Unlocking the potential in all Radnor students

RADNOR TOWNSHIP SCHOOL DISTRICT STUDENT PHOTO / IMAGE USAGE OPT-OUT

RTSD uses student photos and videos to promote school and educational activities, awards, athletics, clubs, special programs, honors, and other events.

These images will be used on district and school websites, social media, videos, posters, promotional materials, advertisements, and other online and offline media. You have our assurance that these images will be used only for official purposes and with the respect and consideration to which you and your student(s) are entitled. Please look at the district website and social media for examples.

If you wish to opt out of having Radnor Township School District use your student's image, you will need to indicate it on your student's Back to School Form which restricts your child's name, photo / image and directory information (school and grade) from being published in staff-produced district and school media listed above.

This does not restrict a teacher from sending information, photos or videos related to a student to the parent or guardian.

If no photo / image opt-out documentation is on file, it will be assumed that permission for release of information has been granted.

Open Events: Please be aware that ensuring student privacy is NOT POSSIBLE during open events such as school or district-related meetings, assemblies, activities, performances, and athletics where cameras are permitted.

Parents, guardians, family members, and students are potentially taking and sharing photos and videos during these Open Events, even if not open to the public. Images of your student could be in these photos and videos. By choosing to allow students to attend or participate in such activities and programs, parents/guardians agree to this condition. RTSD will do its best to not share photos of students with photo opt-out forms taken at open events.

Public Events: Students participating in sports, choir, band, theater, and other school activities, or attending such activities, that are open to the public are NOT ELIGIBLE for photo opt-out forms, as there is no way to prevent photography and videos and news media coverage of public events. RTSD has the right to use photos of these students.

The district limits access to the outside news media, but it does not have control of the media. Access by news media, individuals, organizations, or television/film production companies to non-public locations and events, such as inside a classroom, will be conditioned upon agreement to honor parent/guardian preferences.
