TWISTER

Foreword

In years to come may this book bring pleasant memories to all of you. May you reap well from what you have sown during your golden years in Field Kindley High School.

It snowed one day!

Remember those days in
ROOSEVELT JUNIOR HIGH?

Dedication

We, the 1957 Twister staff, do hereby dedicate this book to our friends and teachers, Miss Florence Hoover and Mr. Swan L. Highbaugh, who are leaving G. H. S. after having devoted many hours of unselfish service for their school and community.

Miss Hoover, after being with the Coffeyville school system for 32 years, and Mr. Highbaugh, who has been here for 34 years, are retiring from the teaching profession. Their patience, co-operative spirit, and personal service has endeared them to everyone.

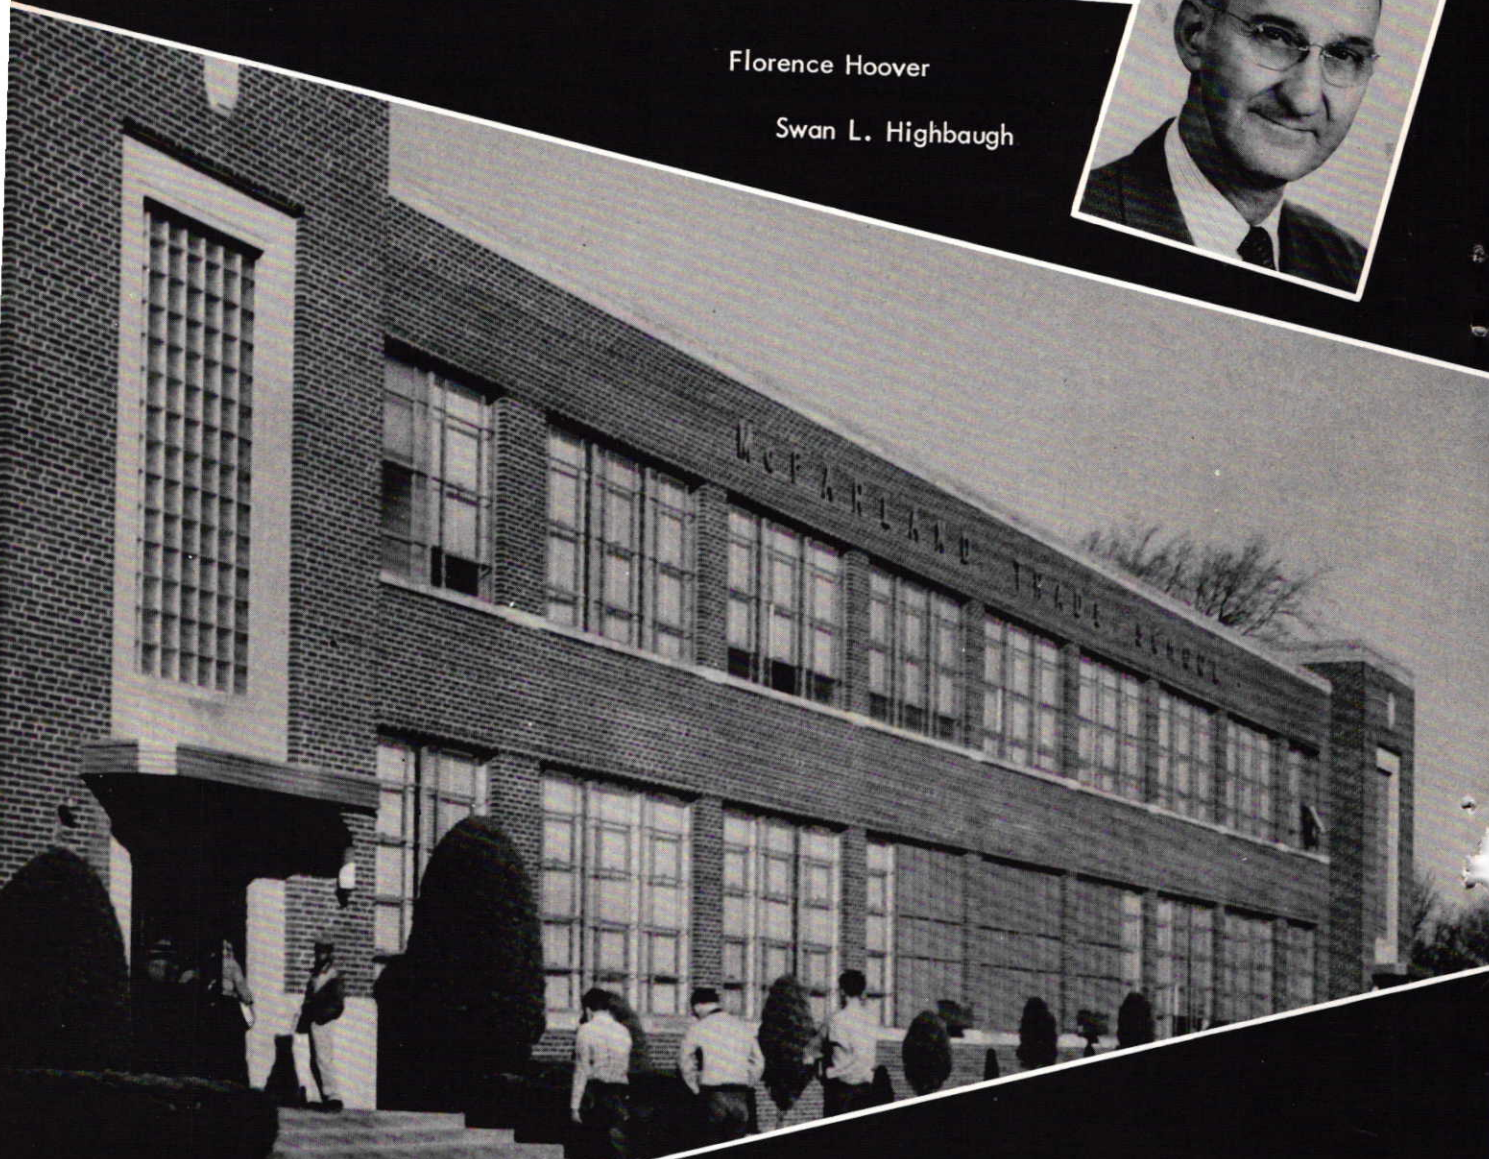

We sincerely hope that good fortune will be with them through the coming years.

Class History

The Senior Class of 1957 entered Field Kindley in a storm of excitement. With Denise Bray heading the class, assisted by Dick Colliver and Donna Casey, the "scared sophomores" started to leave their impression in C.H.S.'s history. Since we had the largest percentage in Sigma Pi, we quickly acquired the title, "The