3. Reflect student representation on school related issues.
4. Monitor student funds.

A.S.B. Activity Cards

A.S.B. designation may be purchased in the cashier's office. The A.S.B. card may offer reduced prices for dances or other school-related events. The A.S.B. card is required for any student participating in co-curricular activities. With an activity card you receive reduced admission fees at THS sporting events.

Attendance Policy

The regularity of attendance is a major contributing factor in reaching the instructional objectives of a course. The following procedures have been designed by the Tahoma District staff to develop cooperation between parents/guardians and school authorities in order to assist students in establishing lifelong habits of reliability and promptness. Laws of the State of Washington specify that parents have the primary responsibility for ensuring the attendance of their students at school. The law furthers states that students shall be regular and punctual in attendance. This law governs all absences, including excused absences.

Bulletin Boards

All posters and written information distributed to students are to be approved by the principal or the activities coordinator before they are placed on a bulletin board or wall.

Bus Passes

Students planning to get off the bus at a stop or ride a bus other than their regular arrangements must present the bus driver a pass issued from the main office. To obtain a bus pass the student must bring a signed note from their parent/guardian granting permission. The note must include the address and bus number for the requested bus pass. Transportation home must be provided by parents. The request for all bus passes must be presented to the office prior to 10:30 a.m. There will be NO bus passes issued on early release days or the last day of school. All bus passes are subject to seating availability.

Bus Transportation

Buses will load and unload in the bus zone. The driver is in full charge of the bus and the students. Students are to obey the driver promptly and willingly. Buses have the right-of-way when leaving the campus. Parents who provide transportation for their children should deliver and pick-up their students at the side of the school building. Students being dropped off by parents shall not be on campus prior to 7:40am.

Closed Campus

Maple View Middle School is designated as "closed campus," which means students CANNOT leave the school grounds once they have arrived, even if first period has not yet started. In addition to being a closed campus, Maple View has areas where students are not allowed except for instructional purposes. These restricted areas are the parking lots, behind the gym, bus loading areas, and the areas behind the portable classrooms, neighboring park, and other unsupervised areas. Students are reminded that the woods surrounding the school are considered off campus areas and are off limits once students arrive at school. Violation of these regulations will result in disciplinary action.

Fines

Fines and/or fees are imposed for materials that are not returned or have been damaged. Yearbooks or other items may be withheld until all fines are paid, students may not be able to participate in sports or honor level programs.

Flower/Gift Deliveries

Please do not send flowers or balloons, or food deliveries to your student here at school. They will not be delivered. The student will receive a note to come to the main office and pick up the delivery at the end of the school day.

Health Care Services

To comply with the Family Rights and Privacy Act, we keep a record of the health care services that we provide to each student. You may ask to see a copy of your student's record. You may also ask us to correct that record. We will not disclose your record to others unless you direct us to do so, or unless the law authorizes or compels us to do so. You may see your record or get information about it at the attending school. Health information pertaining to special education needs is located in the Special Services Dept. at Tahoma School District Central Services Center.

Immunization

Each student is required to meet the state's immunization standards. Information and forms are available in the front office. State regulations prohibit student from attending public schools without proper immunizations.

Leaving School at the End of the Day

At the end of the school day, unless they are attending a school-sponsored activity directly after school, students are expected to ride home on the bus or with their parents/guardians. Students will not be allowed to ride home with unauthorized individuals prior to the end of the day without written permission from a parent/guardian. This includes neighbors, friends or older siblings. Students must be accompanied by a parent/guardian for events that begin after the end of the school day. Students are not allowed to walk off campus.

Library

Students are welcome to come to the library on their own before and after school, during lunch, or during class with their teacher's permission to check out books, read, study, or relax. Library materials may be checked out for two weeks, with the exception of textbooks which have a 3-day circulation period. Computer generated emails are sent out for overdue books, and a fine for the replacement of the book is assessed once a book is 30 days past due.

Lost and Found

A lost and found service is maintained. Students should turn in all items found for which ownership is unknown to the main office. The lost and found will periodically be donated, so please check for your items when you notice them missing.

