HOW CAN I PAY MY CHILD'S SCHOOL FEES AND ADD FUNDS TO MY CHILD'S CAFETERIA ACCOUNT?

Parents/guardians need to create an account with PaySchools Central (if one hasn't already been created) in order to submit online payments. The site can be accessed via an online portal or via a convenient mobile app. Go to our [PaySchools Central webpage](#) to pay school fees and add funds to your child's lunch account.

You can also **apply for free/reduced meals in PaySchools Central**. If you qualify for free/reduced meals, you may be eligible to have your child's *school fees waived*, but you must say **YES** in the "Sharing Information with Other Programs" form found in [FinalForms](#).

A Note for Crim Elementary Families: Crim Elementary participates in the Community Eligibility Provision (CEP) under the National School Lunch Program (NSLP). Under this option, *all children in the school receive a breakfast/lunch at no charge*.

However, to determine eligibility for various additional state and federal program benefits that your child's school may qualify for, such as the **school fees waiver**, please complete, sign and return the [HOUSEHOLD INFORMATION SURVEY](#) to the Crim office if your income falls within or below the guidelines listed in the chart. You must also say **YES** in the "Sharing Information with Other Programs" form found in [FinalForms](#) to have your child's school fees waived.
