Co-Captains

Kendall McNabney - Charles Colliver

The Tornado cindermen began another successful track campaign with the seniors, led by co-captains Kendall McNabney and Charles Colliver, coping the inter-class meet.

The thinclads turned up for the annual Independence duel meet by trouncing Fredonia. A week later C'ville dumped a good Independence team, which was destined to win the SEK crown.

Then in one of their season's top performances the Purple and Gold finished second only to Shawnee Mission which is one of the top two teams in the state.

Seeking to season their underclassmen, Coaches Stoner and McClure used the sophomores and juniors sparingly in winning the Sedan-Caney meet.

For the second year in a row the locals ran away with the Coffeyville Relays title. Outstanding were the performances of the Tornado co-captains who were both double winners.

Climaxing league competition the Tornado tracksters were edged by Independence for the league crown in the SEK meet. The locals had dumped Indy twice previously in the season.

Indy, led by Tidwell, again triumphed in the regionals but the Tornado sent eight men to the state. They were as follows: Greene, Goodbar, McNabney, Ridgway, Colliver, Britt, Grubbs, and McCool. How these men fared in the state contest was not known at the time of this writing.

Fourth row—Harold Allen, Martin Ryan, Bill Inman, Robert Moyer, Don Leach, Ray North, Roger Turner, Bob Cameron, Ken Francis. Last row—Cliff Currier, Andy McClure, Oren Stoner.

The Golden Tornado football team, coached by Andy McClure, won their second straight S.E.K. championship and placed 3rd in the state poll by the Topeka Daily Capital.

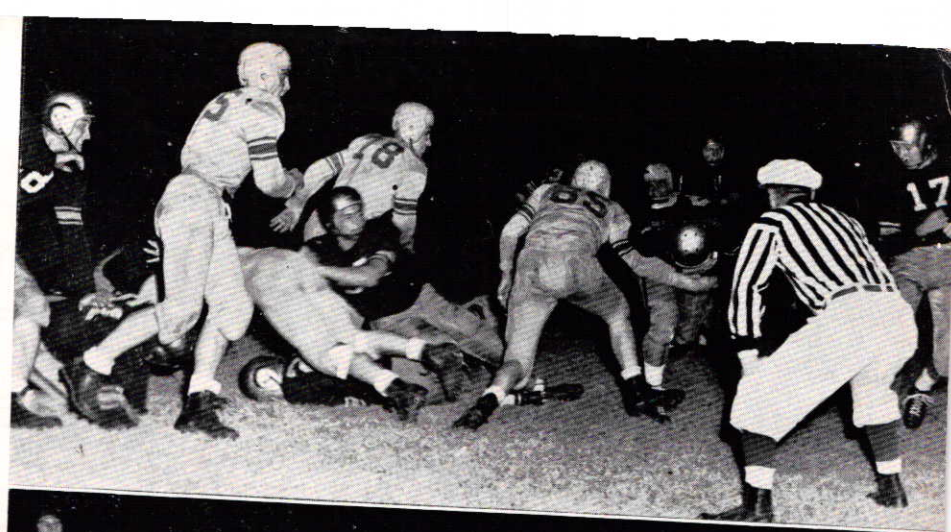

The Tornado started its season inauspiciously by being defeated by the Ark City Bulldogs 7 to 0 who wound up number one in the state standing. In the first league game the McCluremen trounced the Columbus Titans 29 to 7. Then on the 2nd of October the Golden boys traveled to Parsons to meet a very tough Viking eleven, but came back with the second win of the season, downing them 28 to 7. Again hitting the road, the Java-Towners clobbered the Tigers at Ft. Scott 39 to 6.

Chanute Comets were the next to fall by the wayside when we touched them 27 to 6. The Tornado met the rampaging Bartlesville Wildcats next on the home field and sent the visitors back with a 14 to 12 defeat. This was one of the better games of the season. With one of the most important games just around the corner, the Golden Tornado practiced extra hard. This game was rated as a toss-up, but the Tornado surprised even themselves by handing the Pittsburg Purple Dragons the worst defeat they have ever suffered by an astounding 50 to 7 score.

In the last home game the following week, the McCluremen were supposed to let up but instead, sent the Iola Mustangs back to Iola with only 7 points to the Tornado's 33. The S.E.K. championship was at stake in the next game. Neither team had lost a league game and both were rated high in the state standings. The Independence Bulldogs were favored as the game was played on their field, but the B-dogs were very much surprised by the good ball handling and alertness of the Tornado. The Pups left the stadium with a 22 to 0 defeat and the Golden Tornado had another championship—the fifth in the past eight years.

