

**5032
Campus**

The school campus is a closed campus with the exception of high school seniors, who by their behavior and academic progress have earned the ability to leave campus for lunch and either late start or early release. All other students shall remain on the school campus during the hours that school is in session unless released by the building principal or building principal's designee. The building principal or designee will release a student only upon confirming that the student has permission from a parent or an authorized adult. Nothing in this policy shall prevent the school from sending a student home when the student is ill.
