The 1967 Twister is a "Whirlwind of Memories." As you look through these pages, you will find yourself again at the Homecoming, Kavalkade, or in Senior Lit. , struggling through Ivanhoe.

You will again discover yourself running down the hall trying to beat the bell, or yelling at a pep assembly, or sitting in Mr. Charlesworth's office sweating out a lecture. You will again march at a parade, cheer at a football game, or sit in your car at noon.

As you think back, you'll drift away from the school building and discover activities not sponsored by the school, and not at the school, but still a part of school because of the people involved. You'll see once more a full parking lot at the "A" after school, a party on Big Hill or cars dragging Eighth on a Friday night.

As you finish looking at this book you will have memories of graduation, prom and many other important events of your school life, and you will be left with, a "WHIRLWIND OF MEMORIES."

Do You Remember?

Mr. McMurray's purple coat, or Mrs. Eckhardt's trig finals. Then there was Mr. Poort and his snakes, Mr. Sappenfield and his "rocking" chair. How about the weekly map test of Mr. Thomas. You will always remember Miss Norfleet and her stories. These are just a few of the things to remember our faculty by.

### A Teacher's Prayer

Let not my gifts to them  
be transient ones-  
The little unremembered  
things of life  
But rather may I lead  
them to a strength  
Which is sufficient  
over every strife.

Grant that I may show  
the path to truth  
And humbly help them  
follow its bright way  
Make mine a strong  
yet simple faith  
To soar ahead each  
challenging new day.

Let not my gifts to them  
be transient ones  
But memories that linger  
through the year;  
May I inspire in them  
unfailing trust  
To learn a higher joy  
beyond life's tears

JUNIORS

Junior Class Officers: John Holland, President; Janie Misch, Secretary; Dale Lucas, Vice President.

The largest number of Juniors ever to attend Field Kindley returned last fall. With the class, came a driving force that had been a part of the class since its first year. The class also gave support to the clubs, sports and activities in 'Nadoland. The arrival of class rings was one of the year's highlights to anxiously waiting Juniors. Now, these classmates have finished their second year, ready to profit from any past mistakes, and ready to assume the responsibilities required of the Seniors of 1968!

# SOPHOMORES

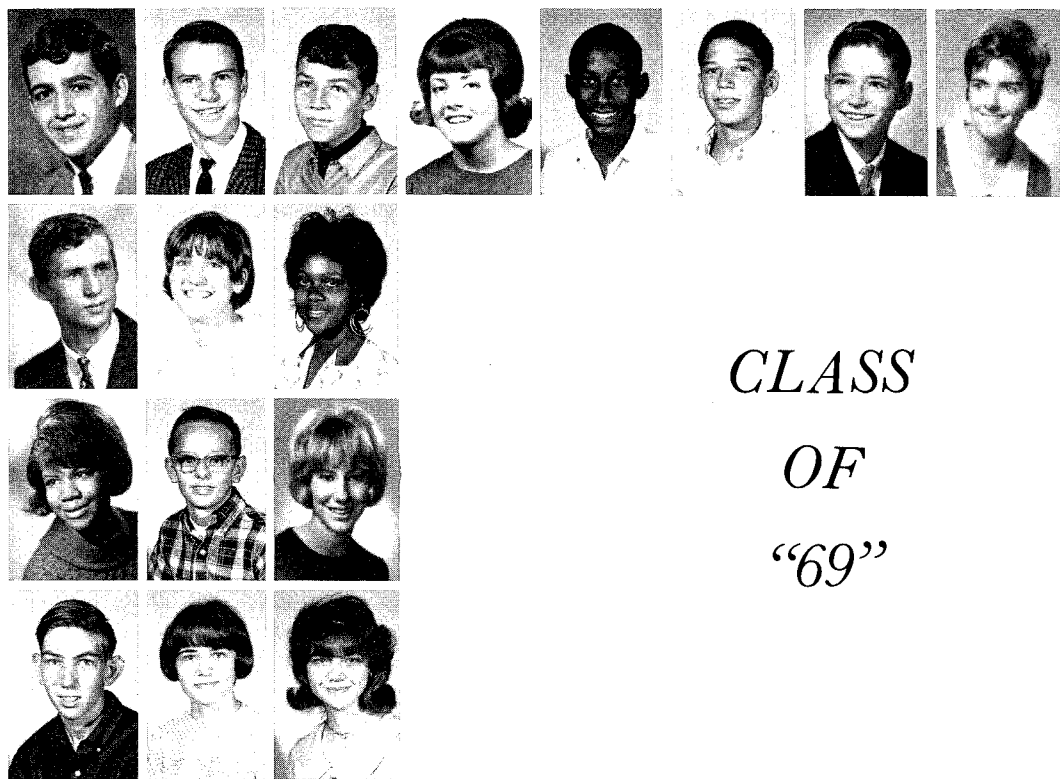

Sophomore Officers: Jack Newcomb, Beth Beeson, and Jim O'Rear.

Before the sophomores had had a chance to settle down, they were called into the auditorium for English Comprehension tests the first day of school. This proved to be a bewildering situation for the young students.

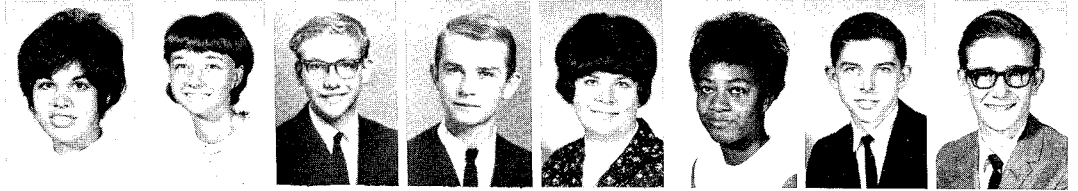

After getting situated, they immediately started taking an active part in the many school organizations, bringing home honors in debate, swimming, pep

SHOWTIME

Kavalkade ended with the last Grand Finale to be given of the XVIII Annual production of Kavalkade.

### *There's No Business Like Show Business*

Barbara Curlis and Carol Martin portray Raggedy Ann and Raggedy Andy.

The Girls Tumbling Team entertains the audience.

The ticket sales ended, and the curtain was lifted for the first night of Kavalkade. The show opened Feb. 14 for a four-night run. At the beginning of the last performance, King Kay XVIII was crowned; the recipient of the traditional robe and crown, a senior, J. L. Stone. Kavalkade was directed by Mr. Burchinal. The stars of the show were many students of Field Kindley. They worked hard at the many long rehearsals, but were very proud of the results. It was a great production!

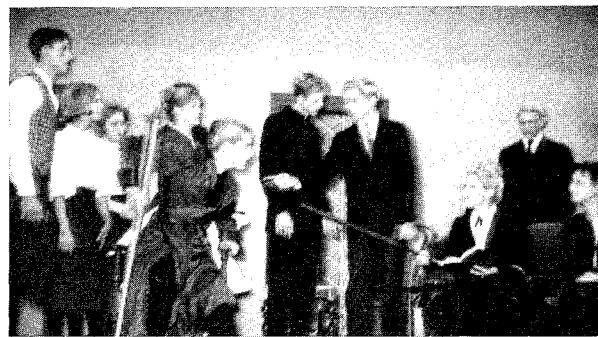

J. L. Stone, King Kay XVIII

The theme "TIME" is carried throughout the show. The Robed Choir sings Once Upon a Time.