THE PANSIES

The Pansies completed their second undefeated season in the past fifteen years. They rolled over some of the toughest teams with great ease and piled up at total of 114 points to their opponents 39.

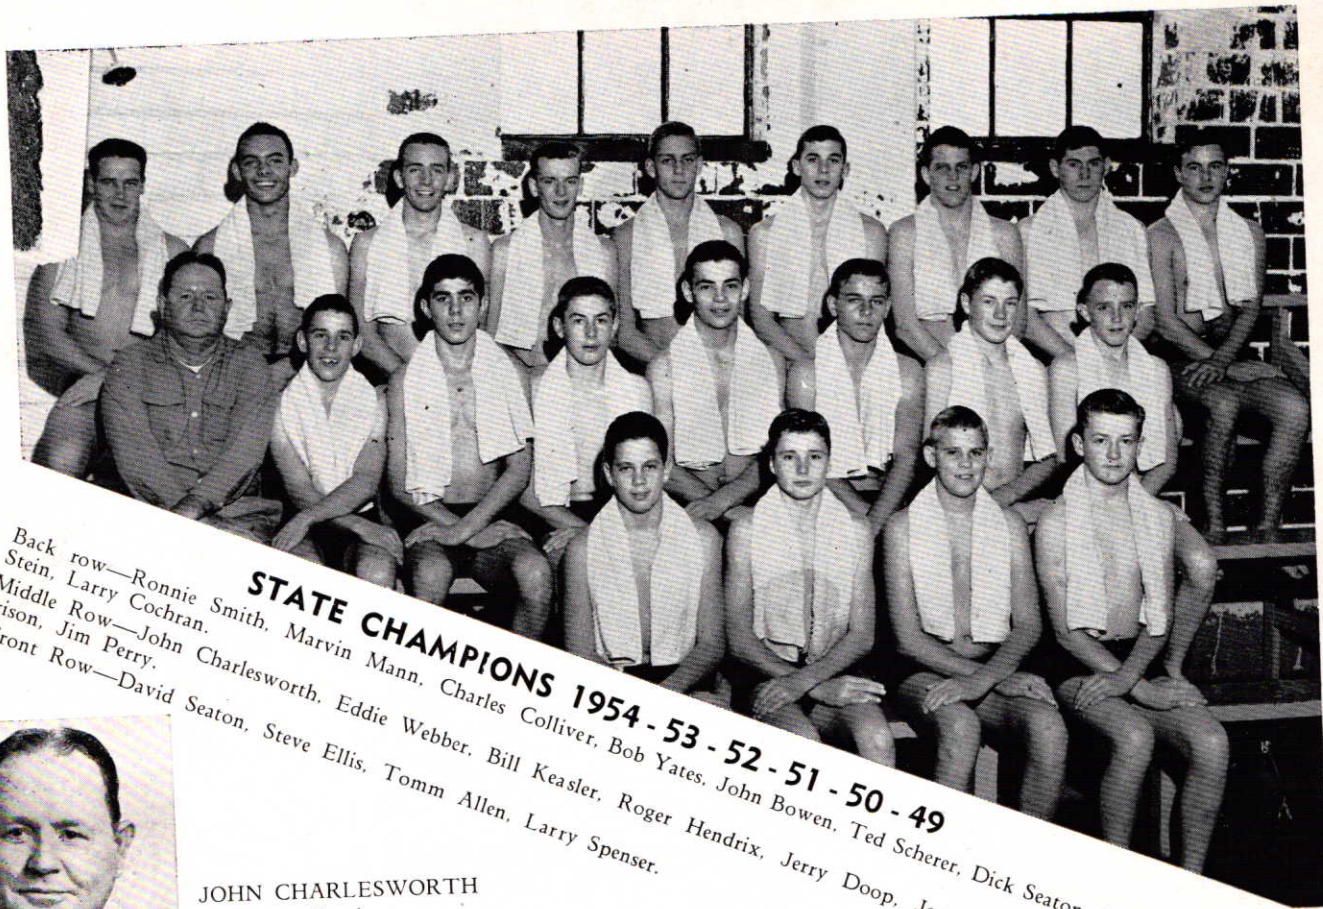

The leading scorer for the Pansies was Otha Fields, who scrambled over the white line for a total of 54 points. Next was Dee Lloyd Roberts with 27, after Dee Lloyd came Jerry Doop and Mike McCool with 19 and 16 respectively.