Brains". David Seaton was our nominee for King Kay VI. We had several sophomores help win the eighth straight state championship in swimming. Those boys were: David Seaton, Jack Alwood, Dick Colliver, Larry Spencer, and Steve Ellis. Also in sports, four sophomores were on the Tornado football squad. They were: Otha Fields, Bill Hader, John Beeson, and Charlie Thurston. Judy LeClere was the only sophomore cheerleader.

As "Juvenile Juniors", we elected Phil Logan President with Sharon Bonham and Jolayne Kraft as his helpers. David Seaton was also our candidate for King Kay VII, along with being Vice-President of the Student Council. The Junior Play, "Father Knows Best" will be remembered as one of the best. The Junior-Senior Reception and Prom furnished the Seniors with the mystic theme of Candyland. Outstanding in football their Junior year besides the four mentioned above were: Larry Wagner, Delbert Fahler, Jerry Levy, Larry Collins, Jim Reese, Roger Hollyfield, Don Brunger, Tom Buster, Phil Logan, Larry Miller, Dick Colliver, Richard Romig, Bill Wilson, Walter McAlister, Art Alderman, Ray Lester, Joe Leming, David Morrow, Warner Bullock, Claude Kimbrel, Gary Davidson, Lewis Paxton and Steve Ellis.