*To Contrive Is Nothing;*

The Senior Class of 1967 presented a three act play entitled "One Foot in Heaven," by Martin and Spencer on October 19 and 20. The play presented a minister and his family who moved into a run-down parish in the small town of Laketon, Iowa in the early 1900's.

The memories of this play will long be remembered.

## *To Produce Is Everything*

"Essie, did you ask Grandpa if its alright..." Was one of the many comical lines of the Junior Play. The juniors sponsored a three-act comedy entitled "You Can't Take It With You." The play was centered around a quite unusual family picturing their carefree way of life.

We thank the Junior Class for a most entertaining evening.

## *Let's Be Up and Doing*

Longfellow

Is anyone looking for an actor or actress for a Broadway play or motion picture? Well, if you are, we probably have just what you are looking for here at C.H.S. The Thespians were a group of amateur performers who were chosen as the best actors in the various plays. These plays were the Senior Play and the All School Play both performed this year and the Junior Play performed last spring.

This group of hard workers, under the supervision of Mr. Burchinal, makes all the scenery for Kalvaskade and the various school plays. Obviously this is hard work and takes a considerable amount of time to accomplish. From the time you walk in class until the bell rings for dismissal, everyone slaves to get the job done. There is no room here for anyone who has a tendency to be lazy.

**STAGE PRODUCTION** --FIRST ROW: B. Vogan, B. Berryman, J. Van Sickle, P. Clayton, S. Guest. SECOND ROW: S. Smith, S. Taylor, C. Hare, L. Hagadorn. THIRD ROW: F. Lips, Mr. Burchinal, J. Staton, M. Baldwin.

# ORGANIZATIONS

### *No Wild Enthusiast*

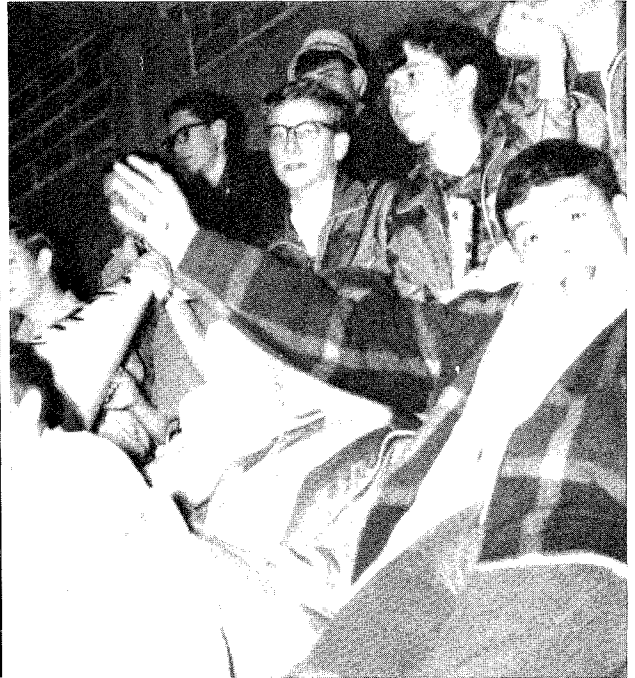

A newly organized club for boys was created at Field Kindley this year. Many enthusiastic sponsors are always ready to help create spirit for our teams and other organizations.

The Booster Club elected officers at the first of the school term which included: Ed McCutchen, President; Jody Harris, Vice President; Gene Neely, Secretary; and Kenneth Aduddell. These boys have done much to hold the Club together this first year.

The club ordered new gold jackets with purple tornado's on them. These jackets make it easy for every boy to be pointed out as a member.

The total membership of the club is 219. They plan to continue next year under the same sponsorship. This Booster Club has done much to boost the school spirit, cheer the teams on to many victories, and help organizations with many projects.

The Pep Club, newly reorganized this year, was under the direction of Mrs. Stover. The girls had new emblems; however the purple vests and pleated skirts still remained as part of their uniforms.

The cheerleaders, changing with the times, joined the mini skirt parade. It was rumored that this "new look" changed their whole environment.

The Pep Club helped support spirit and enthusiasm for every up-coming game by posting victory signs in the

We will remember the Pep Club for their support of the school spirit.

### *Friendship and Music*

The thirty-third year of Drum Corps, beginning in June, was off to a year of memories with long practices.

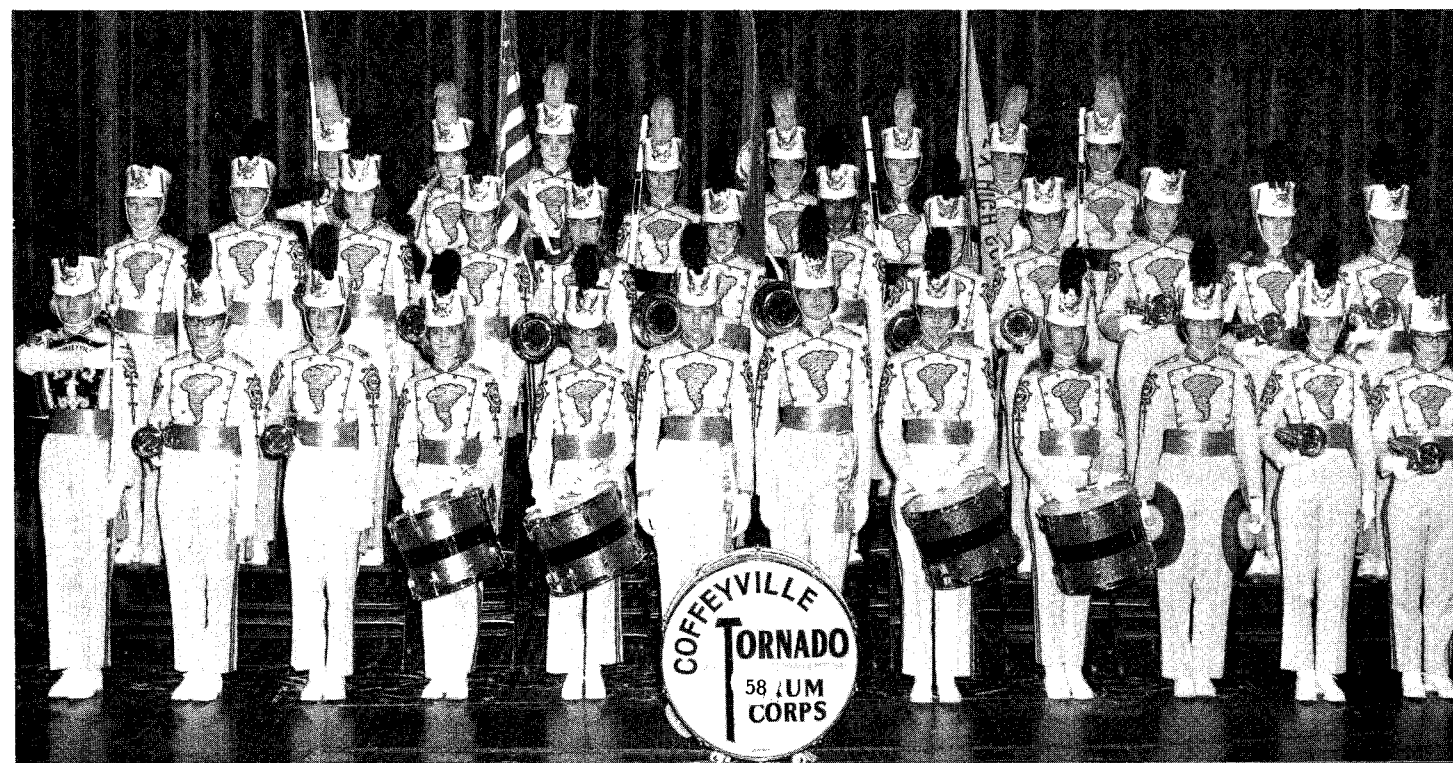

After many long hours of hard work they were ready for their first performance in the rodeo parade. Many drills, parades, and pre-game ceremonies followed.

