Dear Parents/Guardians,

Congratulations on your child's acceptance to Sussex County Technical School. We are thrilled that you will be joining the Mustang family!

We would like to invite your child to the **9th Grade Student Orientation on September 4, 2024 from 7:40 am - 12:00 pm**. Transportation is NOT provided for this event. Students should be dropped off in front of McNeice Auditorium and picked up in the horseshoe (Main Office Entrance).

Our Orientation Program is designed to answer questions your child may have about the day-to-day operations of the school, allow them to go through their schedule, meet their teachers and better understand the expectations of Sussex County Technical School.

A schedule will be printed for each student upon arrival. The parent portal is currently down for the summer as we finalize schedules. Once the portal is open parents will receive notification.

Please contact the high school guidance office if you have any questions at 973-383-6700 x 247.