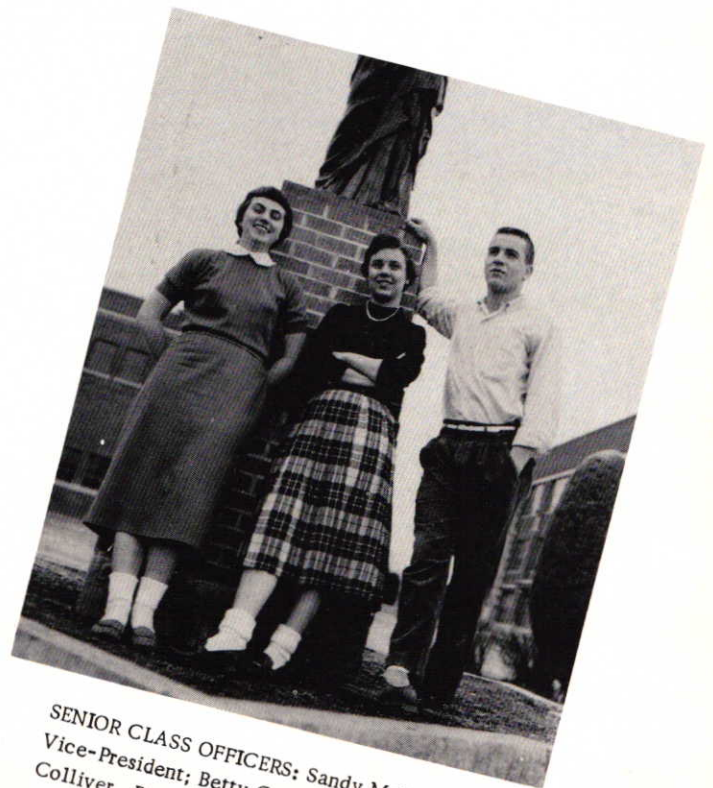

The fore-mentioned swimmers also worked hard for their Junior year. On the Tornado Basketball team were: Otha Fields, Bill Wilson, Charlie Thurston, Vencent Knight, Larry Miller, and John Beeson. Betty Gray and Judy Caraway were chosen cheerleaders to work with Judy LeClere. Sandy McNabney, Donna Casey and Denise Bray represented C.H.S. at Girls State 1956. At Boys State were: Larry Miller, David Morrow, Jerry Levy, Phil Bowman, and David North.

As "Snappy Seniors" we elected Dick Colliver President, Sandy McNabney Vice-President, and Betty Gray as Secretary. Gary Losh was band drum major while Jeanette (Ross) Bates held the honor for Drum Corps. The Senior Play, "Fog Island", was very successful and held the large audience in suspense. Dick Colliver was our candidate for King Kay VIII.

Our contributions to the C.H.S. royal family were, as Sophomores: Judy LeClere, football attendant and Donna Casey swim attendant. As Juniors, Judy LeClere was basketball queen, Betty Gray was basketball attendant, and Sharon Bonham and Donna Casey were swim attendants. Also, Joyce Stout reigned as relays queen, and Denise Bray was relays attendant. As Seniors, Karolyn Kastler was football queen with Beverly Suggs as her attendant.

At the time of this writing the themes for the spring activities which include a large number of seniors had not been chosen. But, we do know that on May 3, 1957, the Juniors royally entertained the Seniors as the annual reception and prom. Also, the Senior Class Day program was held and much enjoyed by the entire Student Body.

These past three years of excitement and flurry were brought to a close on graduation day, May 24, 1957. Although we won't be around Field Kindley anymore, the class of '57 will go down in C.H.S. history as one that will never be forgotten.

Class Will

We, the Senior Class, better known as the class of champions, do hereby establish this to be our last Will and Testament.

I, Richard Romig, do leave Mrs. Rush. . . I, Charlie Thurston, bequeath my height to be fought over between Larry Wooten and Gary Karr. I, Dick Colliver, leave with the name "Birddog." We, the 5th hour choir, do leave Mr. Crow in a state of shock. I, Karolyn Kastler, will my little brown station wagon to little sis, Nancy. I, David Morrow, present my crutches to next year's football team. I, Jerry Levy, leave C.H.S. by request. . . I, Jack Alwood, do leave my greasy mechanic hands to Raymond Jarman. I, Jim Thomas, leave my safe driving ability to Dick Downey. I, Gene Hastings, do leave my terrific journalism ability to Casper Schiestle. I, Margaret Lamson, do leave my ability to "go steady" to Connie Butterfield. We, the senior athletes, do leave our broken training rules to the class of '58. We, the senior D.C. girls, leave to the junior "couples" our lovers lane outside the drum room. I, Denise Bray, don't have anything to leave except my elevated shoes, which I bequeath to Charlotte Rutledge.

Class Prophecy

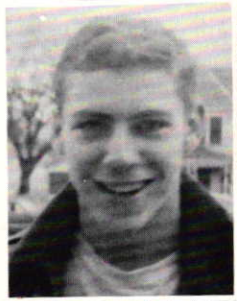

Through the medium of our own private yogi system developed by Bob Gandt, we, the seniors, have suddenly seen our future 20 years revealed in all its glory.

It seems veteran horse-man Phil Logan has a prosperous bookmaking business at Santa Anita until FBI man, Jack Alwood, raided the joint and disillusioned our booky friend. Jackie Isham had risen to new heights in the glamor world being recently crowned "Miss Spray Net of 1977". Tom Allen has landed a fat job as Chemistry Prof at Harvard University. Bev Suggs is still plugging along trying to reach success as a bubble dancer. The swimming squad has been hired to entertain the porpoises at an amusement park. Larry Wagner has become famous as a continental romeo, which explains why Anita Coday has spent the last 20 years drawing pictures of Wag in her secluded hideaway. Rodney Lay has spent the last 20 years singing commercials

on TV for shaving creams. To top it all off, David Seaton has reached phenomenal success as a beach-comber in Tahiti.

