

Cooperative Programs and Services

The Ralston Board of Education supports cooperative efforts whenever possible with other local, state and regional entities in matters of common concern. Before joining any cooperative effort, the Ralston Board of Education will consider the best interests of the Ralston student population. The cost to the District of development and/or delivery of such cooperative efforts will be limited to a proportionate share. The Superintendent or designee will include in reports to the Board of Education an evaluation of current cooperative efforts. Programs, and the cost of the programs, that are authorized by the Learning Community of Douglas and Sarpy Counties, and involve Ralston Public School students or facilities, require approval by the Ralston Board of Education prior to implementation.