Team Talk

This year more than ever the facts were proof enough that the Tornado Tankers are one of the high school swimming powers in the country. In addition to winning their seventh consecutive state championship, which is an unbelievable feat in itself, the tankers busted practically all existing records in our pool and in the state meet. In our own pool, records that were thought to be unbreakable were chopped down considerably by the Purple and Gold splashers. Field Kindley has the distinction of having two national interscholastic records broken in its pool. There are very few, if any other high schools in the country, who can boast of this. Our own Teddy Scherer broke the national record in the 100 yd. breast stroke with a 1.01.7 and Jeff Farrel of Wichita East swam a 2.11.8 in a dual meet here in the 200 yd. free style. In addition to these records the medley relay team composed of Bob Yates, Ted Scherer, and Dick Seaton swam a 1.38.4 race to become the third fastest time ever swam by a high school team in the country. Coffeyville has probably one of the finest divers in the country in Ronnie Smith, who was undefeated in dual competition during his high school career. "Pee Wee" has however competed in many other meets unattached and brought back his share of first place trophies. This year he, and various other members of the team, competed in the A.A.U. meet at Bartlesville. Ronnie came home with the low and high board trophies which were two of the eighteen brought home by the C'ville finmen.

State Meet...

Ronnie Smith
Co-Capt.

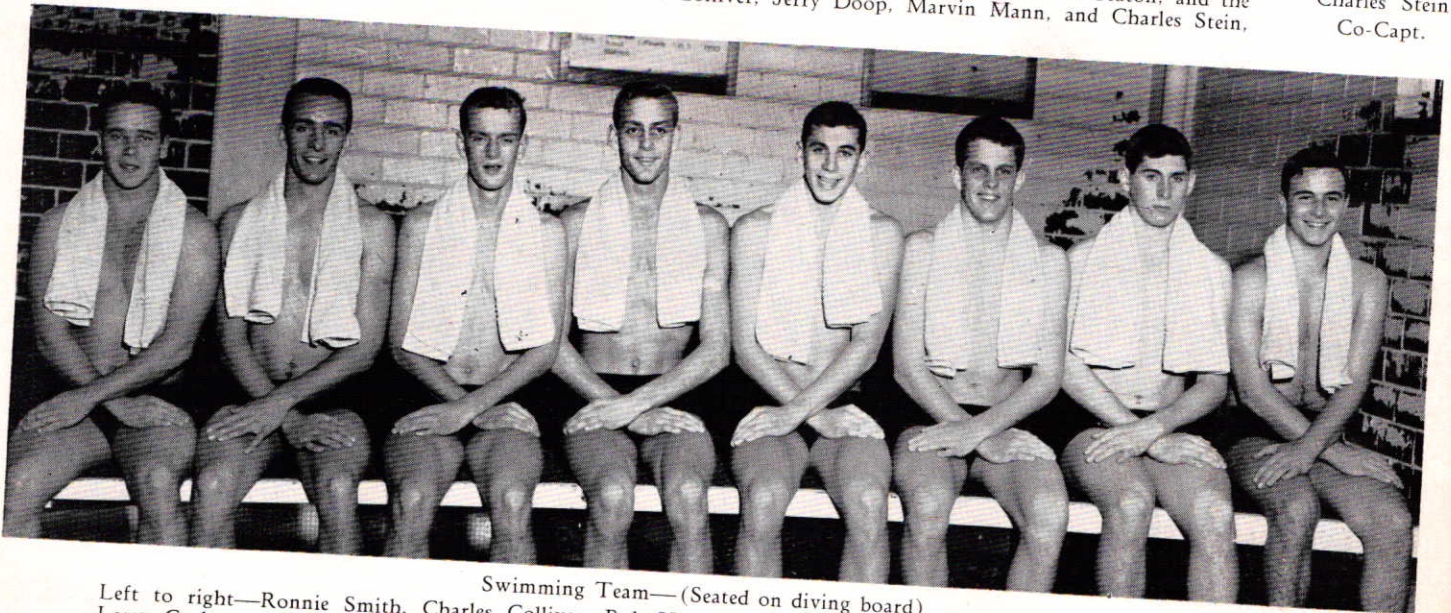

This year's state meet was probably the most amazing in the history of the annual event. In addition to their seventh consecutive state championship, the Tornado Tankers "busted" every existing record at the meet excepting two which were broken by a Wichita East boy. Coffeyville splashed to one of its highest point totals by piling up 68 to its nearest opponnet's 42.