Medication

Medications (including aspirin or allergy medication) that are intended to be self-administered are restricted to the following guidelines:

- A State required form needs to be completed by a physician and signed by parent for student medications to be administered by the school nurse.
- contained in the original, labeled bottle
- accompanied by a parent note on file in the nurse's office or retained by the student

Nurse's Office

We have a nurse available 6 hours a day to administer medications, respond to emergencies, fulfill state requirements for vision, hearing and for scoliosis screening, assist in student personal hygiene needs, and determine whether or not a student is too ill to be at school. A student running a fever is considered to be contagious and will need to be picked up.

Prior to the Start of the Day

At the start of the school day a student shall have a pass before entering the building. Students are invited to be on campus at 7:40am.

School Visitations

Students are not permitted to bring visitors to school. Parents/guardians are welcome at any time; please stop by the main office for a Visitor's badge.

Student Activity Program

The student activity program at Maple View Middle School is designed to offer all students a balanced set of extracurricular opportunities. In addition to the student government organizations, there are clubs formed by students with common interests. Each club has a staff advisor and plans its own activities. Clubs are part of and responsible to the Associated Student Body organization.

Student Privacy

The right to privacy is a fundamental tenet of human liberty. District staff shall take particular care to respect students' privacy. At the same time, they must protect the health and safety of all students and promote the effective operation of the schools. Therefore, only designated personnel shall have the authority to conduct student searches. They shall do so only upon reasonable cause and in a manner prescribed by district policy.

A student shall be free from searches of his/her clothing and other personal property unless there is reasonable cause to believe that something is concealed that may be stolen, an illegal substance, or of immediate danger to the student or to other students. School officials shall request the student to remove all items from pockets, backpacks, bags or other personal effects.

Textbooks

Each student is responsible for issued textbooks. Fines will be assessed if they are lost or damaged. New books should be immediately protected with book covers.

Telephones / Cell Phones

Students will be allowed to use the classroom or office telephones only at staff discretion. Students must have a pass from the classroom teacher to use the office telephone during class time. **Students may have cell phones here at school, but they are not to be on or visible during school time (bus to bus).** We are not responsible for theft or loss.

DEFINITIONS AND PROCESS

Absences

If your student is absent for any reason, please notify the attendance office at 425-413-5500. Upon returning to school, students are required to clear all absences. Please help your student clear all absences by sending a note with your student when they return. This note should include the date of absence, current date, parent/guardian signature and the reason for the absence. Students with excessive absences may receive a letter informing them about "Becca Bill" requirements.

Awards Assembly

In June students and their families may be invited to a special awards assembly for a variety of outstanding student achievements. Special awards certificates and/or trophies will be presented for such areas as academic achievement, and department awards.

BEARS Bucks

Acknowledgement of positive behaviors which may result in prizes and other forms of recognition.

Early Dismissal

A student who needs to leave before the end of the day must be signed out by a parent/guardian through the main office.

Excused Absences

Illness, family emergencies, (i.e., funeral or serious illness), and appointments of a medical, dental or legal nature represent excused absences.

Future Ready Awards

Staff will nominate students who exhibit Future Ready Skills.

Homework

It is the student's responsibility to get missed assignments for the times they are absent. This can be done by contacting the classroom teacher. Homework can then be received in the attendance office. Please note that a 24-hour advance notice is required to obtain homework from the attendance office.

Morning Late Arrival

If a student arrives late to school or does not arrive at his/her first period class by 8:00am for any other reason, he/she must stop in the office for an admit slip.

Parental Absences

RCW 28A.225.0101 places the responsibility of student attendance on the parent or legal guardian. Absences other than those defined as excused, given the permission of the parent or legal guardian, are considered parental absences. Parents/legal guardians should understand that any absences will affect academic progress. For this reason, we recommend that parents plan ahead with pre-arranged absences.

Personal Property

The following are examples of items which are not specifically related to the learning process. These items may be confiscated and held if brought on campus: Skateboards, rollerblades, electronic toys, laser pointers, earbuds, headphones, phone chargers, speakers, toys/collectibles, costumes, costume accessories, blankets, or any other items causing disruption or potential risk.

The school is not responsible for the loss or theft of personal valuables.

