IB History Y2 (Banas)

- ☐ Following up on the day that I came into your Y1 class, I would like you to finalize your topic and question with me over the summer. Ideally, you will also identify some books by historians that could be of use to you. I have uploaded a document to Classroom for you to fill in during the summer. I will comment on the document to confirm your topic and question.
- ☐ In addition, I would like you to read the first two chapters of Spence. I've scanned them as a PDF and uploaded them to Classroom. To ease you into this book, which is likely more dense than books you've worked with, [I created a reading guide for these first two chapters](#). Complete the reading guide on Classroom.