"IT WAS A VERY GOOD YEAR,"

was the theme of the 1966 annual reunion banquet at which Debby Kuykendall, drum major, presented the baton to the 1967-68 drum major, Debbie Steele. The back-drop was decorated with green stars for each year the corps has existed.

It was a very good year, one that will last in their hearts forever.

The Girls Athletic Association was open to any girl who enjoyed participating in sports. Each year these girls organized teams to play basketball, volleyball, bowling, and softball. Individual activities such as walking, horse-back riding, tennis and ping pong counted points toward a small school letter. This letter is obtained when they accumulate a total of 600 points from the various sports activities.

Accompanied by Mrs. Ziegler, their sponsor the girls traveled to Pittsburg, Kansas to attend Playday in April. Here they were instructed in the various different sports.

With one senior letterman as a nucleus, an experienced group of eight debaters kept Coffeyville on the Kansas debate map by winning five trophies in major tournaments. The novice squad brought home three trophies. Their topic for the year was "Resolved: That the foreign aid program of the United States should be limited to nonmilitary assistance."

The five top experienced debaters Pierce, Schmid, Carter, Bond, and Reavis, carried on Coffeyville's winning tradition with a record of 107 wins while losing only 43 rounds. The four top novice, Frazee, Kastler, Cott, and Swanson, did a great job in winning 69 out of 103 rounds since 48 of the total were in tournaments for the experienced speakers.

Under the supervision of the new advisor, Mr. Overman, the Twister staff has taken steps to change this year's annual from those of the past. A formal theme, "A Whirlwind of Memories" was chosen and color pages were included for the first time in several years.

A new system of selling the annuals

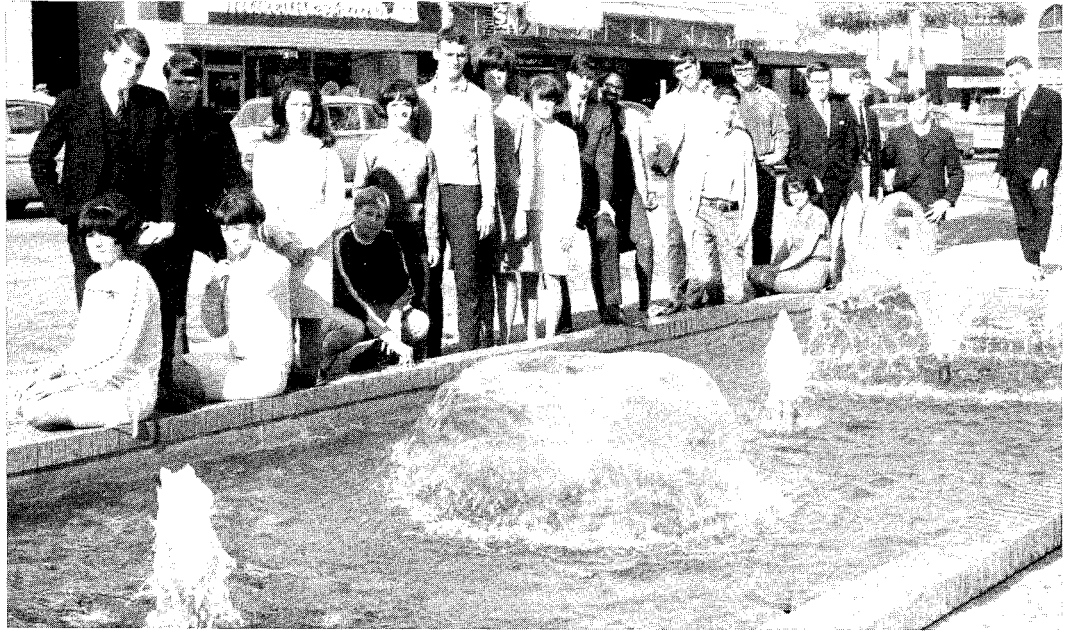

was introduced this year. As it turned out, more yearbooks were sold this year than ever before.

It took a lot of planning and worrying to meet the deadlines, but the staff did it and have come up with what they believe to be a finished book. Remember all the fights we had?

bookworms. Each member is responsible for a certain section. No one is left without a job.

The Times people work hard and enjoy their work immensely. All of these are the ingredients for the top-notch paper that they put out! Thank you, Times staff.

The Golden Tornadoes had a difficult start with a loss of four games. In November the 'Nados struck back holding Chanute to a 19 to 19 tie. They were on their way, sliding over Altamont by a 19 to 0 victory.

Then, the 'Nados headed back for Pittsburg, and brought home an 18 point victory. Striking Iola next, they tackled them for a 55 point win. The 'Nados then lost to Indy in their final challenge.

Nine returning senior lettermen helped spark the team through their season. By way of individual statistics, Philip Penn ranked highest in scoring with a total of 36 points. Bill Bishop

battled close behind with 31 points. The outstanding tackler of the year points to John McCutchen. This junior letterman combined 59 unassisted and 108 assisted tackles to rack up a total of 167 tackles. Danny Groves plunged close behind.

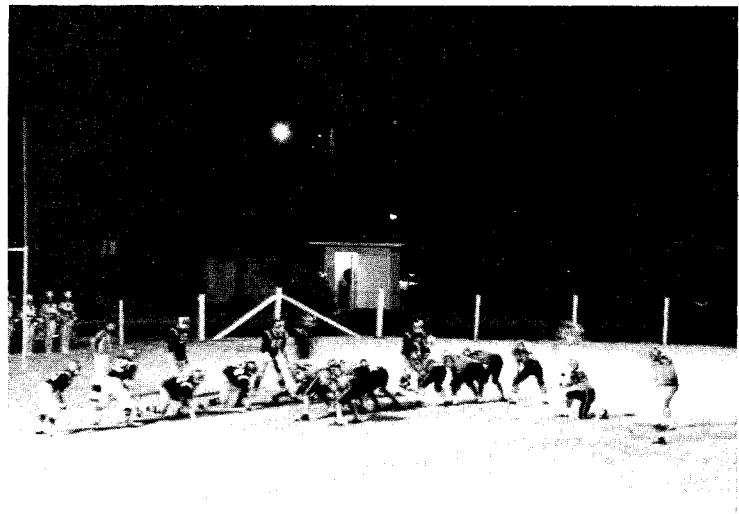

Bill Bishop completed 21 passes gaining 237 yards for the 'Nados. Tom Gann received 16 passes of which 6 were interceptions.