Pre-arranged Absences

Absences for other reasons may be excused if the student presents a written request to the attendance office prior to the planned absence. The student will be given a pre-arranged absence form which should be signed by each teacher and then returned to the attendance office. Students must return the signed form to the attendance office prior to the absence.

Homework requests for pre-arranged absences need to be made 3-5 days prior to the absence. If the teacher is able, homework will be available. Otherwise the student will make up homework upon returning. Although homework may be made up, lack of classroom participation during a pre-arranged absence may affect the student's grade.

Tardiness

A student will be marked tardy by the teacher if he/she is not in his/her classroom when class starts. If a student arriving tardy does not have a signed pass to class, the tardy will be considered unexcused. It is the responsibility of the student to obtain a pass prior to leaving the previous staff member. Students are subject to discipline and possible loss of academic work for excessive tardiness each semester.

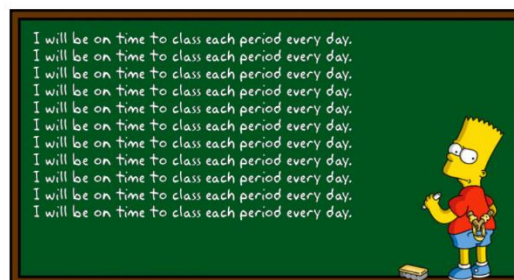

Truancy

Truancy is defined as absence from school or class without the knowledge and consent of the parent/guardian or absence from school or class once arriving on campus without the knowledge or consent of the school staff. Students may be denied the opportunity to submit academic work.

Tardies

Students with 3+ tardies in one week will have a closed lunch.

Tardy counts will be pulled from Skyward each Friday.

Students with a pattern of closed lunches for tardies may receive after school detention.

COUNSELING SERVICES

The Counselor focuses on the personal, social, and educational needs of all students. The Counselor is an important resource for all students, staff and parents/guardians.

School Counselors

Maple View Counselors are professionally trained and certified to work within the school setting with students, parents, teachers, administrators and agencies within the community. The Counselor coordinates guidance programs to help students acquire skills in the social, personal, educational and career areas necessary for living in our society. The Counselor is a specialist trained to provide prevention and intervention services and to meet the educational and mental health needs of students with the public-school system.

Specific services provided may include:

- classroom guidance activities
- group/individual counseling
- academic counseling
- crisis prevention & intervention
- assistance & consultation for parents
- liaison between students, parents, and staff

As an additional way to connect to, and get needed support, the STAR program helps students identify their goals and potential obstacles, meet with an adult, and determine if there are added ways to help students or unknown needs that we can help students meet. Keeping with our Arms Locked Hearts Full approach, STAR is one more resource that aims to help connect with students and increase their sense of belonging.

ACADEMIC REPORTING

Reports cards are issued through electronic means. **Please check Skyward regularly.** Semester grades are recorded and maintained in each student's permanent record. In addition, parents and students will be notified via progress reports approximately five (5) weeks into each quarter regarding the quality of the student's work in each class.

Weekly academic surveys are available in the counseling center for students to pick up at parent's request.

PARENT CONFERENCES

Parents/guardians are encouraged to communicate regularly with teachers regarding their student's progress. Student Led Conferences will be conducted in November. Parent(s) will meet with their student to discuss educational progress and future plans. Parents may also schedule a parent/teacher conference throughout the year by calling the counselor or the teacher. Because teachers are with students most of the day, email is the most efficient way to communicate factual information with a teacher. However, if there is a concern that involves a discussion, a phone call or conference usually works best.

MATERIALS

Students are required to come to class each day with the necessary supplies to be ready to learn. Supply lists can be found on the MVMS website: <http://www.tahomasd.us>

HOMEWORK AND ASSIGNMENTS

Students should expect homework to be assigned. Homework and assignments are extremely important, and are included in determining the academic grade for a given class. Homework and assignments are expected to be completed to the best of your ability and on time. Late homework and assignments may result in a lower grade.

Opportunities are provided to help you with your homework:

- Individual assistance from the teacher
- Homework Center is open most Tuesdays, Wednesdays, and Thursdays after school. Students will receive assistance on homework and assignments on these days.