Warner Bullock, as you might have guessed, is still vagrantly standing on the corner outside the Oasis waiting for Anita Ekberg to stroll along on a windy day. Poor old Steve Ellis just can't seem to find his racket. It seems the classy restaurant he just opened up has gone out of business because Steve couldn't stay away from the merchandise. Lynn Hunt advertises diet pills on a TV show in which Sandy McNabney plays Tarzan's mate.

That about wraps up all the really important successes, except that all the boys have managed to stay bachelors because Bucky Gillette has collected all the Kim Novak type girls in the world into the niftiest little ol' harem you've ever seen.

THE FOURTH HOUR CHOIR
directed by
Philip S. Crow

The vocal department has always had many active students. The two beginning choirs are not performing groups; their purpose is to develop the voice and are stepping stones for the other organizations.

Any student was eligible to join third and fourth hour choirs, while robed choir and the Madrigalians were selective organizations. Only juniors and seniors belonged to the selected groups.

ROW ONE: Bonnie Mitchell, Dwayne Cease, Beverly Suggs, Pat O'Connell, Sharon Brown.
ROW TWO: Keith Buttermore, Gary Rhinehart, Avanelle Kicklin, Kay Smith, Duncan Couch, Steve Crow.

The Madrigals, derived their name from the popular music of the 16th century of the European courts. This group, however, also sings folk songs and sacred music.

The Madrigalians are a select group of Juniors and Seniors that form an a cappella organization. They have appeared in the civic and high school Christmas program, Kavalkade, in the Easter Assembly and for various civic clubs.

Some of the special appearances made included programs for the Rotary and Kiwanis Clubs, the Jr. Chamber of Commerce, and other local organizations; plus participation in the annual spring city-wide music festival, and the S.E.K. festival in Pittsburg.

Charlie Thurston held the position of President along with other officers - Vice-President, Steve Crow, and Secretary, Elizabeth Moberly.

The climax of the year came when the choir was featured in the eighth annual Kindley Kavalkade.

From the first summer practice to the final drill, our 22nd year of Drum Corps holds many wonderful memories.

This organization is well known for it's outstanding marching and maneuvering ability. The director, Mr. Harvey Lewis, has taken the corps to participate in various shows throughout Kansas, Oklahoma, and Missouri.

"As Time Goes By" we will remember the annual banquet and reunion of Dec. 27, where Jeanette Ross presented the baton to the new drum major, Linda Womack.

This year was filled with many wonderful experiences which will be remembered by every drum corps girl.

BAND

Gary Losh, drum major for the 1956-57 band, led the group participating in numerous activities, which made for a very outstanding year. Performances were given at the football and basketball games, including half-time drills. This group was also invited to appear in many parades, both in and out of town.

A special featured treat was the trip to the annual "Band Day" held in Lawrence. They also participated in the annual spring S.E.K. Band Festival.

President for this year's group was Bud Moore; vice-president, Jim Bauer, and secretary-treasurer, Phil Bowman.

Harvey Lewis, the band director, accomplished making the 53 member band an organization to well represent Field Kindley.

PUBLICATIONS

Along with the responsibility of publishing the 1957 Twister, the two journalism classes edited 15 issues of the school paper, the Tornado Times. Every student had ample chance to try his skill at editing, reporting, advertising, and various other duties for the Times. Although there is an honorary staff named at the beginning of this book the annual is made up of ideas and work from all members of the publications group.

