ADMISSION POLICY

The Santa Rosa Early College High School (SRECHS) follows the school within a school model. For admissions, students are chosen through a weighted lottery that favors students who are at risk or who are part of the targeted subpopulations for the ECHS model. Specifically, students who complete all required paperwork to be part of the ECHS 9th grade cohort are then given an Early College High School Commitment/Application where all relevant PEIMS data is pre-slugged based on the district's database. Once the Commitment Form is returned to the home ECHS campus, all students who returned the form will go into the lottery one time. A student will go into the lottery an additional time for each of the following identified PEIMS measures: At-Risk, Hispanic, economically disadvantaged. Therefore, a student's name can go into the lottery anywhere from one to four times depending on the PEIMS indicators.

SRECHS Entrance Requirements

- Students must be in the 8th grade and be promoted to the 9th grade.
- Students must be in good academic standing.
- Students must complete an application packet.
- Students must meet expectations on the required mandated state assessments.
- Students must meet Compulsory Attendance Law

Santa Rosa Early College High School Student-Parent Contract

As long as I am a Santa Rosa Early College High School (SRECHS) student and attend TSC the Student-Parent Contract requirements remain in effect. The requirements are listed below but not restricted to the following:

- I understand as long as I am a SRECHS student and attend SRECHS/TSC I will adhere to maintaining a demeanor and appearance that is of a professional standard on and off campus.
- I understand I am expected to achieve and maintain exemplary academic status each marking period.
- I understand it is imperative that I pass the TSI test as early as possible so I will be able to continue to take dual enrollment courses and earn an associate's degree. If I have not passed the Reading/Writing TSI test as early as freshman year, before registration deadline for FALL, I acknowledge that I will not be able to continue taking dual enrollment courses.
- I understand as long as I am a SRECHS student I will abide by all rules listed in the SRISD Student Code of Conduct.
- I understand that if I fail to maintain high academic standards at SRECHS I will be placed on an Academic Intervention Plan and face possible removal from SRECHS.
- I will attend all my classes on time and not have excessive absences. I understand I cannot lose credit for any of my classes due to absences.
- I will be required to replace lost or destroyed property, including textbooks.
