

EL MODENA HIGH SCHOOL

Summer 2024

Dear Parents/Guardians,

Welcome to the 2024-25 school year. We are all eager and excited to begin this next school year. As a first step, we are asking all our families to complete Aeries Data Confirmation. To complete this process, please go to the [Aeries Parent Portal](#). This process will take approximately 20 minutes to complete. Please click [HERE](#) for instructions to complete Aeries Data Confirmation. Your student(s) will not be able to complete the registration process unless you have completed the above process in its entirety. In the documents screen, please print and fill out the following required documents: Emergency Card (signed) and Health Forms. In addition, there are other forms that may be printed if they apply to your student. Students should report to campus with the signed form(s) "in hand" at the appointed registration time as noted below (by last name). Parents/ Guardians are welcome to attend as well.

In an effort to minimize line back-ups and undue waiting, we ask that you honor your identified time. Registration will take place in the Cafeteria.
