Please select a Tuesday or Thursday class and one time slot (either 2:00-3:30 or 3:30-5:00). This will be the day and time of your lecture portion of the driver education program each week.

Be sure you do not select your drive and lecture for the same time slots. It can be the same day but not the same time. For example, you can select a Tuesday lecture at 2:00 and a Tuesday drive at 3:30 or two different days such as a Tuesday lecture and a Wednesday drive. You cannot select a Tuesday lecture at 2:00 and a Tuesday drive at 2:00.

There will be a mandatory parent (and student) meeting. The date is TBD and details will be provided by your lecturer.

Only one lecture is permitted to be missed and must be made up. Please see your lecturer regarding your make-up lesson. If you miss more than one lecture class, it will result in course failure. Please contact your lecturer should you need to make up a missed lecture.