Another amazing fact about the meet was that every existing record was broken in the preliminaries of each race and then these new marks were topped in the finals of each event.

Coffeyville boys taking firsts and breaking the existing records in their events were: Ted Scherer in the 100 yd. backstroke; Dick Seaton in the 220 yd. freestyle; Bob Yates in the 100 yd. backstroke; and Ronnie Smith in diving. Both relay teams turned in record breaking times. The medley relay was composed of Bob Yates, Ted Scherer, and David Seaton, and the sprint relay was made up of Charles Colliver, Jerry Doop, Marvin Mann, and Charles Stein.

C O - C A P T A I N S

The 1953-54 Golden Tornado hoopsters didn't finish the season in the manner they were expected to, but they did establish themselves as a great team, a great bunch of hustlers, fierce competitors, and a swell bunch of guys, capable of downing the best the state could offer.

They proved themselves as well as their coach to be an outfit that could suffer defeat, yet could come back with that fighting spirit and down the strongest of opposition.

After opening the season by downing Iola, the Tornado couldn't seem to get spinning, as they dropped their next three games. Then, facing the third place finishers in the S.E.K., Columbus, who also went to the quarter finals in the state tournament at Manhattan, the Tornado rolled to a victory of 53 to 43. After a loss to Pittsburg by one point, Coffeyville bounded back to strike down the strongest contender for the S.E.K. crown, Parsons, outscoring the Vikings 53 to 46. This game was played on the local court, and Parsons would be looking for revenge on their own court.

Playing in the tournament at Dodge City, the Golden Boys met one of the strongest teams in Kansas, the Newton Railroaders. The Railroaders and the Javatowners played a brand of basketball that could not be equaled throughout the rest of the tournament. The Tornado led down to the final few minutes but were finally nosed out 53 to 50.

After downing Shawnee Mission and dropping to Chanute, the team resumed S.E.K. play. Winning only two out of their next six games, things were looking mighty low as the locals moved into Parsons for a try at what seemed to be the impossible. Parsons had lost only a couple of games in the past years on their home court and Coffeyville hadn't turned the trick for 15 years.

A see-saw battle occurred but the Viking just couldn't overtake the hustling crew from down south. The Tornado squeezed past Parsons 73-69 in a game that had the crowd on their feet all the way.

