### **Summer Schools**

The New London Board of Education recognizes the need for a summer school program for student enrichment and remedial instruction. Therefore, the New London Public Schools will conduct a tuition-free summer school for students whenever it is financially feasible and as required by applicable state and/or federal law. Procedures shall be established by the Summer Program Site Coordinators and building administration under the supervision of the Superintendent of Schools or their designee, as approved by the Board of Education.

The Superintendent of Schools shall report to the Board of Education at its regular September meeting on the operation of summer schools the preceding summer. Additionally, State reports shall be submitted in accordance with its assigned timeline.