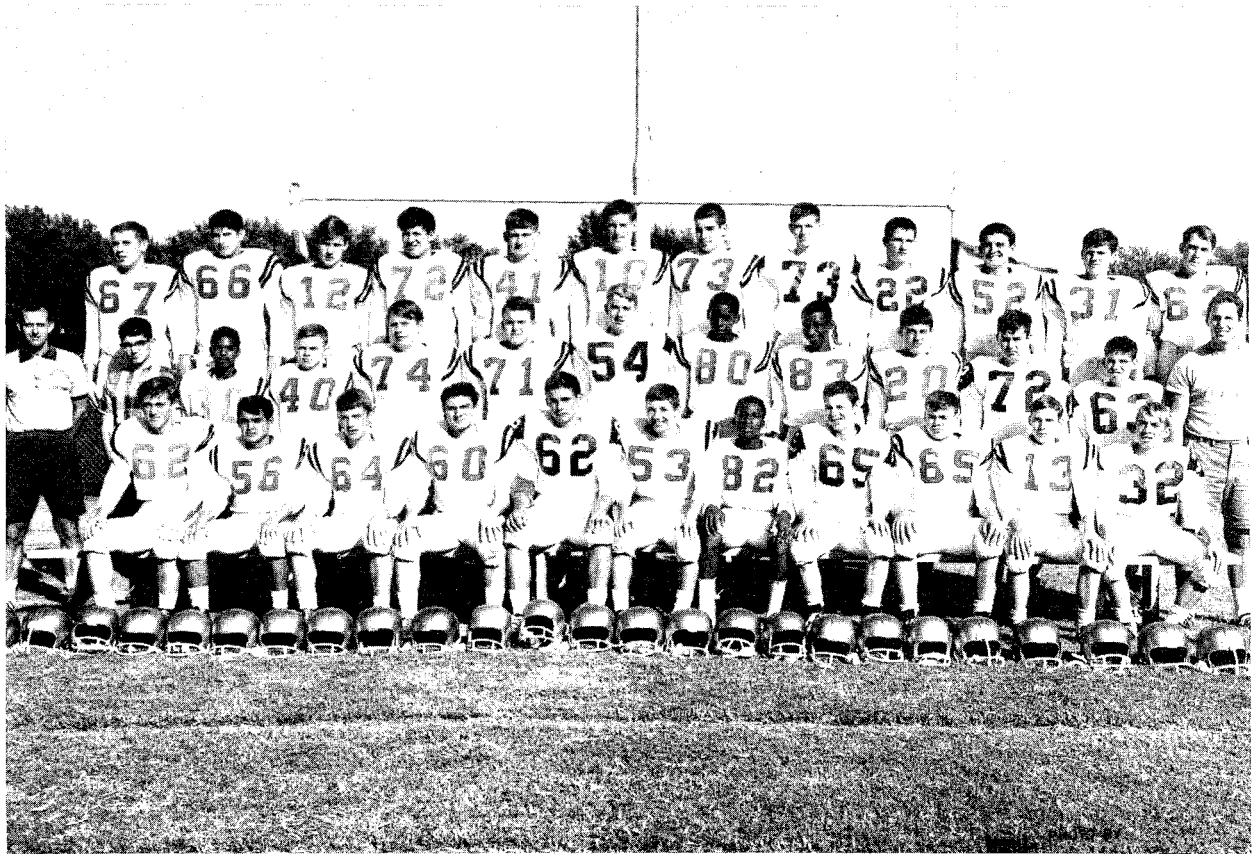

Head coach, Glen Percy commented, "I feel that the outcome of the games as far as winning and losing, has little to do with the skill and ability of the players."

### *in SEK League*

As the Golden Gale started their season, they were stopped with a jolt by a 19-34 loss to the Columbus Titans. However, this did not discourage the Golden Gale. They came back against Altamont with a 64-19 victory. With a fine win over Altamont, and excellent coaching by Harold Thomas and Howard McMurray, the Gale hoped to have an impressive year. Toward the end of the season, the standings leveled out to 3 wins and 3 losses. These are not especially good standings, but considering their lack of experience, they proved themselves well.

Although the 1967 Tornado cagers completed their season with 4 wins and 10 losses, there were some highlights during the year. Tom Angleton was named to the Southeastern Kansas League All Star Team and Bob Maness received an honorable mention in the same event. Maness also was the top rebounder on

