Student Appearance

Any manner of dress, hair style, make up, or personal hygiene that

- Constitutes a threat to the safety, health, or welfare of the student or others;
- Violates any statute;
- Interferes with the education process, or that school officials can reasonably predict will interfere with the education process; or
- Causes or may cause excessive maintenance problems in the school

may be grounds for corrective or disciplinary action. The superintendent or their designee may institute specific dress code regulations in any school consistent with board policy.