LATE WORK

Students are responsible for any work missed when absent. Upon parent/guardian request, the attendance office will request homework and assignments from your teachers. Request for homework and assignments must be made 24 hours in advance and after 2 days.

In the event of excused absences, the student will have one day for each day missed to complete work for full credit as determined by the quality and completeness of the work. The student is responsible for requesting and obtaining missed work from the teacher.

LUNCH TIME

Maple View operates three lunch periods. Students are expected to eat in designated areas. Food and drinks are not permitted in the school hallways and may be subject to confiscation (exception: bottled water). During lunch periods students may choose to play games if offered, go to the library, or visit with friends.

INCLEMENT WEATHER

We occasionally miss a day of school or begin two hours late due to inclement weather. Communication will come from the district to inform families of delay or closure.

NATURAL DISASTERS

One of the important responsibilities for any school district is to provide for the safety of students in the event of an emergency or natural disaster. Parents and students should be aware of the following:

- If the event occurs during the time students are coming to school, buses will continue to school rather than returning students to their bus stops.
- Students will remain at school, and will not be released or returned home unless/until conditions allow them to be returned safely. In extreme cases this could involve remaining at school overnight(s).
- Parents/Guardians are advised not to remove a student from the school grounds unless they have first checked with school officials and the student has been checked out. Students will not be released to neighbors, friends, or relatives unless written permission is sent, or they are designated on the emergency contact form.
- Parents should avoid calling the school. The phones may be needed by school officials for emergency communications.

RULES AND POLICIES

Your responsibility lies in following these guidelines and the encouragement of your peers to do likewise. In addition to the rules that follow, teachers will have specific policies and regulations of which students will be informed, in writing. The specific policies and regulations of the staff will be posted in their classrooms. Students are to follow the school and classroom rules and regulations.

Lastly, any activity that violates state law is also prohibited under district policy.

Tahoma School District Dress Code (Administrative Procedure 3224P)

The student and parent/guardian may determine the student's personal dress and grooming standards. Administrators may regulate a student's dress and grooming when they reasonably believe that it:

1. Implies gang membership or affiliation;
2. Is related to hate groups or hate speech;
3. Will create a health or safety hazard. Hats/hoods, if worn, must still allow for the student to be identifiable;
4. Will damage school property;
5. Will create a material and substantial disruption of the educational process; or
6. Contains messages on clothing that are inconsistent with the educational mission of the school district, including those that are:
 - a. Alcohol related;
 - b. Drug related;
 - c. Lewd in nature;
 - d. Sexual in nature; or
 - e. Tobacco related.

In addition to #1-6 above, students must wear the following:

1. Tops that cover private areas with non-transparent (opaque) material.
2. Bottoms that cover private areas, including the buttocks, with non-transparent (opaque) material.
3. Footwear appropriate for the given activity.

Staff will use reasonable efforts to avoid applying this policy in a way that singles out or embarrasses a student in front of other students.

Periodic training for administrators will be provided to support consistent implementation. Administrators are required to ensure that all staff are aware of and understand the guidelines of this policy and procedure.

The administrator, in connection with the sponsor, coach, or other person in charge of an extracurricular activity, may regulate the dress and grooming of students who participate in the activity if the administrator reasonably believes that the student's dress or grooming:

1. Creates a hazard to the student's safety or to the safety of others; or
2. Will prevent, interfere-with or adversely affects the purpose, direction, or effort required for the activity to achieve its goals.

If the student's dress or grooming is objectionable under these provisions, the administrator will request that the student make appropriate corrections. If the student refuses, the administrator will notify the parent, if reasonably possible, and request that the parent make the necessary corrections. Students may be subject to corrective action if circumstances so warrant. Students who violate provisions of the dress code relating to extracurricular activities may be removed or excluded from the extracurricular activity for such period as the administrator may determine. All students will be accorded appropriate due process safeguards before any corrective action may be taken.

Students identified as being gang involved, influenced or affiliated will be provided assistance and/or programs which discourage gang involvement or affiliation, enhance self-esteem, encourage interest and participation in school or other positive activities and promote membership in authorized school organizations.
