

Instruction

Emergency Closings

The Superintendent is empowered to close the schools, delay their opening, and/or to dismiss them early in event of hazardous weather or other emergencies which threaten the safety or health of students or staff members.

It is understood that the Superintendent will take such action only after consultation with transportation, police, appropriate city maintenance personnel and weather authorities.

Parents, students, and staff members will be informed early in each school year of emergency closing, delayed opening and early dismissal procedures.