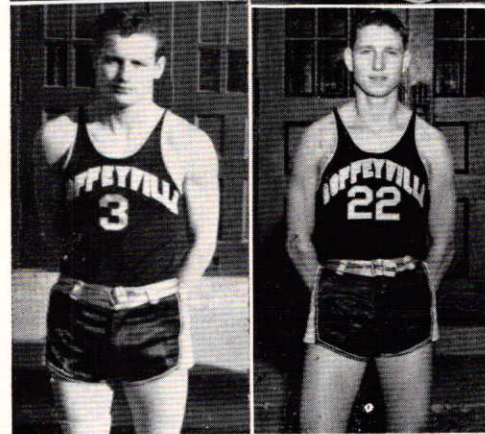

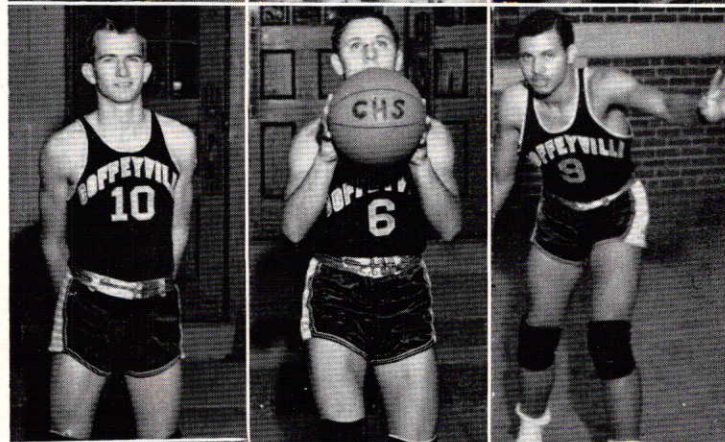

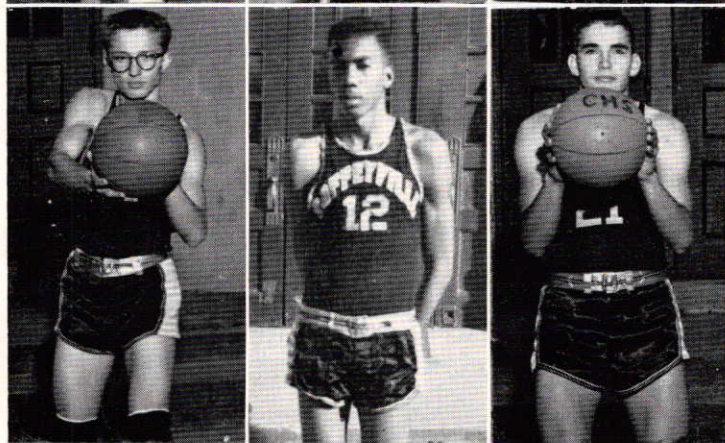

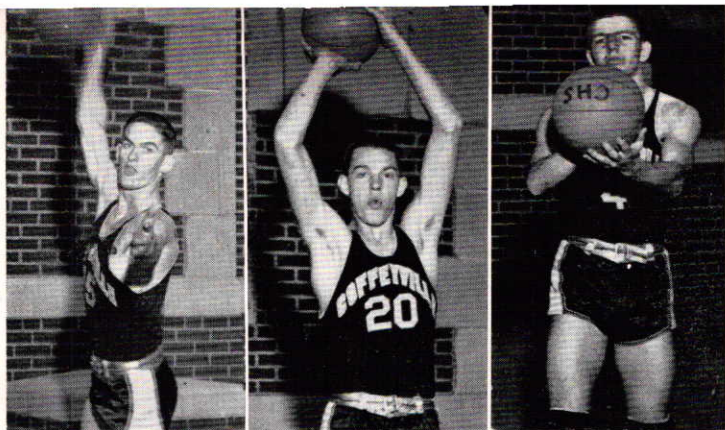

This game finished up the S.E.K. season for a team that had known both glory and obscurity but could hold their heads high and say, "We're from Coffeyville."

Golf has been one of the main second semester sports in Field Kindley for many years. This spring the team ranked high in all the tourneys in which it participated. At the time of this writing the SEK league meet had not been held, but it was expected that Coach Neis's niblick wielders would be right at the top when all the divots cleared away.