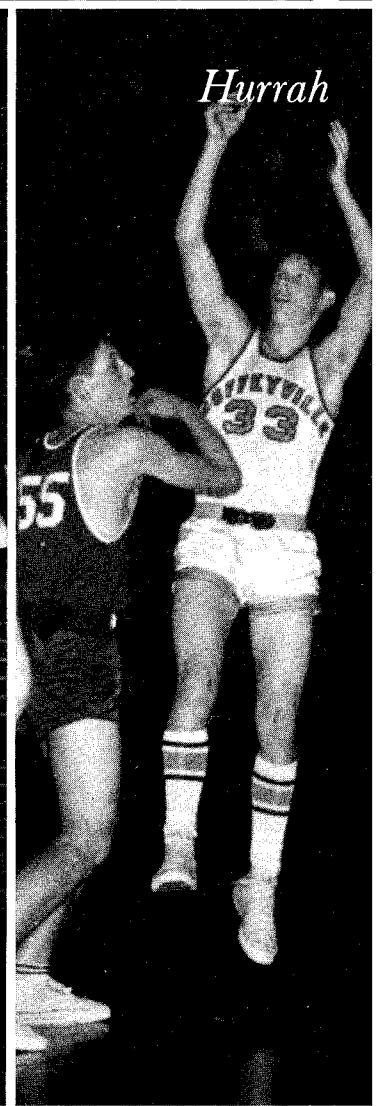

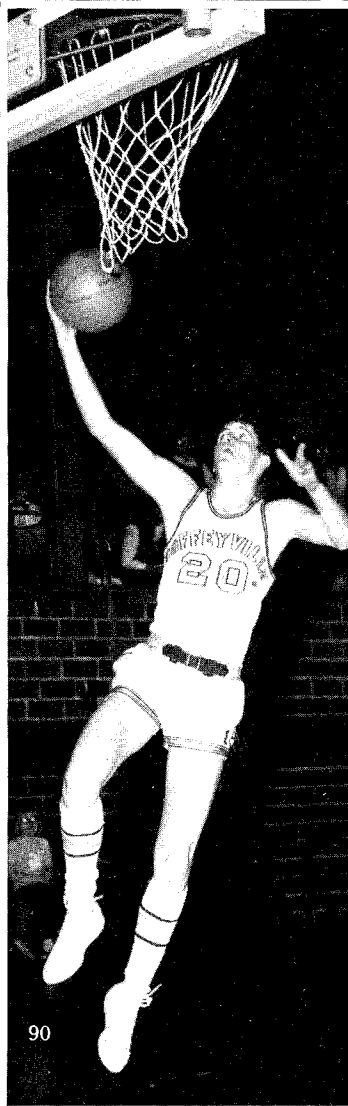

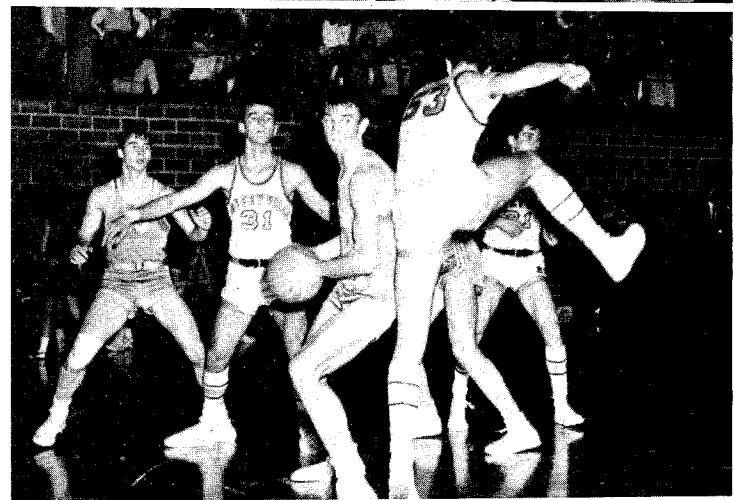

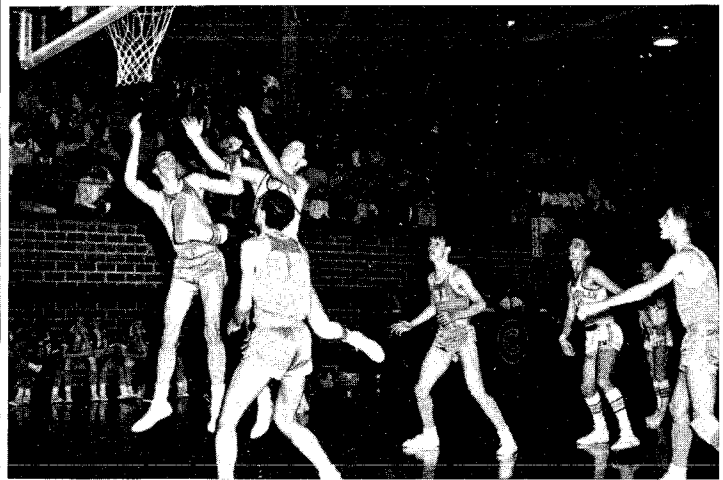

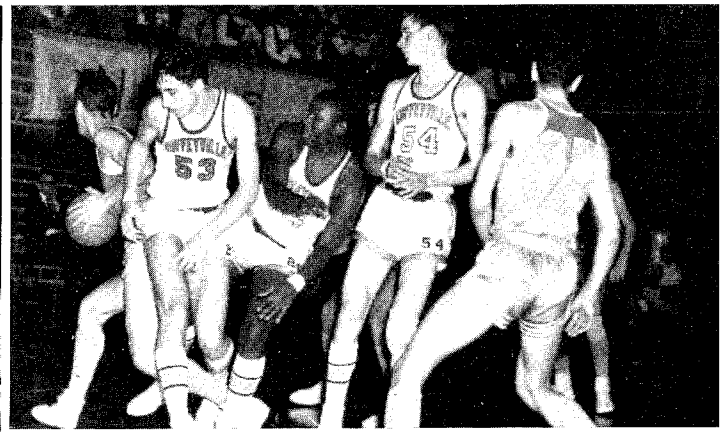

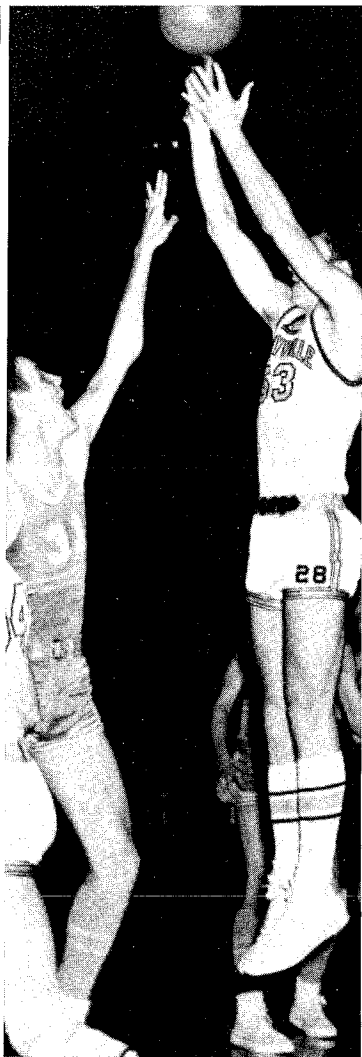

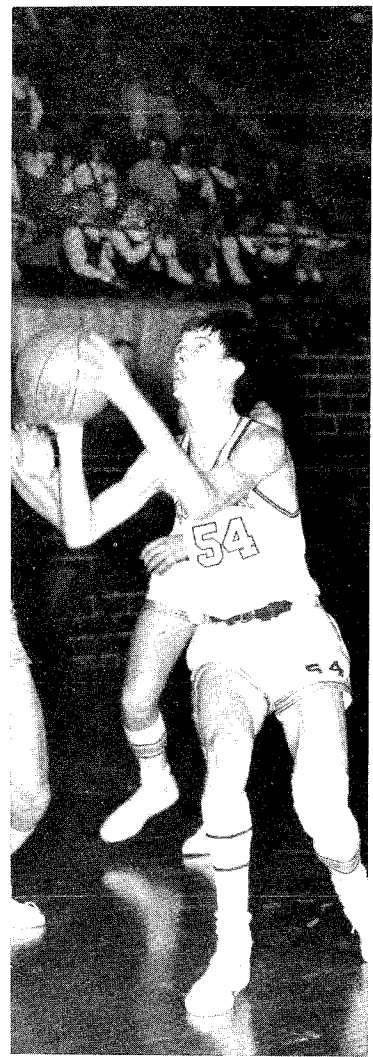

the team. With the return of 9 lettermen and 4 starters the outlook for next year's season is more promising. The experience of the returning players gives coach Thomas great plans for finishing high in the S. E. K. The ability of each individual keeps hopes up.

Taking first place against our rival, Independence, and winning our Coffeyville Relays again this year, was a breeze for our 1967 Track Team. The greatest achievement for our fine team was winning the SEK Championship. Contributing to this fine success were great individuals like Melvin Brown who ran the quarter mile, Jim O'Rear, our miler, and Tom Gann, a high-jumper.

With the help of returning sophomores like Jack Newcomb and Larry Crutchfield, two upcoming dashmen, the outlook for next year looks very promising. Altogether, we had a very good season. Congratulations to coach Glen Percy and our fine spirited team.

The 1966-67 Tornado Tankers, in a not-so record breaking season, traveled far and wide to meet the stiff competition of much larger schools. Scoring 3 wins and 11 losses, the tankers put every effort forth to place 7th in the state.

