

## **Personnel – Certified/Non-Certified**

### **Cellular Telephones/District Issued Communication Devices**

The Board recognizes that the use of cellular telephones and other communication devices may be appropriate to provide for the effective and efficient operation of the District and to help ensure safety and security of District property, staff and others while on District property or engaged in District-sponsored activities. To this end, the Board authorizes the purchase and employee use of cellular telephones, as deemed appropriate by the Superintendent.

District-owned cellular telephones/communication devices shall be used for authorized District business purposes. Personal use of such equipment is prohibited except in emergency situations. Any expenses incurred for such personal use shall be reimbursed to the District.

Use of cellular telephones/communication devices in violation of Board policies, administrative regulations, and/or state/federal laws will result in discipline up to and including dismissal and referral to law enforcement officials, as appropriate.

The Superintendent is directed to develop administrative regulations for the implementation of this policy, including a uniform and controlled system for identifying employee cellular telephone needs and monitoring use.