Tennis

TENNIS

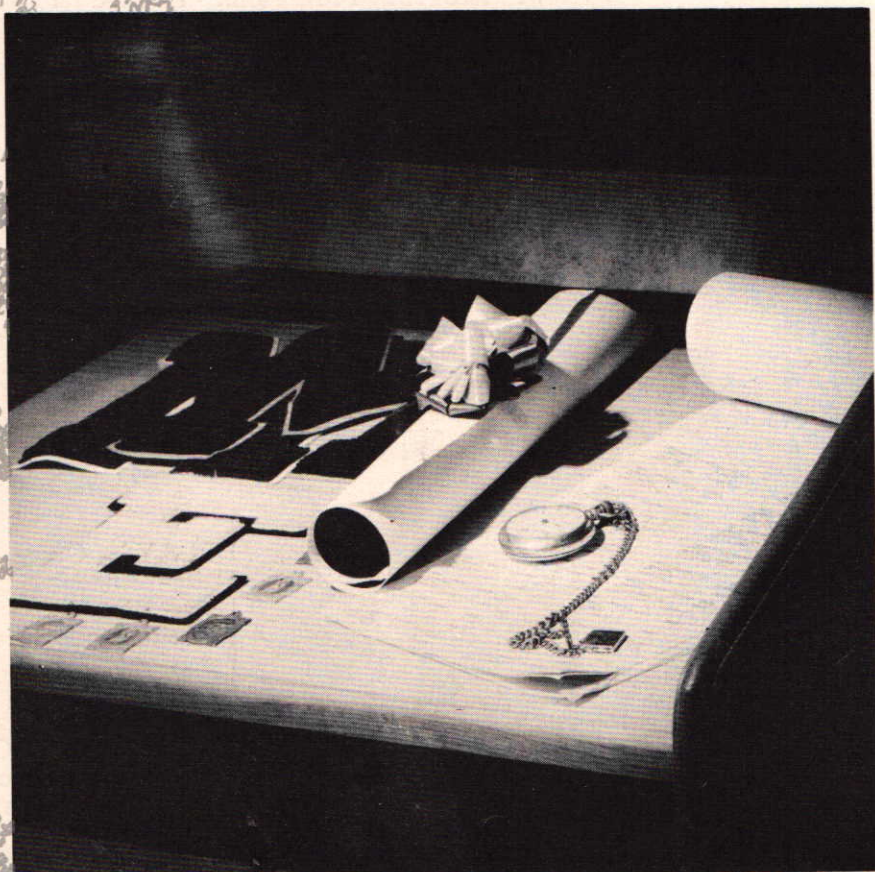

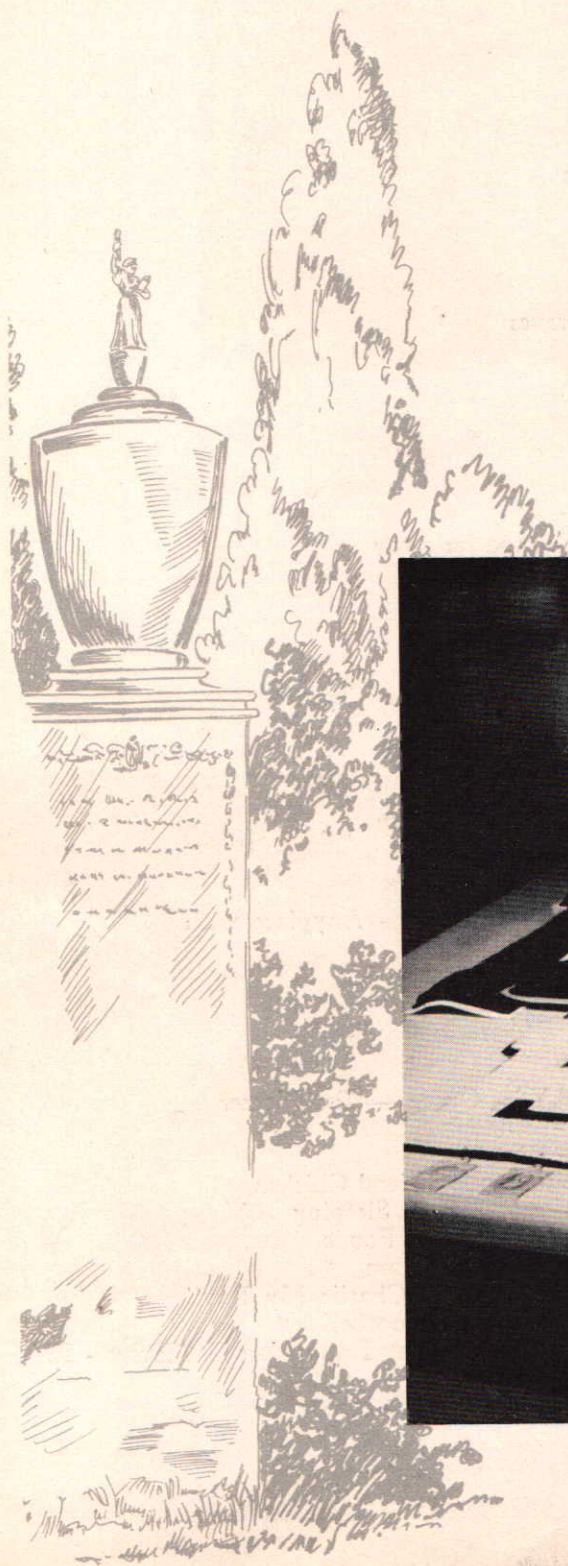

Coach McKinnis, Raymond North, Robert Harper, Gary Tongier, Jim Moore, Estel Carey, and Ken Francis.

The tennis team led by returning SEK singles champion, Gary Tongier, beat all foes except Bartlesville as other teams found them hard to beat.

Dean Carey and Kenny Francis won the SEK doubles championship and Gary Tongier placed second in the SEK singles contest. Thus the netmen tied with Parsons for the championship.

Coach McKinnis has had an SEK Championship, singles or doubles, for the last three out of the four years that he has coached tennis in Coffeyville.

The Twister is a senior publication and the senior members of the journalism classes have a hand in the publishing of the annual. When the book is distributed at the end of the year everyone who puts in any time at all will be able to point a finger and say that he is responsible for that page. We enjoyed working on it and know that in years to come we will enjoy remembering the hours and work put in on it.

The two journalism classes are responsible for the editing and publishing of the school paper and the year book. Every student who has enrolled in the class works on the Tornado Times in some way and everyone has had a hand at editing the paper. Though there is a great deal of work involved in the editing of the paper everyone has had a great deal of enjoyment.