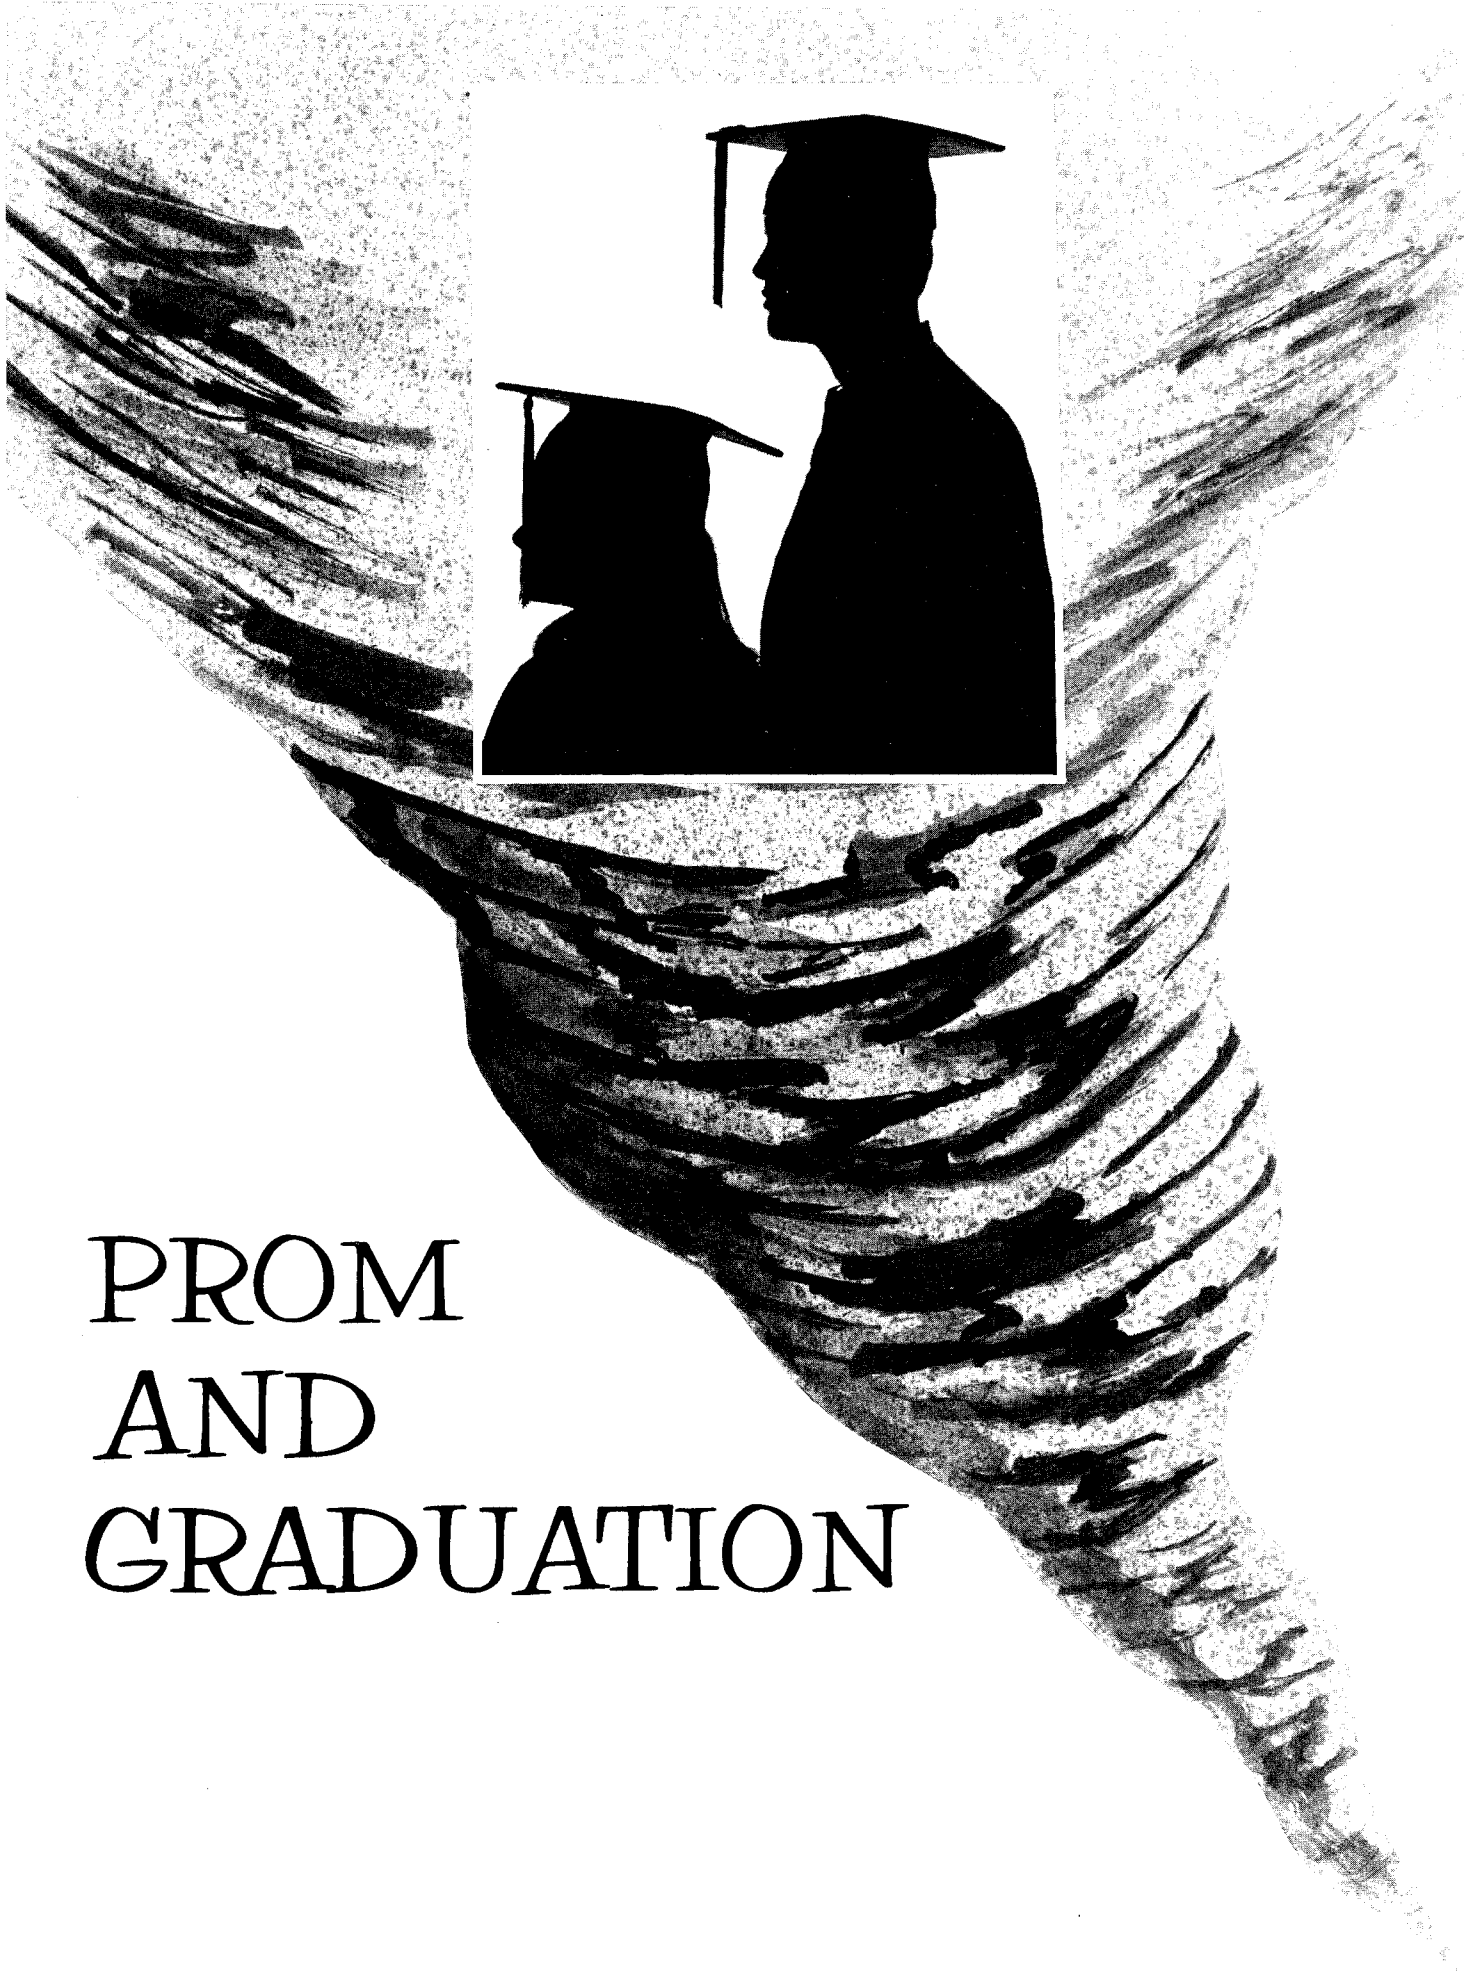

Next year should be a promising season for the Fishmen. Ten lettermen will be returning including All-American, Tom Warburton. Warburton set National records in the 400 yard Freestyle, and 160 yard Individual Medley. These factors could possibly put the Tankers in first place at the end of next season.

