

## The Parent Portal At-a-Glance

This new Parent Portal allows you to quickly and easily monitor your child(ren)'s education and activities at school by putting everything you need in one place. We have highlighted some features below. This is the screen you will see when you log into the portal.

**Resources** is where we add important documents you may need to access regularly including the Student and Parent Handbook.

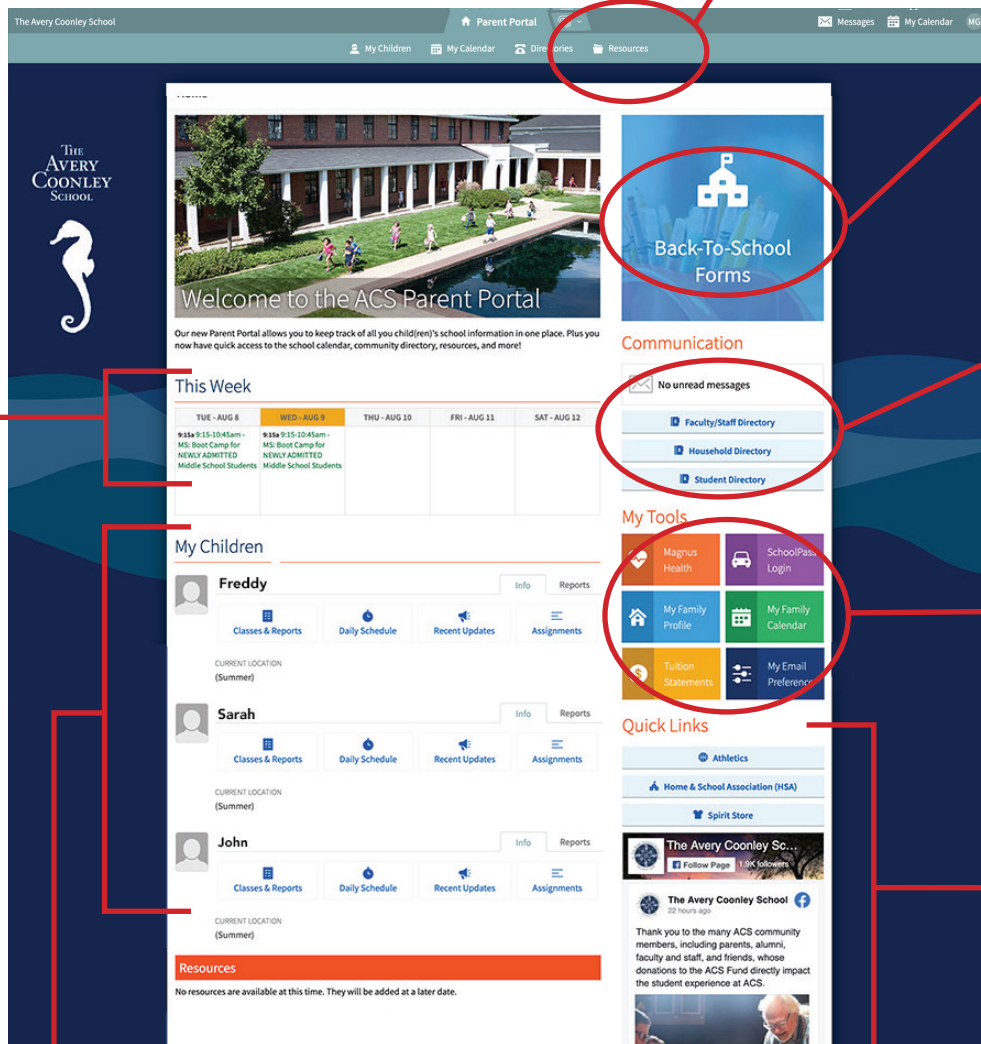

**Back-To-School Forms** are located in a single place so you can quickly sign and return automatically.

**Communication** is where you can find the directories and easily connect with teachers.

**My Tools** gives you quick access to Magnus Health, SchoolPass, the full Calendar, and your profile information.

**Quick Links** provide direct access to Athletics, the HSA, the Spirit Store, and our Facebook feed.

**This Week** ensures you don't miss important events at school.