TRACK

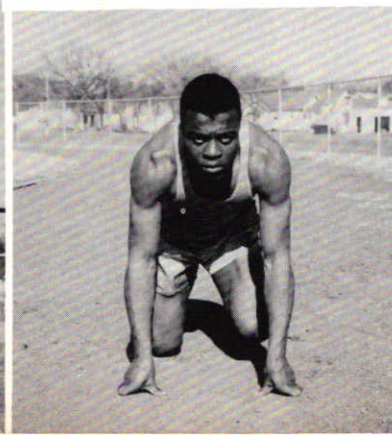

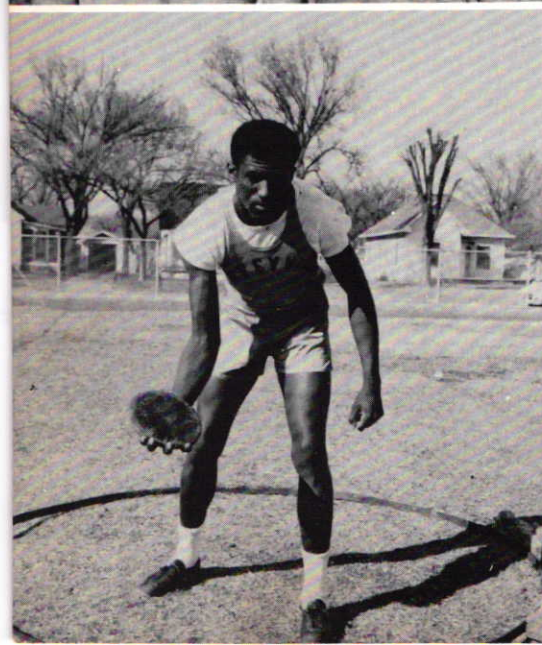

With a lot of enthusiasm, 47 Tornado tracksters were ready when called for the 1957 track season. With 14 returning lettermen Coaches Stoner and McClure looked forward to a banner season on the S.E.K. cinders. Co-Captains for this years thinclads were Larry Wagner and Johnny Rhinehart both of whom competed in the distance events for the Coffeyville team.

Early deadline for Twister copy prevented the knowledge of any socres of the meets; however, the Coffeyville group has always made their presence known in track all over the state. Besides the large group of returning lettermen from last season's squad, Coach Stoner was expecting a great deal of help from a number of very promising sophomores.

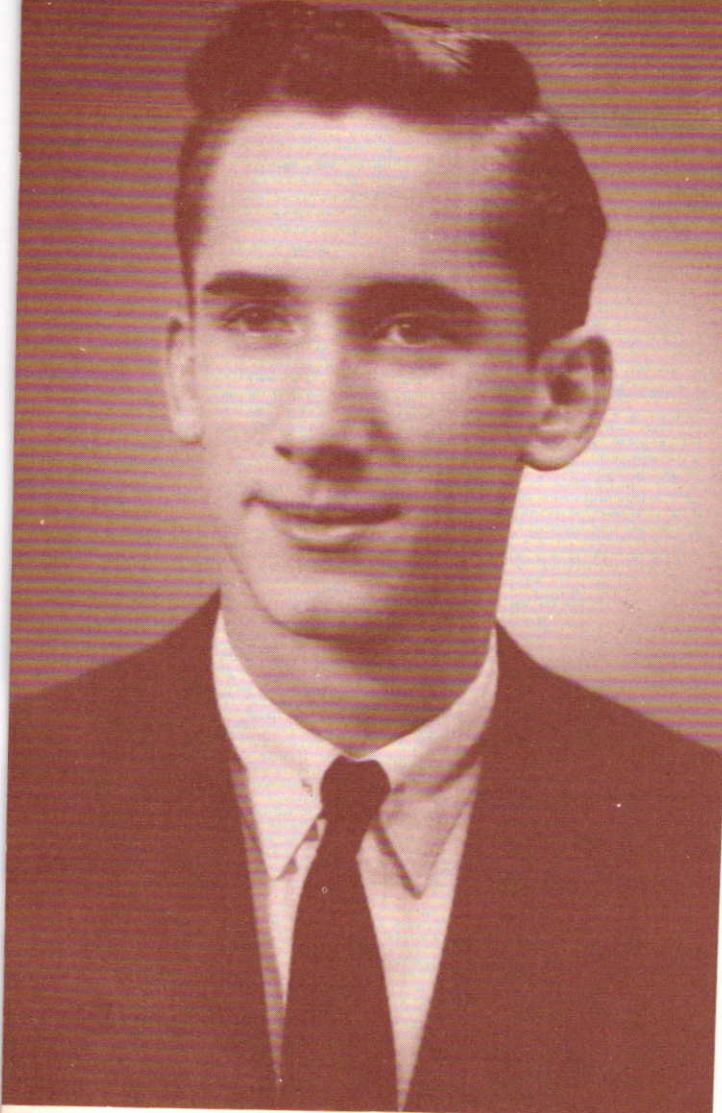

As in years past the main attraction of the cinder season was expected to be the annual Coffeyville Relays. This contest through the effort of the Coffeyville officials has become one of the outstanding track and field events in the four state area, attracting one of the largest adult followings of any high school track event.

TRADITION

The Tankers have built up a fine tradition in C.H.S. to the degree that all the other swim groups in Oklahoma and Kansas look upon Coffeyville as "the team to beat". This is due largely to the fact that Field Kindley won the state championship eight years in a row and have been victors in 90 out of their last 95 dual meets during the past ten years.