PROM  
AND  
GRADUATION

Love

World  
Go  
Round

The excitement had been mounting little by little as Prom time approached. Finally, the excitement reached its peak--it was Prom Night!

Girls had their hair styled at salons, came home, and frantically attempted to recomb it.

Boys checked last year's dinner jackets and wondered where to get the money for a larger size.

Doorbells rang all over town as boys arrived to escort their dates to the big event.

Remember how embarrassed you were hunting for your left shoe as your date impatiently waited?

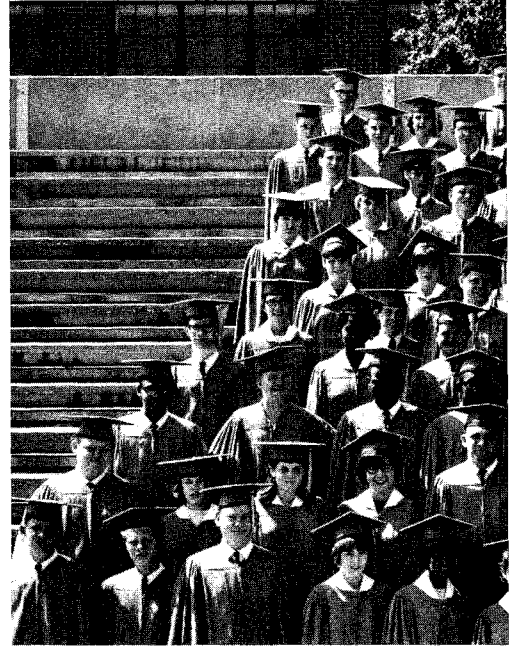

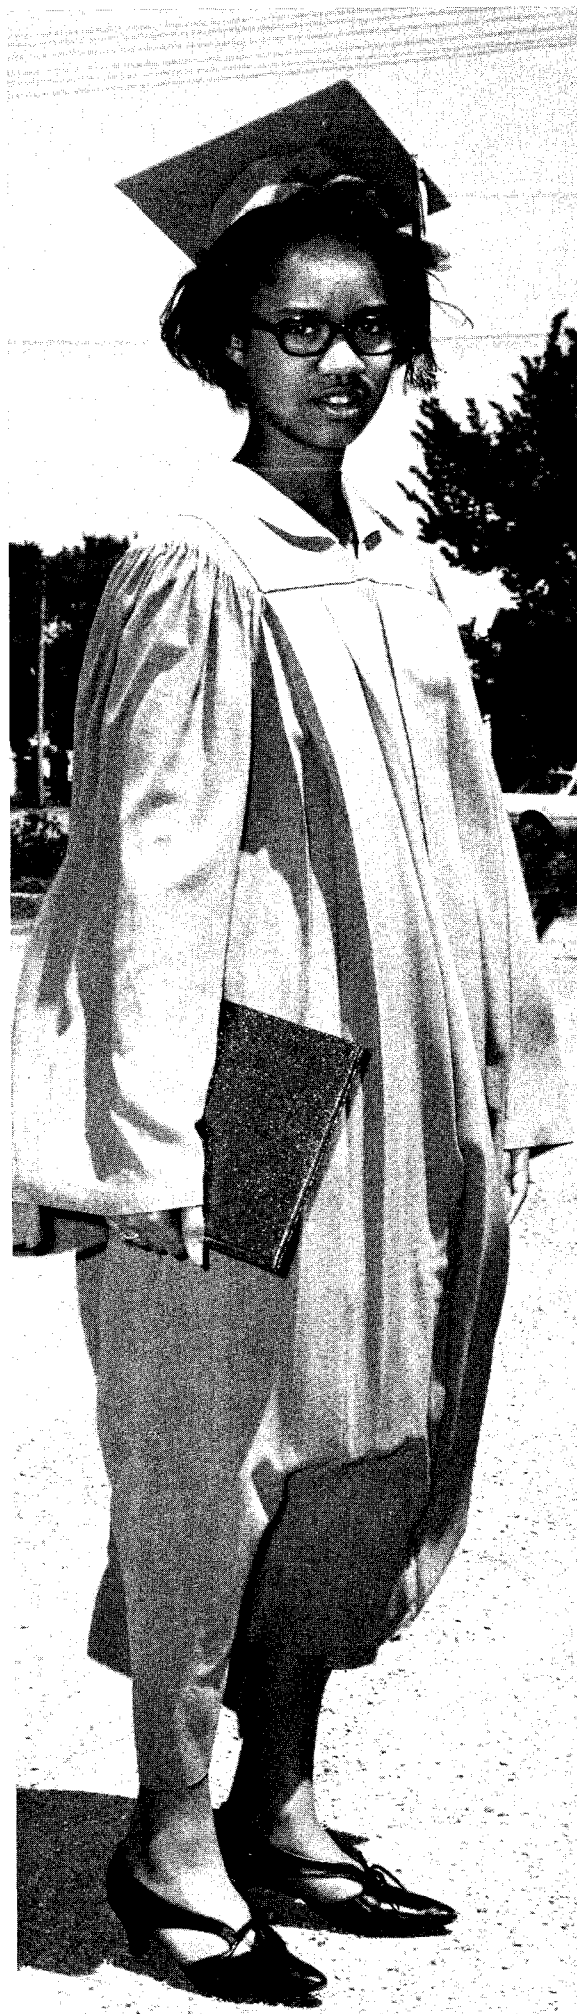

The "Class of '67" will always remember the moment of proudness when they caught their first glimpse of the Gym. Crepe streamers of Persian pink and suspended silver spangled hearts turned it into a lovely ballroom.

This night will be everlasting in the hearts of the students of Field Kindley.

