

Week 7 of Summer Fun

Grade 6

Enjoy these optional learning activities this week!

ELA

Activity Description

- Create a sequel for your favorite book

Directions

- Choose your favorite book and plan the sequel. Pretend you are the author of your favorite book and the publishing company is asking you to write the sequel to your favorite book. Use details from your favorite book (the one you read) to create a new or continuing plot l. Use a plot diagram that includes introduction, background, setting, conflict, rising action, climax, falling action, and resolution. After you complete the outline, write a chapter of this new book that will be used as an excerpt or sample when the book is marketed to be sold. Make sure to include dialog between characters, vivid descriptions of the setting, and what the characters are doing to solve the conflict and work to the resolution.
- Complete outline on paper
- Complete 1 chapter on paper or digitally

Math

Activity Description

- Solve for X Algebraic Color by Number

Directions

- Read the helpful hints for solving for X. Then, print the worksheet to solve the equations. You can finally color the picture in to see your final creation.