Although the Field Kindley swim team didn't bring home a state title, as they have many times in the past, they will have to rank as one of the better squads in the school's history. According to Coach Johnny Charlesworth, the '56-'57 team had the balance to win the dual meets but not the depth to take the state. This is shown in the regular season's record of seven victories compared to one defeat in inter-school competition. With the loss of only five by graduation, it is expected that next year's tankmen will carry on in a very successful fashion. David Seaton, Dick Colliver, Steve Ellis, Bud Moore, and Tom Allen are the seniors.

Breeze

The Golden Breeze team consisting largely of Sophomores also racked up an impressive season with 14 games won - 3 lost.

Van Winkle and Garland were two standouts for the yearlings and should help the Tornado next year with several others.

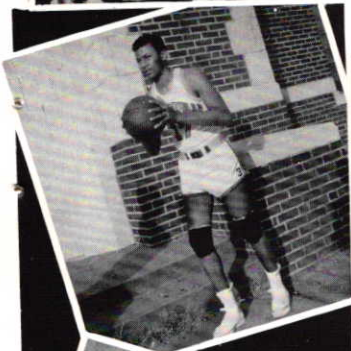

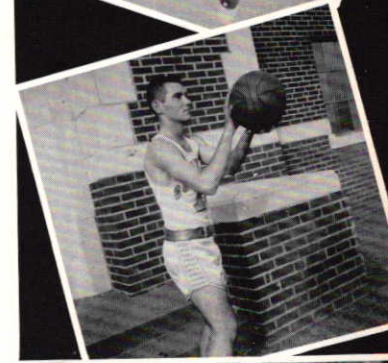

This was Coach Andy McClure's last season with the Breeze as he has gone into administrative work. He has put out many a fine cage crew.

The TORNADO-S.E.K. CO-CHAMPIONS

The 1956-1957 cagers might have been termed "the surprise team of the year." Winning 16 and losing 3 in regular season play.

With the loss of five of last year's S.E.K. co-champions including the high scoring Al Tate—Coach Cliff Currier and local fans felt that Coffeyville was in for just a so-so season especially after the Tornado dropped its second game, this, to the Indy Bulldogs 63-61. From here on the round-ball men went on to post a 14 win 2 loss record sharing the league crown with the Parson's Vikings.

Along the route the C.H.S. five dropped three strong teams from larger cities—Wichita East, Joplin, and Hutchinson. For the second straight year Parson's edged the Tornado on their home court for the right to represent this area in the state tournament, The Viking margin for these two games was a total of four points.

Vencent Knight broke the school scoring record twice, dunking in 41 points against Parsons and 45 counters in the second Indy game. He and Charlie Thurston were named co-captains for this past year's very successful basketball teams. They also made the All-S.E.K. team with Otha Fields receiving honorable mention.

Pansy Football Squad

This year's Pansy squad coached by Don Lake and Harrison Brookover finished with a record of 4 and 4. According to Coach Lake this was one of the better Pansy squads; they worked hard and had a strong desire to win. This was the first time in recent year's that the Pansies used a single wing attack. The coaches are definitely planning on using the single wing again next year and expect to have a better than average season. Outstanding players for the Pansies were Schadeberg, Scott, Pennington, Seger, and Van Winkle.

The Golden Tornado of 1956 which wasn't supposed to be too strong, went through the season without a loss. The Black and Gold ran over nine opponents climaxed by beating their arch rivals, Independence 32-0 on Ise Field.

The only bad luck the Tornado has was in the first game of the season with Joplin. Dave Morrow, first string guard, broke his leg; but Coffeyville came up with a fine replacement in Bill Beeson.

The Tornado used a new offense in a modified single wing. It was difficult to defense and the opposition wasn't able to contain it long enough to stop the Big Gold. Only one team came close, that was Chanute. The Tornado came from behind twice to win that contest 20-13.

Several members of the team were honored with All State and All S.E.K. selections. Tackle, John Beeson was on the Wichita Beacon's first team. Otha Fields, halfback and center Charlie Thurston were voted on the second team of the Topeka Daily Capitol.

On the All-S.E.K. team selected by the Coffeyville Daily Journal, practically all members of the Tornado team were picked, namely, Charlie Thurston, John Beeson, Jim Jarrett, Larry Wagner, Bill Beeson, Otha Fields, Jerry Levy, Tom Buster, Roger Hollyfield, Richard Romig, Dick Colliver, Bill Hader and Gary Davidson.

The 1956 edition of the Golden Tornado will go down in grid history as one of Coffeyville's greatest elevens.

