

# ARGOS

## Technology Department

### Device Care

The device and charger that you are receiving is property of Argos Community Schools. You are responsible for caring for your device and returning all items back in at the end of the year.

**Please do not do any of the following items to your Device or Charger:**

- Write or mark on iPad case or charger
- Put stickers on iPad case or charger
- Remove the asset tag from iPad or Charger
- Take your iPad out of the case that was provided to you
- Remove keyboard from case if issued a keyboard case at the start of the year

**Your student account will be charged if any of the following is done:**

- Incorrect charger is returned- must be the same charging device received at the beginning of the year
- Markings or writing on iPad case or charger
- Asset tags are removed from charger or case
- Stickers on iPad case
