of instruction, or violates a serious school rule/expectation.

Examples of Office-Managed Problem Behaviors

- Physical aggression/fighting
- Harassment/directed abusive language/verbal abuse
- Defiance/disrespectful/insubordination/non-compliance
- Inappropriate touching
- Vandalism/property damage/theft
- Possession of illegal drugs
- Possession of a weapon
- The third instance of the **same** minor behavior problem within the same day.
- The third instance of **any** minor behavior problem within **two weeks**.

Suggested Procedures for Major Problem Behaviors

1st Incident: Conference with administrator; possible parent/guardian contact or administrative consequence

2nd Incident: Conference with administrator; parent/guardian contact; administrative consequence (campus clean up, loss of privilege, etc.)

Major Referral Procedures

The teacher must ensure that all teacher-required parts of the referral are filled in. The student receiving the referral should be sent to his/her time-out teacher and the referral should be sent to the office. Staff members should inform the office by radio or call the office immediately to inform them of the situation. If the high-level has not been filled out at this time, fill in the appropriate areas and send it to the office with another student as soon as possible. The administrator will fill in the remaining portions of the referral, including the administrator's decision. The white copy will be filed in the office. The yellow and pink copy should be sent home with the student. The yellow copy should be returned to an administrator with a parent signature.

Remember:

1. DO NOT include any other students' names on the referral.
2. Write legibly.
3. Spell correctly.
4. State only facts.
5. Be professional.

Definitions of *Defiance*, *Disrespect*, and *Disruption*

Staff members should consider the following definitions as they correct the behavior of the student(s).

Defiance

- Student challenges or refuses to follow adult directions
- Includes insubordination and non-compliance

Disrespect

- Student delivers socially rude or dismissive messages to adults or students

Disruption

- Student engages in behavior causing an interruption in a class or activity. Disruption includes sustained loud talk, yelling, or screaming; noise with materials, horseplay or roughhousing; and/or sustained out-of-seat behavior

(Definitions provided by Kent McIntosh)

Behavior Lessons

A behavior lesson is a 10-15-minute lesson that is taught to the class to help directly teach students behavioral expectations. Each lesson is taught on the week listed on the TVE PBIS Calendar. All teachers are required to teach these lessons and hold their students accountable for the skills taught. A schedule will be provided and a morning announcement will include the lesson for the day. Teachers should revisit behavior lessons throughout the year at their discretion. Please use the PBIS model lessons and the ReThink lessons found in CLEVER. The link and the directions are given below to access these lessons:

Tier 2 & 3 Support

ROCK in/ROCK out

ROCK in/ROCK out is a Tier 2 intervention. RIRO is a school-wide intervention for students who may need more positive adult attention and structured feedback to be successful in school. Students may be identified for RIRO based on behaviors documented in Aeries. RIRO will be established through the SST process. A teacher may also recommend a child for RIRO with appropriate documentation and 6 weeks of interventions. A parent letter will be sent home by the RIRO coordinator once the student has been approved by administration.

Counseling

Individual counseling is an intervention for students who may need counseling to assist with coping and learning how to control their impulses. Students may be identified for intervention by RIRO data, parent request, and teacher recommendation. The forms will be given to the child or placed in the teacher's box for parent signature.

Behavior Lessons

Classroom lessons are Tier 2 and 3 intervention for classrooms that may need social skills and counseling support. A Student Assistance Program (SAP) referral form must be signed by parents for each student participating. The classes are four-week sessions and meet once weekly. The counselor will visit your classroom to provide lessons geared towards promoting social skills. **The SAP referral may be requested from administration. 80% of the class must return the signed referral form in order to be eligible to participate in the classes.**

Individual Counseling/CARE

Individual counseling is a Tier 3 intervention to provide students support to help with crisis situations. A DMCC authorization for release referral must be signed by parents in order for students to be seen by the counselor. The counselor will contact parents to inform them that their child is receiving counseling services. Referral forms may be requested through administration or school counselors.

Restorative Practices

A restorative school is one which takes a restorative approach to resolving conflict and preventing harm. Restorative approaches enable those who have been harmed to convey the impact of the harm to those responsible, and for those responsible to acknowledge this impact and take steps to make it right.

Restorative approaches refer to a range of methods and strategies which can be used both to prevent relationship-damaging incidents from happening and to resolve them if they do happen. Becoming a restorative school has many benefits, including increased attendance, reduced exclusions and improved achievement. It can also alleviate problems such as bullying, classroom disruption, truancy and poor attendance, antisocial behavior, and disputes between pupils, their families, and members of staff.

To be effective, restorative approaches must be in place across the school. This means all pupils, staff (including non-teaching staff), management, and the wider school community must understand what acting restoratively means and how they can do it. As a result, restorative schools adopt a whole-school approach to restorative methods. AESD offers staff training throughout the year.

Mindfulness

Mindfulness-based interventions are therapeutic approaches grounded in mindfulness, promoting the practice as an important part of good physical and mental health. Mindfulness is designed to deliberately focus a person's attention on the present experience in a way that is non-judgmental. Mindfulness-based interventions, whether offered individually or in a group setting, may offer benefit to students seeking therapy for any number of concepts.