John Ellis, Gary Karr, Gary Losh, Dave Seaton, Larry Wooten, and Roger Hall were the returning lettermen. At the time of this writing the fortunes of the golf team were not known, but it was expected that they would grab a better than average share of the golfing honors in this area.

JUNIOR RED CROSS

The high school Junior Red Cross Council has undertaken quite a number of projects this year. With the help of the entire Coffeyville council, it has made international correspondence albums, sent gift boxes to children overseas, assisted the Bloodmobile, and sponsored an all-student participation in the Red Cross first aid and water safety programs.

On August 14, the F.F.A. Chapter held its annual summer meeting, which consisted of a watermelon feed. All prospective new students and their parents were invited guests of the chapter as were also all honorary chapter farmers and the school board. Fifty members, their parents, and other guests attended.

Eight chapter members exhibited livestock at the Interstate Fair in Coffeyville. These boys: Steve McGovney, Eddie Plute, Kent Medsker, Roy Wagner, Leslie Van Winkle, Jim Lowery, Herman Erwin, and Jerry Hayes; came up with 8 blue ribbons, 10 red ribbons, 2 white ribbons, and 3 yellow ribbons.

October 18, found John Wishall, Lloyd Burdick, Jack Scovel, Jerry Bever, and Roy Wagner attending the District Land Judging Contest at Yates Center. The team did well coming out third in the contest.

About the middle of October the chapter attended one day of the National F.F.A. Convention in Kansas City. Transportation was by chartered bus and 35 members accompanied by Mr. Currier and Mr. Harris attended.

A new activity, a recreation night once a month, found the boys enjoying a swimming party and basketball games in the Jr. High gym.

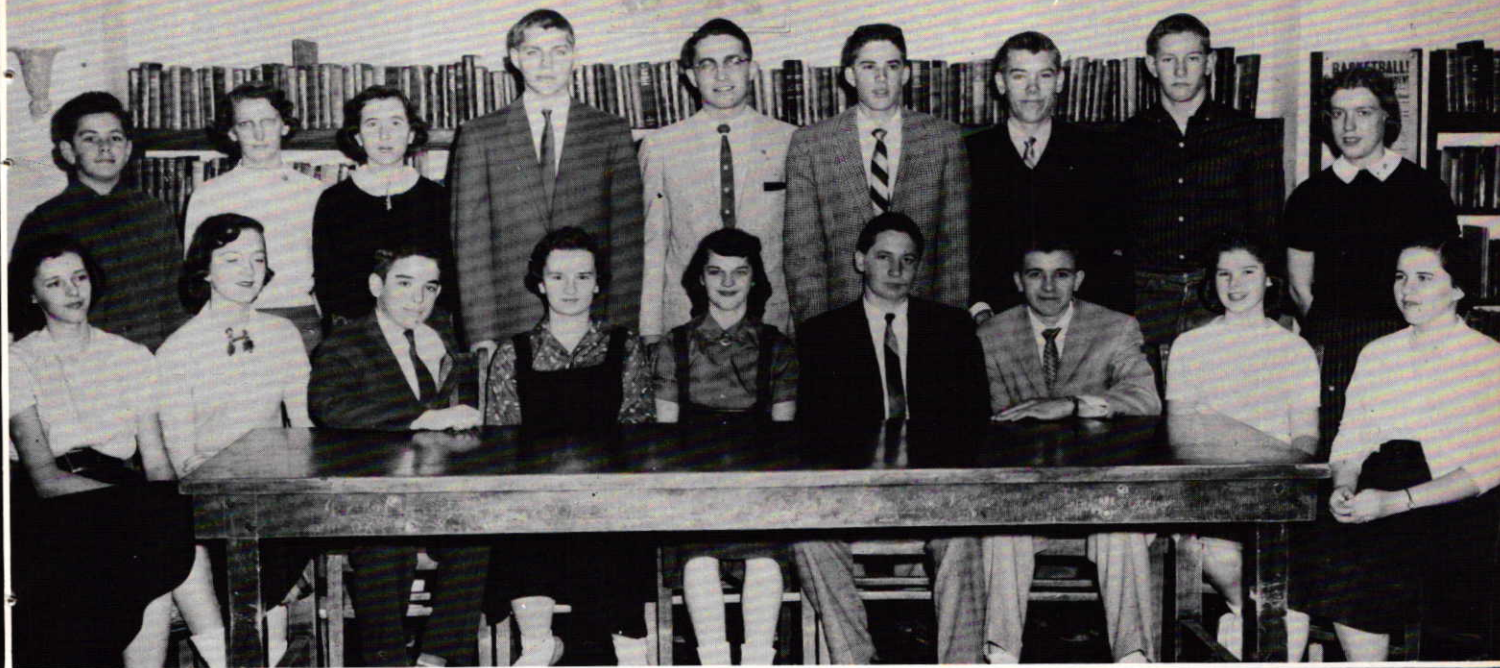

The officers of this year's organization are: Jack Scovel, President; David Ford, Vice-President; Joe Merchant, Secretary; Jerry Hayes, Treasurer; John Wishall, Reporter; and Ted Cowan, Sentinel.