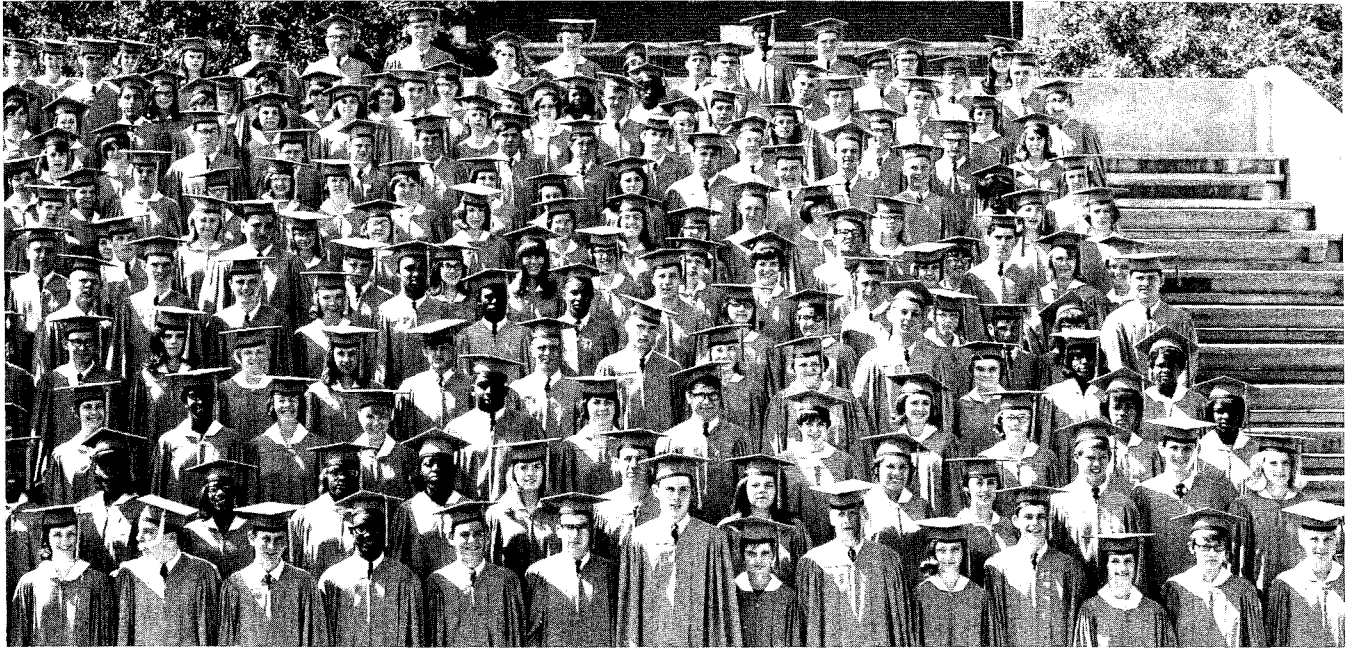

*If the SKY Is Your LIMIT,*

The Seniors anticipated the night with great anxiety. Now after three years they were leaving. The final event in which they took part was Commencement. On May 26 at 7:30 the 222 graduates started the march to their seats.

Mr. Walter M. Ostenberg, from Salina, former dean of Coffeyville College, was the speaker. Mr. Jack Lively presented the seniors with their diplomas after Mr. Ostenberg's speech.

We can imagine what is going through this young lady's mind. "Finally.."

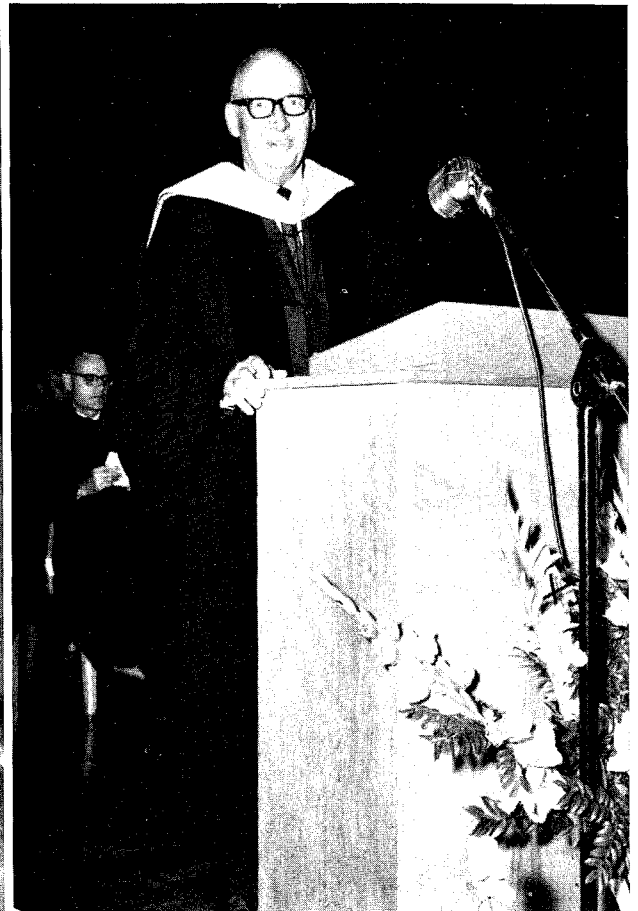

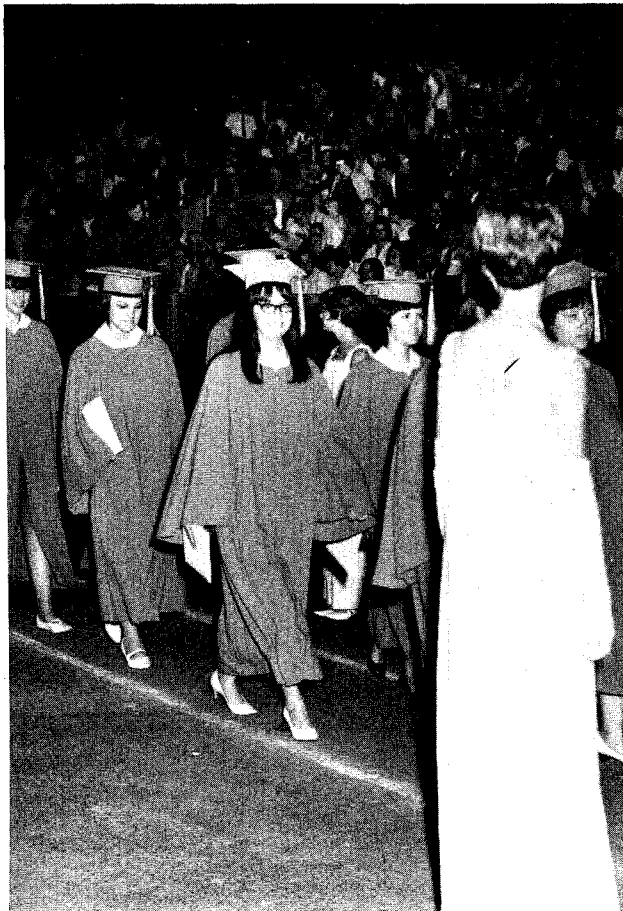

Here are the 222 graduating Seniors dressed in their caps and gowns. This was a thrilling moment for the Seniors, for there are just two days left before the Seniors were to receive their diplomas.

## *You Have No IMAGINATION*

With the Seniors marching to their seats, Commencement exercises begin.

Mr. Walter M. Ostenberg delivers his speech to the attentive graduates.

### A Few Words From the Editor

Well, staff, another year has ended and another annual has been completed and sent to the publisher. I can hardly believe that it is finished. Remember at the first of the year how all of us came into the yearbook class not knowing the first thing about it? No offense to anyone, but I think we're all leaving in about the same shape.

Gosh, but we had a lot of fights in that class! We hardly missed a day without at least one. Not any one person was to blame for it. I think we argued mainly because none of us were really interested in journalism and found out that it wasn't as easy as we thought. I think we're going to have a pretty good annual, don't you? I'm keeping my fingers crossed anyway.

Do you realize that this is our very last year in high school? It seems like it took a long time for this day to come. But it has come and now is the time when each of us parts company and goes our separate way. It's kind of a sad time, but I doubt that any of us would have it any other way. As soon as we walk across the stage with our diploma we are more or less out on our own. That is the time we begin to prove ourselves, for better or worse.

You have been a wonderful staff and I have really enjoyed working with you. Good luck to all of you. I hope that we will meet again in the near future. Maybe we could even throw together another annual. Ha ha!

B. J. H.
