"Power up with breakfast ...
Eat breakfast at school to boost your brain and body power!"

July 30, 2024

Dear Parents/Guardians:

As we all recognize that hungry children cannot learn, the first step is ensuring that all students begin the school day with a nutritious breakfast at home or at school. The School Breakfast Program helps to make sure all of our students start the school day alert, well-fed and ready to learn.

The School Breakfast Program is available to all students every school day in the morning starting at 7:00 AM – GHS; 7:30 AM – GMS; and 8:45 AM - GES. Your child can attend every day or occasionally. These supervised meals provide your child with one-fourth of their nutritional needs each day.

School breakfast is tasty and nutritious. It is an ideal solution on mornings when kids are running late or parents have early commitments. It is also a wonderful way to make sure your children have a balanced meal to start each day. Try breakfast at school today!

Children from households whose income is at or below the levels set by the federal government may be eligible for **either** free or reduced-price meals. To apply, visit our school website: www.griswoldpublicschools.org, then click on departments and Food Services. Applications are also available in each school's main office.

If you do not qualify for free or reduced meals, the full paid breakfast price is \$2.50 and the full paid lunch price is \$4.00 for the 2024-25 school year.

Sincerely,

Tom O'Connor,
Food Service Director