DEBATE

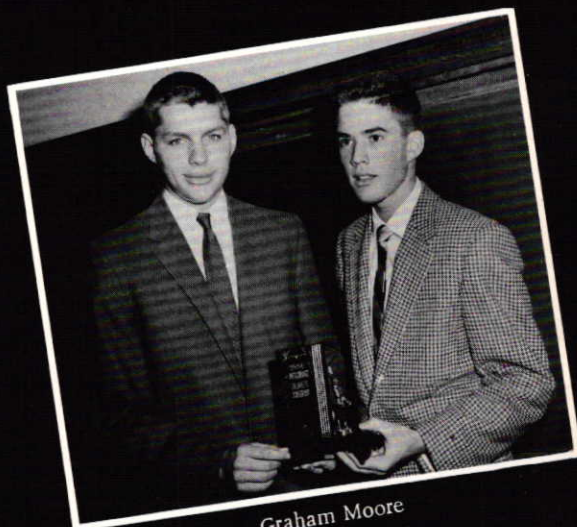

The 1956-57 debate squad of Coffeyville high school had the best record this year that it has had in a long time. As a whole, the team did splendidly, turning in a record of 73 wins and 43 losses giving them well over a 500 percentage, a percentage which many schools set as their ultimate goal. This record was piled up at these invitational tournaments: Fort Scott, Topeka, Emporia, Pittsburg, and Wyandotte.

The mainstays of this year's successful team were: David North, Bob Gandt, Pat Wettack, Tom Mummert, Harold Grundy, Dick Downey, Graham Moore, Mead Wyman, and Nisha Unsell.

The highlights of the season were at Pittsburg, where Graham Moore and Mead Wyman brought home a third place trophy; at Wyandotte, where Bob Gandt, Harold Grundy, Tom Mummert, and Nisha Unsell tied for third place; and at the district where David North, Pat Wettack, Tom Mummert, Dick Downey, Bob Gandt, and Harold Grundy won third place. The school can be quite proud of the record the team and Mr. Sappenfield have made this year debating the farm problem and the returning debaters are looking forward to a very promising season next year although we will be losing the core of this year's team, seniors - David North and Bob Gandt.

The Girls Athletic Association was organized to promote good sportsmanship, health, leadership, and enjoyment in many activities. There are 97 members this year under the leadership of Miss Barbara Keller, the physical education teacher.

Any girl who earns 600 points during the year by participating in different sports gets a letter with a "G.A.A." inscribed on it.

This year 37 girls participated in the activities at K.S.T.C. during play day.

G.A.A. officers this year are: President, Joyce Stout; Vice-President, Linda Womack; Secretary, Nancy Riggs; Treasurer, Nancy Kastler; Point Keeper, Norma Hoppock; Scrapbook Keeper, Kenny Bonham.

During this, the twenty-eighth year such activities as football, basketball, track, swimming meets, and several out of town bus trips were on the busy schedule. The Tillies planned all pep rallies and football, basketball, and track queen coronations. As community projects, they helped with the "March of Dimes" Drive and with the Union Gas Co. Cooking School To advertise activities the group made posters, distributed bulletins, sold schedule pencils, season basketball and football tickets, and football and basketball picture buttons. The Tillies ushered at the Junior and Senior Class plays.

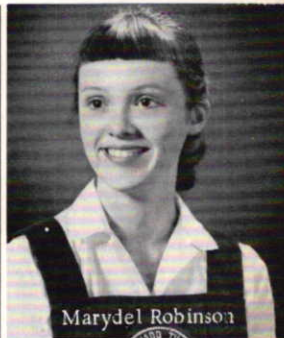

The Initiation Party for new members and the Senior Farewell concluded the very happy and eventful year of 1956-57.

As the years go by the Tornado Tillies Pep and Service Club continues to gain in activities and unforgettable memories.

The Tillies were very happy to have new uniforms this year. They were purple jumpers and gold jackets with purple sleeves. The jackets were worn for the first time at the Columbus basketball game.

The group enjoyed the annual Christmas Party and the Easter Party. Among the most treasured memories will be the 28th Annual Tillies "Starlight" Reunion held at the Dale Hotel the Friday night following Thanksgiving.
